

OUR PARTNERSHIP WITH VAULT COMICS

JABberwocky is excited to work with Vault Comics, an independent, creator-owned comic book publisher founded in 2016. The impetus behind Vault Comics began with brothers Adrian and Damian Wassel, who saw DAW and Tor's dedication to sci-fi/fantasy titles and then decided that the comic book world needed a publisher with a similar philosophy. We represent foreign rights on their behalf for all titles.

MAXWELL'S DEMONS (#1-5)

Smartly written and dark, this gem has set the comics world on fire with its emotionally challenging, engaging story and stunning art.

“MAXWELL'S DEMONS isn't an easy comic to read emotionally. It's the kind of comic where you almost need something else to read afterward, to help cool down, but painful stories exist for a reason. MAXWELL'S DEMONS wouldn't hurt so much if we didn't care about Max's journey.”

—*The Geeked Gods*
