“THE COURIER Brings Cyberpunk Roaring Back to Life.” – *Barnes & Noble, SF&F blog*

People are being ripped from their families in massive sweeps, drafted to fight. Those remaining live in a wasteland. DAW Books, Coming in 2020

*Honorable Mention in Gardner Dozois' Year's Best SF*

In a far future universe, colonies established by humanity created continent-sized preserves to allow existing alien life on a world to continue to evolve without biological contamination from Earth-based organisms

When humans arrive, they find an ancient, alien barrier to living organisms dividing the world roughly in half. One side teems with alien life. The other was sterilized by what they decipher as an asteroid strike, that landscape now ripe for terraforming. But when the church's bishop arrives with a silver scar she claims is proof of angelic orders to crusade, Trinidad alone knows her story is a lie. ## SEDUCING THE DARK PRINCE by Jane Kindred

Harlequin Nocturne, April 2018

“Definitely a keeper!” – *RT Book Reviews*, on *WAKING THE SERPENT*

HELL MIGHT BE HEAVENLY...FOR ONE OF THE SISTERS IN SIN

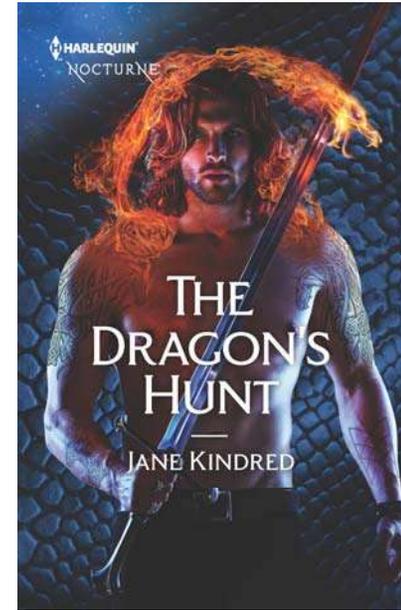

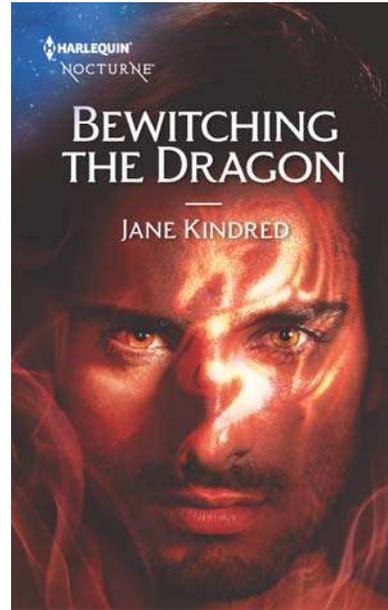

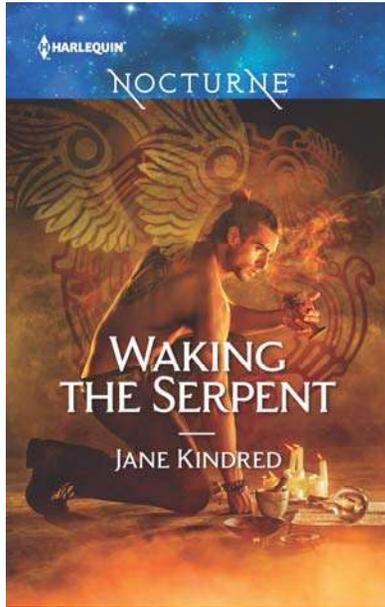

Lucien Smok is heir to the Smok fortune. He's also the crown prince of Hell, a legacy he despises. Clairvoyant Theia Dawn tries to convince herself that she's only interested in Lucien because of his family's role in the persecution of her ancestor, not because he's the most beguiling man she's ever met. The attraction that burns between them might be her downfall. Or it might be his salvation.

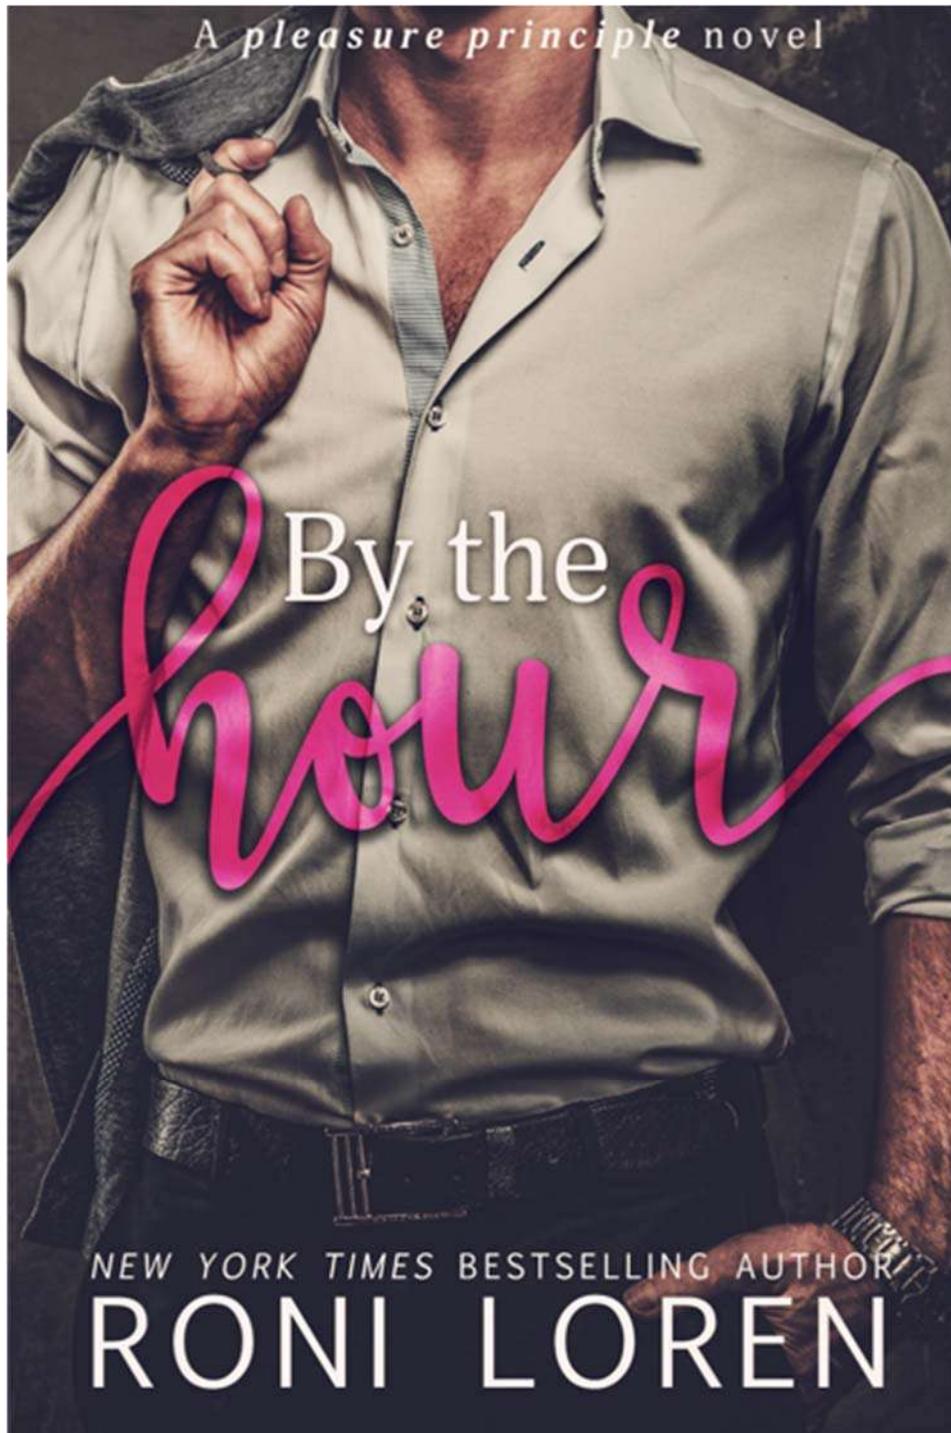

Jane began writing romantic fantasy novellas at the age of 12 in the wayback of a Plymouth Fury – which, as far as she recalls, never killed anyone...who didn't have it coming. She spent her formative years ruining her eyes reading romance novels in the Tucson sun and watching Star Trek marathons in the dark. Her pen name was inspired by the twin sister of Philip K. Dick who died shortly after birth, and by whom he felt haunted until the end of his life.

## TO TAME A WILD LADY

by **Ashlyn Macnamara**

Penguin Random House, January 2017

*The newest romance from the USA Today bestselling author!*

“Ashlyn Macnamara brings all the elegance and romance of the Regency to life.” – *New York Times* bestselling author Tessa Dare

Lady Caroline Wilde is expected to ride sidesaddle, but she’s not about to embrace convention. She’s also expected to keep a chaste distance from men like Adrian Crosby, the new estate agent, yet she cannot cease her ogling—which is especially irksome considering their ongoing feud. Adrian insists that the fields must be planted; Caro needs those same fields to train her horses. But whenever she tries to put him in his place, Caro looks into his steely gaze and her words simply . . . disappear.

A bastard son who grew up on the Wyvern estate, Adrian was lucky enough to receive an education at the behest of the late marchioness. Now that he has set out on his own, Adrian knows better than to fall for Lady Caroline, the Duke of Sherrington’s daughter. Caroline is at once a thorn in his side and an exquisite temptation, especially when she’s playing the feisty daredevil. Adrian would give anything for a chance to tame her—and with Caro in the saddle, he just might get his wish.

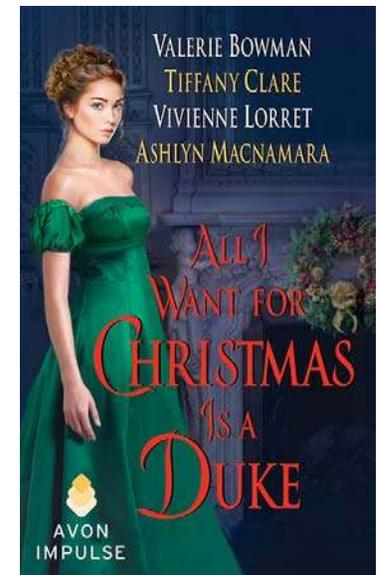

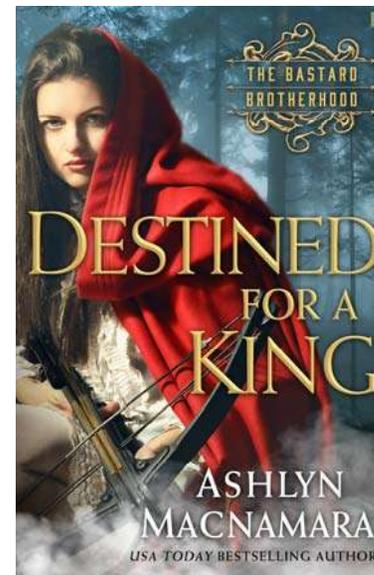

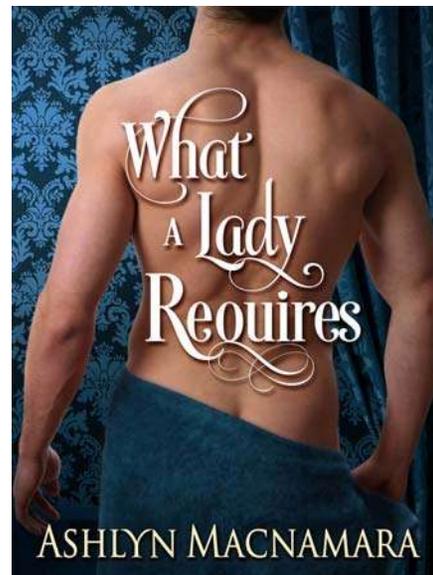

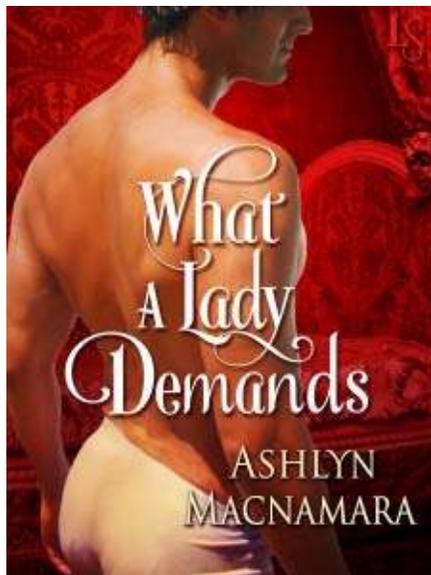

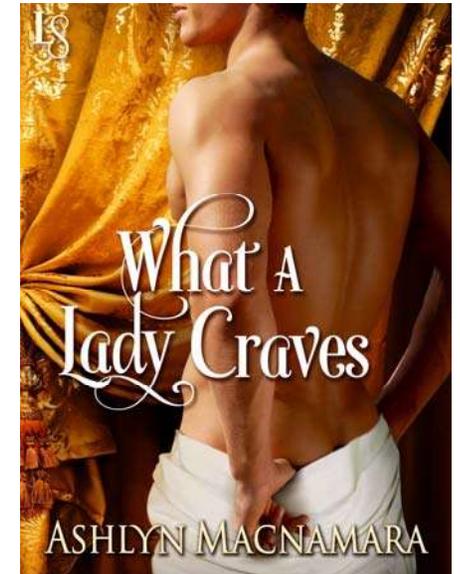

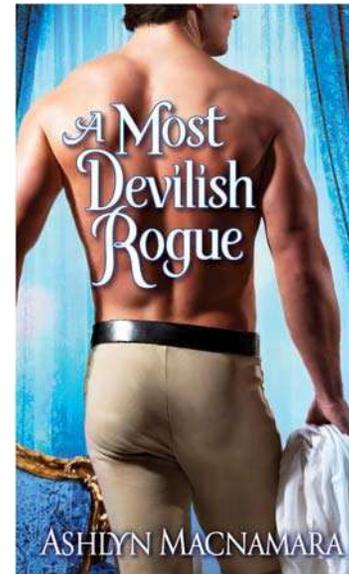

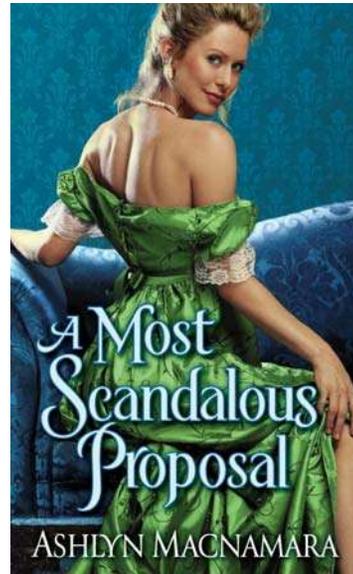

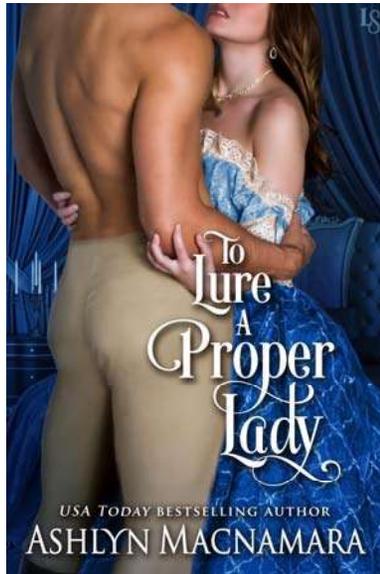

Ashlyn lives in the wilds of suburbia outside Montreal with her husband and two teenaged daughters. When not writing, she looks for other excuses to neglect the housework, among them knitting, reading and wasting time on the internet in the guise of doing research.

“Recommended for fans of graceful prose and dark eroticism akin to Anne Rice’s “Beauty” series.” – *Library Journal*, starred review

Tiffany Reisz is the author of the internationally bestselling and award-winning *Original Sinners* series for Mira Books (Harlequin/Mills & Boon). Tiffany's books inhabit a sexy shadowy world where romance, erotica and literature meet and do immoral and possibly illegal things to each other.

You maintain a menu of a half dozen Experiences on your digital blackboard, but Vision Quest is the one the Tourists choose the most. That certainly makes your workday easy. All a Vision Quest requires is a dash of mystical shaman, a spirit animal (wolf usually, but birds of prey are on the upswing this year), and the approximation of a peyote experience. Tourists always come out of the Experience feeling spiritually transformed. (You've never actually tried peyote, but you did smoke your share of weed during that one year at Arizona State, and who's going to call you on the difference?) It's all 101 stuff, really, these Quests. But no other Indian working at Sedona Sweats can do it better.

## APOCALYPSE

by Dr. Frederick Turner

Baen Publishing, September 2016

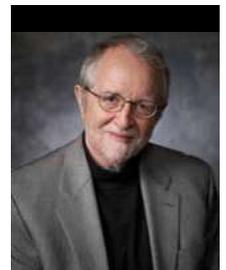

*Nominated for the prestigious SFPA Elgin Award*

*“Frederick Turner reveals the poetic soul of science fiction.” – award-winning author David Brin*

*“I loved the blank verse, so supple and expressive; and the command of a fictional history, the epic sweep of a macro-plot along with the many interesting characters and situations at the personal level.” - bestselling and award-winning author, Kim Stanley Robinson*

When the Earth becomes a maelstrom of storms and rising sea levels due to catastrophic climate change, some want to give up and call it a day for humanity. Yet there are also those heroic few who are determined to take action and do something about the impending apocalypse. These are the geo-engineers—men and women of creativity, knowledge and drive—who will do whatever it takes to save the planet. They will take on the challenge of bringing the planet back into balance. They will fiercely protect their work from the belligerent navies of two large nations— even if this means risking life and limb in a major sea battle. And with a new dawn of artificial intelligence on the horizon, these valiant few may make the difference between a future of human and A.I. enlightenment or a dark age of never-ending terror.

Frederick Turner has also been nominated repeatedly for the Nobel Prize in Poetry. He is an internationally known poet, lecturer, and scholar, and Founders Professor of Arts and Humanities at the University of Texas at Dallas.

## LOVE GAME by Maggie Wells

Sourcebooks Casablanca, February 2018

"Wells scores big with a perfectly paced and gutsy romance that takes the push-pull heat of competitive flirtation to the max." – *Publishers Weekly*, starred review

Kate Snyder is at the top of her game. She scored her first national championship at Wolcott University in her undergrad days, and now she's the coaching legend of the #1 college women's basketball team. No one knows the meaning of the phrase "work your way up" better than Kate. So when the university hires a football coach trying to escape scandal—paying him a lot more than she earns—Kate is more than annoyed.

Danny McMillan had hoped for a smooth transition at Wolcott, but the fiery Coach Snyder made that impossible. Every time he and Kate are in a room together, snark and sparks fly. Danny gets her frustration, but her pay grade isn't his problem, right? When Kate and Danny finally see eye to eye, their sparks turn into something even hotter...and they need to figure out if this is more than just a game.

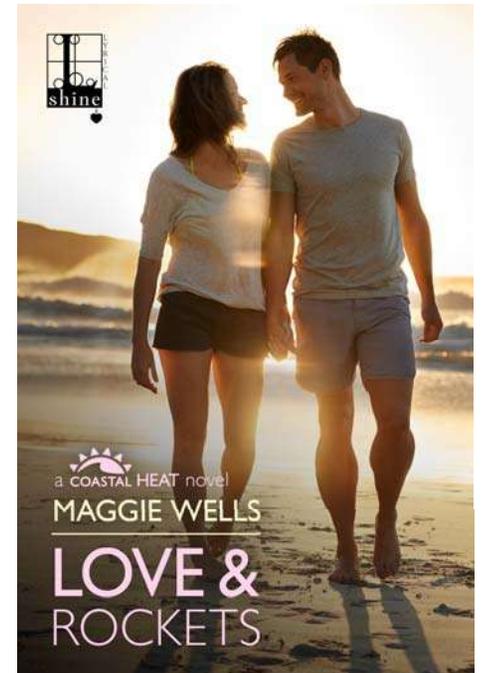

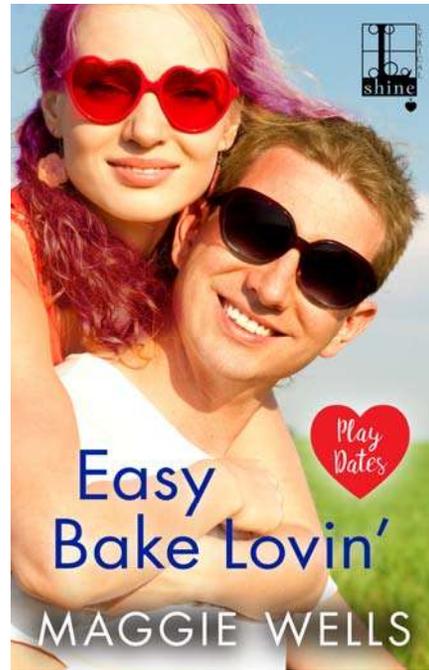

By day, Maggie Wells is buried in spreadsheets. At night she pens tales of people tangling up the sheets. The product of a charming rogue and a shameless flirt, you only have to scratch the surface of this mild-mannered married lady to find a naughty streak a mile wide.
