Head On

The newest novel from Hugo award winning, best-selling author JOHN SCALZI

A follow-up to his hit Near Future Thriller LOCK IN, HEAD ON is chilling near-future SF with the thrills of a gritty cop procedural

"As much as Scalzi has the scientific creativity of a Michael Crichton, he also has the procedural chops of a Stephen J. Canell to craft a whodunit with buddy-cop charm and suspects aplenty—most of them in someone else's body." —USA Today

April 2018, from TOR

Rights Sold: Audible, France, Germany,

Hilketa is a frenetic and violent pastime where players attack each other with swords and hammers. The main goal of the game: obtain your opponent's head and carry it through the goalposts. With flesh and bone bodies, a sport like this would be impossible. But all the players are "threeps," robot-like bodies controlled by people with Haden's Syndrome, so anything goes. No one gets hurt, but the brutality is real and the crowds love it.

Until a star athlete drops dead on the playing field.

Is it an accident or murder? FBI agents and Haden-related crime investigators, Chris Shane and Leslie Vann, are called in to uncover the truth—and in doing so travel to the darker side of the fast-growing sport of Hilketa, where fortunes are made or lost, and where players and owners do whatever it takes to win, on and off the field.

Best Friends Forever

Best Friends Forever

Best friends know each other's deepest selves—if not their darkest

Kat Grant and Alice Campbell have a friendship forged in shared confidences and long lunches lubricated by expensive wine. Though they're very different women—the artsy socialite and the struggling suburbanite—they're each other's rocks. But even rocks crumble under pressure. Like when Kat's financier husband Howard plunges to his death from the second-floor balcony of their South Florida mansion.

Top-notch psychological suspense from women's fiction author WHITNEY GASKELL launching the pseudonym MARGOT HUNT.

Sold to Harlequin/MIRA in a six figure, two book deal. BEST FRIENDS FOREVER will be a Hardcover lead title January 2018

We Are Legion (We Are Bob)

Book one of the BOBIVERSE series

The first book in the hit SF series BOBIVERSE, we follow Bob Johansson as he wakes up a century after his death to find that corpses have been declared to be without rights, and he is now the property of the state. He has been uploaded into computer hardware and is slated to be the controlling AI in an interstellar probe looking for habitable planets. The stakes are high: no less than the first claim to entire worlds. If he declines the honor, he'll be switched off, and they'll try again with someone else. If he accepts, he becomes a prime target.

New Military SF series under contract. Details forthcoming

Points of Impact

Sixth Book in the Frontline series

Humankind may have won the battle, but a new threat looms larger than ever before...

Earth's armed forces have stopped the Lanky advance and chased their ships out of the solar system, but for CDC officer Andrew Grayson, the war feels anything but won. On Mars, the grinding duty of flushing out the twenty-meter-tall alien invaders from their burrows underground is wearing down troops and equipment at an alarming rate. And for the remaining extrasolar colonies, the threat of a Lanky attack is ever present.
