NAJWA ZEBIAN

Najwa Zebian is a Lebanese Canadian author, poet and educator. Her passion for creative expression was evident from a young age as she delved into Arabic poetry and novels. She arrived to Canada at sixteen years of age and pursued higher education. In 2011, she became a teacher and is currently pursuing her Doctorate in Educational Leadership.

Her first book, *Mind Platter*, gives a voice to those who need one, offers a crying shoulder for those who need someone to listen, and inspires those who need a reminder of the power that they have over their lives.

Her second book, *The Nectar of Pain*, is a collection of poetry and prose that the pain of love and loss gave birth to.
