### **ACCIDENTAL SAINTS**

Finding God in All the Wrong People

NADIA BOLZ-WEBER

September 2015

Convergent; Hardcover

Religion/Spiritual Growth

Rights: World

**Nadia Bolz-Weber, author of the *New York Times* bestselling *Pastrix*, may be the most unlikely pastor in America.**

A tattooed Crossfit fanatic with a checkered past and a take-no-prisoners attitude, Nadia speaks to a packed house everywhere, her legion of fans ranging from angry doubters in pubs to earnest moms to urbane young Episcopalians. All are inspired by her honesty and humor about her failings--especially her distinctly un-pastoral crankiness and unsociability--but even more, by the power with which she communicates God's love.

Nadia takes us inside House for All Sinners and Saints, her highly unusual church community in Colorado. Beyond her tattoos and penchant for four-letter words, what makes Nadia an unlikely pastor is the same thing that makes her congregants or anyone an unlikely believer: We lie; we make selfish, petty choices; we carry guilt from our mistakes.

In a time when this conflict has caused many to leave Christianity for a more general spirituality (or for nothing at all), Nadia's radical message brings hope for our least appealing selves: that when we surrender to word and sacrament in an honest, loving community, God will do for us what we can't do for ourselves. Evoking such classics as *Traveling Mercies* and *The Ragamuffin Gospel*, ACCIDENTAL SAINTS is a stunning next work from one of today's most important Christian voices.

Nadia will be one of the speakers at Deutscher Evangelischer Kirchentag in Stuttgart, Germany this June. This huge Evangelical event draws 100,000 participants.

**NADIA BOLZ-WEBER** hit the *New York Times* list with just her second book, the bitingly honest and inspiring *Pastrix*. She is a former stand-up comic and recovering alcoholic.

*Pastrix* sold to Brendow in Germany and SCM Canterbury in the UK. UK offer currently pending.

## **SPIRITUAL SOBRIETY**

ELIZABETH ESTHER

March 2016

Religion /Christian Life

Convergent; Trade Paperback

Rights: World

**A funny, honest, deeply moving look at the everyday habits and distractions that drain our attention and energy, and the peace that comes when we learn “spiritual sobriety” – the practiced art of seeking validation and comfort in God alone.**

Elizabeth Esther is addicted to distraction. Amid the stress of raising a family of five while keeping up with the demands of writing a popular blog, Elizabeth has learned that she’ll obsess over anything that promises to soothe her discomfort. In her case, it’s binge-watching on Netflix, scrolling through endless posts on Facebook or Pinterest, eating tubs of cookie butter, or seeking an impossible amount of validation and approval from others.

Why does Elizabeth do this? Why do we do this? And, most importantly, what can we do to stop the cycle?

What we need, Elizabeth says, is “spiritual sobriety,” a state of being that responds to discomfort and stress by turning to God, and not the thousands of other things that scream for our attention. In this profound (and profoundly funny) book, Elizabeth shares how learning to cling to God’s acceptance can empower us to face the anxiety, discomfort and solitude of everyday life.

**ELIZABETH ESTHER** is a blogger who was raised in Southern California inside a strict fundamentalist church from which she fled with her husband and children. In 2006, Elizabeth began writing a blog to document her family life. Soon, she was writing about her faith journey. She and her husband, Matthew, live with their five children in Santa Anna, California.

ADDIE ZIERMAN

April 2016

Religion /Christian Life

Convergent; Trade Paperback

Rights: World

In the follow-up to her critically acclaimed *When We Were on Fire*, Addie Zierman chronicles the grief that came when she left the faith of her childhood, and how she found peace, hope, and God on the other side.

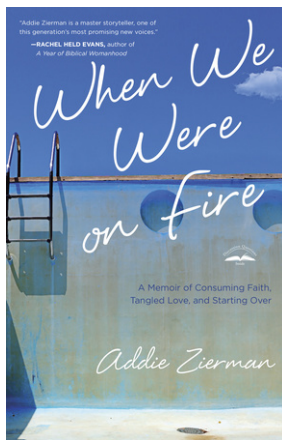

In *We Were on Fire*, Addie Zierman told the riveting story of how she decided to leave the sheltered, us-verses-them culture of her fundamentalist, evangelical upbringing. This is the story of what came next: the crippling grief Addie felt after having lost everything she thought she knew about God, and the hope that found her as she began to sense his presence in a new way.

Addie narrates this journey against the backdrop of her family's road trip from Minnesota to Florida in the dead of winter, telling of the friends and strangers she stayed with along the way and the questions that haunted her with each passing mile: What does faith look like when you're living not in the highs of spiritual fervor, but in the absence of God's presence? How do you have a relationship with God when you don't feel him, sense him, hear his voice?

In this honest, vulnerable memoir, Addie conveys how she learned to see glimpses of God at work—even in the dark.

**ADDIE ZIERMAN** is a writer and blogger. She blogs regularly at [www.AddieZierman.com](http://www.AddieZierman.com) where she's working to redefine her faith one cliché at a time.

“The best kind of memoir is so deeply personal that it tells a universal story. In Addie’s memoir you will find funny, messy, cringe-worthy, and beautiful moments that cut close to home—those experiences that we would like to relegate to youth but in truth lurk not far beneath the surface of every phase of life. If you are weary of sanitized and teetotaling stories, and are hungry for honest and redemptive stories, then this is your story.”

### **ONLY WHAT MATTERS**

The Life-Giving Benefits of Owning Less

JOSHUA BECKER

February 2016

Multnomah Books; Hardcover

Religion/Self Help

Rights: World

A popular minimalist blogger upends conventional notions on possessions, work, and success while delivering a practical plan for a more satisfying life. **ONLY WHAT MATTERS** delivers a empowering plan for living more by owning less. In a society consumed by consumption and stressed about finances, millions are realizing that more "stuff" won't necessarily bring more happiness. Material pursuits, in fact, almost always prevent us from making room for what does. That's why minimalism suggests

a radical about face. The author defines minimalism as "the intentional promotion of everything we most value and the removal of anything that distracts us from it." His book provides a deeply considered manifest for a life-giving alternative: Less is more. Contentment is possible. Generosity enriches. Genuine abundance is not found in wealth.

The principles Joshua Becker presents are not only practical and timely, they're biblical. For many, even very religious people, Jesus's clear words on money and possessions are ignored or rationalized away. Through stories, interviews, helpful analysis, humor and practical help, this bravely countercultural book articulates a sensible, entirely doable approach to possessions, time, work, relationships, and shopping. In particular, it offers hope for those who feel oppressed by worry, stress and discontent, tyrannized by cultural expectations, and exhausted by "racing just to stay in place."

**JOSHUA BECKER** is a former pastor and is the founder and editor of *Becoming Minimalist*, a website dedicated to inspiring others to find more life by owning less. The website welcomes over 400,000 regular readers each month and has inspired millions around the world to consider the practical benefits of owning fewer possessions and given them the practical help to get started. Joshua's writing has led to speaking opportunities all across America and media appearances in the *Wall Street Journal*, *Huffington Post Live*, and the *CBS Evening News*.

**As a powerful mother-daughter team, Chris and Megan Shook challenge mothers of teen/college age girls to trade the pressure of perfection for God's perfect love.**

True beauty is more about the heart than the mirror, and in this book mothers and daughters will learn to achieve a healthy mindset about their bodies and their immeasurable worth. Writing from their personal experiences as mother/daughter, Chris and Megan Shook insist it's never too late to begin conversations about what beauty truly means. While they open up poignantly about their own relationship, this book will appeal broadly to all women and the unique characteristics of a woman's relationship with God.

Be encouraged that's it not too late to begin conversations about true beauty with your daughters, your granddaughters, your nieces, your female friends, and most importantly, yourself. And if so, where would you start in studying the real thing?"

KEVIN GERALD

**There are no quotas limiting God's grace or favor...and both last for a lifetime.**

The Bible's Psalm 30:5 reads, "For his anger lasts only a moment, but his favor lasts a lifetime;..." When most people hear the word "favor" associated with God, they assume that it is like a frequent flyer program that can be tapped into once you have logged enough miles on "faith and works" airlines. The reality, however, is that God's favor is a product of His grace--where common people become recipients of His extravagant goodness. Favor is not based on "who we are" but on "whose we are" and is experienced in life even when it's not deserved. And the most wonderful part of all: *God's favor is forever.*

**KEVIN GERALD** founded and is now lead pastor at Champions Centre in Washington, a non-denominational church and one of the largest churches in the Northwest. His speaking opportunities include major conferences, events, and church platforms throughout the world

October 1776--August 1777 It is said that what a man sows he will reap--and for such a harvest there is no set season. No one connected to Reginald Aubrey is untouched by the crime he committed twenty years ago.

Not William, the Oneida child Reginald stole and raised as his own. Identity shattered, enlisted in the British army, William trains with Loyalist refugees eager to annihilate the rebels who forced them into exile. Coming to terms with who and what he is proves impossible, but if he breaks his Loyalist oath, he'll be no better than the man who constructed his life of lies. Not Anna, Reginald's adopted daughter, nor Two Hawks, William's twin, both who long for Reginald to accept their love despite the challenges they will face, building a marriage that bridges two cultures. Not Good Voice and Stone Thrower, freed of bitterness by a courageous act of forgiveness, but still yearning for their firstborn son and fearful for the future of their Oneida people.
