Patty Blount writes instruction guides by day and novels by night. On a dare by her oldest son, she wrote her first novel in an ice rink. Though never published, *Penalty Killer* was the subject of so many seventh grade book reports, the English teacher requested a copy and later returned it, covered in red ink. Patty is always looking for great story ideas. Her debut novel, *Send*, was conceived after her boss suggested she learn about social networks. Patty lives on Long Island with her family, a fish, and lots of books.

WELCOME TO RIPTIDE PUBLISHING

Riptide Publishing is a critically acclaimed boutique press dedicated to producing top-quality, broad-appeal fiction starring LGBTQ characters. Riptide seeks to fill a critical hole in both mainstream and LGBTQ markets: brilliant genre and literary fiction across all shades of the LGBTQ rainbow, both with *and* without core narrative focus on characters' LGBTQ identities.

DIVERSE FICTION FOR A DIVERSE WORLD

Riptide's primary focus is romance featuring LGBTQ protagonists, but that's not all we offer. First and foremost, Riptide publishes quality fiction. Erotica? Yes. Romance? Absolutely. We also have zombies in space, a half-fae lesbian private eye, haunting WWII historicals, a deep-sea horror-thriller, and much, much more. Many stories do of course focus on the queer experience: coming out, finding love, exploring gender identity, etc. But many others simply feature LGBTQ protagonists having adventures, solving crimes, or saving the world while never once finding angst or conflict in their queer identities.

From high fantasy to cozy mysteries to upmarket contemporaries, Riptide's offerings are at home not just on LGBTQ shelves, but also on genre and popular fiction shelves.

WORLDWIDE EXPOSURE

Our marketing team works to build and maintain reader excitement about every release by implementing a custom blend of social media (nearly 20,000 highly engaged readers, librarians, and booksellers worldwide have opted in to our mailing list and social media accounts), print/digital promotions, webinars, conference promotion, and targeted outreach—and we never stop promoting our backlist titles. Whether launching a debut author or heralding an award-winning bestseller, we work hard to garner widespread attention and accolades for all our authors and titles, including numerous rave reviews in top trade outlets like *Publishers Weekly*, *Booklist*, *Kirkus*, *Library Journal*, *USA Today*, and *Romance Times Magazine*, and widespread recognition from such juries as the Lambda Literary Awards, EPIC Awards, Foreword Reviews INDIEFAB Awards, RWA chapter awards, Rainbow Awards, Goodreads Choice Awards, and more.

WELCOME TO BLUEWATER BAY!

Cultures clash and sparks fly when Hollywood invades a sleepy little logging town on Washington state's Olympic Peninsula to film a cult-hit TV show. *Wolf's Landing*, based on the wildly successful shifter novels penned by local author Hunter Easton, spawns everything from merchandise to movie talks, and Bluewater Bay explodes into a mecca for fans and tourists alike. The locals still aren't quite sure what to make of all this—the town is rejuvenated, but at what cost? And the Hollywood-based production crew is out of their element in this small, mossy seaside locale. Needless to say, sparks fly.

This collaborative story world is brought to you by eleven award-winning, best-selling LGBTQ romance authors: L.A. Witt, L.B. Gregg, Z.A. Maxfield, Aleksandr Voinov, Heidi Belleau, Rachel Haimowitz, Anne Tenino, Amy Lane, SE Jakes, G.B. Gordon, and Jaime Samms. Each contemporary novel stands alone, but all are built around the town and the people of Bluewater Bay and the *Wolf's Landing* media empire. To learn more, please see VisitBluewaterBay.com.
