## THE LADY FROM THE BLACK LAGOON

This narrative nonfiction debut uncovers the life and work of Milicent Patrick – one of Disney's first female animators and the only woman to create one of Hollywood's classic movie monsters.

As a woman working in the horror film industry, Mallory O'Meara was thrilled to discover that *The Creature from the Black Lagoon* featured a monster designed by a woman, Milicent Patrick. But for someone who should have been hailed as a pioneer in the genre, there was little information available. For, as O'Meara soon discovered, Patrick's contribution was claimed by a jealous male colleague and she disappeared from film history. O'Meara set out to right the wrong and discovered the fascinating story of an ambitious, artistic woman ahead of her time. A true-life detective story and a celebration of a forgotten feminist trailblazer, Mallory O'Meara's *THE LADY FROM THE BLACK LAGOON* restores Patrick to her place in film history while challenging a Hollywood culture where little seems to have changed.

"Captivating and exhaustively researched... This is a fascinating slice of Hollywood history with a feminist slant, correcting a sexist wrong from decades ago and restoring Patrick to her rightful place of esteem."

–*Publishers Weekly*, **Starred review!**

"There's never a dull moment in this beautiful, heartfelt tribute to a pioneering special-effects designer and animator and passionate call for change in the industry that forgot her."

–*Booklist*, **Starred review!**

"An idiosyncratic, much-needed biography of 'a woman before her time'... this passionately written biography will do much to bring Patrick the recognition she deserves."

–*Kirkus*

"This book is more than simply a tribute to a forgotten pioneer... engaging, forthright, and personal history of both the author and her muse."

–*Library Journal*

"Mallory O'Meara's book is a long-overdue tribute to Milicent Patrick, who made her way in Hollywood when women were never given equal standing. Patrick, an artist, actor, and colorful hostess, had an incredible life, and O'Meara lets us know the good and the bad of it."

–**Charlaine Harris**, #1 *New York Times* bestselling author

"At some point, the book starts to resemble troika dolls: echoes of Milicent Patrick's life can be heard in Mallory O'Meara's life, and echoes of Mallory's can be heard in ours, the readers. It's then that you realize how profound this book really is."

–**Josh Malerman**, author of *Bird Box*

"With *THE LADY FROM THE BLACK LAGOON*, Mallory O'Meara has performed true magic. It's a non-fiction detective story, with O'Meara chasing the mystery of how the woman who designed one of cinema's most famous monsters was erased from movie history. It's an intimate, personal quest, and an irrefutable indictment of Hollywood sexism both past and present. It's a love letter to monsters, and to those of us who cherish them. Even if you're not a regular non-fiction reader, you owe it to yourself to read this book."

–**Christopher Golden**,

*New York Times* bestselling author of *Ararat* and *The Pandora Room*

"[A] compelling odyssey of betrayal, broken dreams and shining resilience. Spanning the worlds of film, animation, horror and glamour, Mallory O'Meara richly reweaves the splintered mystery of Milicent Patrick into a dead-on expose of Hollywood then and now. Dive in!"

–**Mindy Johnson**,

author of *Ink & Paint: The Women of Walt Disney's Animation*

This January, Hanover Square ordered a second printing of *THE LADY FROM THE BLACK LAGOON*, doubling its initial print-run to 25,000 hardcover copies in order to meet early distributor demand!

Mallory is a screenwriter, film producer, and co-host of the podcast *Reading Glasses*.

## LEGION VERSUS PHALANX

In this accessible nonfiction debut, Cole presents a highly detailed and lively history of the clashes between the Roman legion and the Greek phalanx.

“Cole’s book is the most accessible introduction to ancient warfare that I’ve read. I believe he is not overstating it when he claims that a complete newcomer to the subject will be able to understand everything that is going on. The book starts strong, and there’s a lot to like about it. I mean anyone who sticks to BC and AD is already on the right track for me. Those needing an easy “in” for ancient history would be advised to get LEGION VERSUS PHALANX.”

–*Adventures In Historyland*

Myke Cole has translated his experience in military intelligence and law enforcement into a career as a historian and novelist. His next nonfiction work will explore the facts and myths of the Spartan warriors.

“This could be a turgidly dry chin-stroking look into ancient warfare tactics but, thanks to the brio of author Myke Cole, it’s anything but. [...] The author points out elements that are largely accepted as fact thanks to detailed reports, and others where supposition comes into play, but he does this with a skill that makes it seem like a discussion between friends, not a lecture...With an excellent colour plate section full of photos of armour, illustrations, ancient graphics and diagrams of troop dispositions you have a highly entertaining and yet worthy look into how and why the Roman Legion was so effective against the Phalanx that had previously dominated the battlefield.”

–*The Amourer*

“This book will appeal to [Cole’s] target audience of war gamers, reenactors, fantasy fans and anyone who would be turned on by the film 300 or even by ancient history, given the exposure.”

–*Classics For All*

Myke is a winner of the prestigious Compton Crook Award!

## The Sacred Throne Trilogy THE ARMORED SAINT (#1)

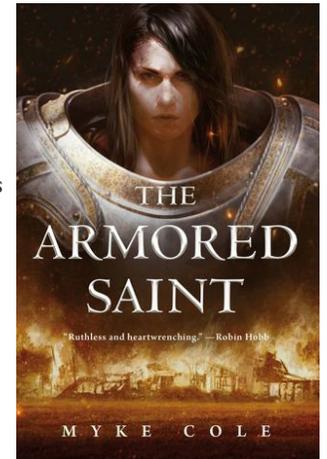

A story of religious tyrants, arcane war-machines, and underground resistance.

“The spunky Heloise fights for her family and friends and makes it easy to cheer her on through her adventures. A must-read for fans of Erika Johansen’s Queen of the Tearing series.”

–*Booklist, Starred review!*

“[A] most satisfying fantasy, with terrific action sequences, particularly once Heloise dons the armor and takes her place as protector. She’s a fascinating character in a fascinating fantasy world, and I’m glad to have met her.”

–*Barnes & Noble Sci-Fi & Fantasy Blog*

## THE QUEEN OF CROWS (#2)

“Cole holds nothing back in his latest installment of The Sacred Throne...Heloise’s journey is hard, and filled with pain, violence, grit, and despair, but I can think of no one better to root for, and I eagerly await seeing her journey’s culmination in the next chapter of the series.”

–*Tor.com*

“This was grim, fast-paced, violent, gut-punchy, and profound as hell.”

–*Grimdark Magazine*

“Full of love, loss, betrayal, and impossible odds, this series is absolutely something you do not want to miss.”

–*Book Geeks Uncompromised*

“If you like dark stories with a sympathetic protagonist, well-written battles, and a fascinating world you’d never want to live in, then this series and all its books are for you.”

## The Planetside Series

### PLANETSIDE (#1)

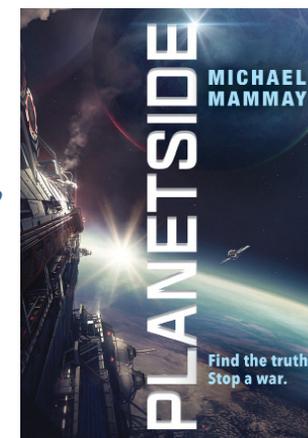

Michael Mammay uses his army background to craft this murder mystery in space that will appeal to fans of Robert A. Heinlein's *Starship Troopers* and John Scalzi's *Old Man's War*.

"Mammay capably writes Butler's gritty, old-school soldier's voice, and the story delivers...intrigue and action for fans of military SF."

—*Publishers Weekly*

"[A] compelling novel about war that speaks in authoritative tones and should be on the reading list of more than just fans of grunts and guns, though it's got plenty for them, too."

—*SFRevu*

**Winner—2018 Earphones Award from AudioFile**

**A bestseller on Audible's Military Sci-Fi List**

**#1 Locus paperback bestseller**

**One of Library Journal's Best Sci-Fi/Fantasy Books of 2018**

"[PLANETSIDE] has something valuable to say about our society, the path we're currently treading, and what outcomes might result."

—*Lightspeed Magazine*

**"A tough, authentic-feeling story that starts out fast and accelerates from there."**

—Jack Campbell, *NYT* bestselling author of the *Lost Fleet* series

"PLANETSIDE blends the finest in military science fiction tradition with humanity, personal perspective, and a compelling plot infused with mystery."

—*Washington Review of Books*

"PLANETSIDE comes into its own during skirmishes and chases and Mammay's writing is crisp and moves well. It's a picture he obviously feels confident painting. If you're a fan of military science fiction, this one won't let you down."

## Fergus Series

**FINDER (#1)**

From an *Asimov*-, *Analog*-, and Hugo Award-winning author comes an action-packed sci-fi caper starring Fergus Ferguson, interstellar repo man and professional finder.

Fergus Ferguson has been called a lot of names: thief, con artist, repo man. He prefers the term finder. His latest job should be simple: find the spacecraft *Venetia's Sword* and steal it back from Arum Gilger, ex-nobleman turned power-hungry trade boss. He'll slip in, decode the ship's compromised AI security, and get out of town, *Sword* in hand. Fergus locates both Gilger and the ship in the farthest corner of human-inhabited space, a deep space colony called Cernee. But Fergus' arrival at the colony is anything but simple. A cable car explosion launches Cernee into civil war, and Fergus must ally with Gilger's enemies. What was supposed to be a routine job evolves into negotiating a power struggle between factions. Even worse, Fergus has become increasingly—and inconveniently—invested in the lives of the locals. It doesn't help that a dangerous alien species Fergus thought mythical proves real, and their ominous triangle ships keep following him around. Foolhardy. Eccentric. Reckless. Whatever he's called, Fergus will need all the help he can get to take back the *Sword* and maybe save Cernee from destruction in the process.

**THE BOOK OF LOST SAINTS**

This *New York Times* bestselling YA author makes his literary fiction debut with a work that is both uplifting and haunting, a Cuban cousin to Mario Vargas Llosa's *The Feast of the Goat*.

Captured and imprisoned in the Cuban revolution, Marisol emerges in present day New Jersey as a spirit, watching over her nephew Ramon, a DJ with a growing underground following who moonlights as a hospital security guard. She slowly begins to communicate with him in dreams, gathering shattered pieces of her troubled adolescence and sharing them with Ramon.

As Ramon begins to uncover uncomfortable family history, he has to contend with local right-wing politico/gangster Enrique, who bullies him into DJing his fundraisers. After an outbreak of violence, Ramon takes off to Cuba for answers, learning about each of the lost saints that helped Marisol survive her time in prison. He unexpectedly discovers that she made it to New Jersey, fell in with local radicals, and may not be lost to history after all.

Daniel is an International Latino Book Award-winner whose works have been shortlisted for the *Kirkus* Prize, the Andre Norton, *Locus*, and Mythopoeic awards.

**Quillifer Trilogy**

**QUILLIFER (#1)**

Quillifer is a vibrant and youthful protagonist who finds himself embroiled in war after marauders devastate his village. With court intrigue, battles, and romance aplenty, this bildungsroman features epic worldbuilding, and breaks from the grimdark trend with its celebration of the lighter side of life.

“Williams, known for a long catalogue of Nebula Award-nominated science fiction, dives headlong into epic fantasy with high-spirited gusto... The colorful friends and enemies Quillifer meets along his way enter and leave his life like guests at a party rather than tools in a save-the-world quest. And at the center of it all is Williams’ wonderful protagonist—a flawed man, learning to live with his faults in a world destined to reinforce them.”

–*BookPage*

“In this sprawling, lively episodic adventure, Williams (*Angel Station*) returns to his swashbuckling historical fantasy roots while exploring new territory.”

–*Publishers Weekly*

“Walter Jon Williams is one of those genre writers whose talents and ambitions are too large to be contained by any single mode of fantastika... His latest book does not fail to carry out this hopscotch pattern of literary jackdawism, nor does it fail to roundly entertain and amaze. In QUILLIFER, Williams has presented us with a picaresque novel in the grand tradition of Fielding’s *Tom Jones*, big as life and three times as amazing and affecting.”

–*Locus*

“This is a light but not lightweight fantasy adventure told in an irresistible narrative voice, inhabiting a world you’ll want to spend as much time in as possible.”

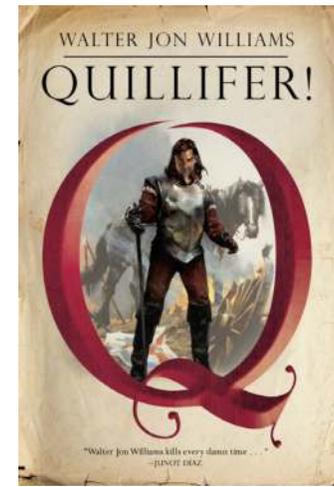

–*Barnes & Noble Sci-Fi & Fantasy Blog*

## The Magic Ex Libris Series

An *SFF World*  
Best Fantasy/  
Horror Book

### LIBRIOMANCER (#1)

“The book is amusing and action-packed from page one; Isaac is sure to be an instant fan favorite, and the secondary characters are vivid and multidimensional.”  
–*Publishers Weekly*, **Starred review!**

“[A] lot of fun and the perfect wish fulfillment fantasy for many fans.”  
–*Denver Post*

### CODEX BORN (#2)

“Bibliophiles and fantasy enthusiasts will enjoy the author’s intelligent approach to both magic and literature.”  
–*Library Journal*

“Hines supplies everything a reader needs—werewolves, ghosts, robot insects, a fire spider that eats candy, and homages to classic SF—for a very good time.”  
–*Publishers Weekly*

### UNBOUND (#3)

“The mixture of magic and modern day is appealing and the story moves readers along at a brisk pace.”  
–*Kirkus*

“There is power when fantasy decides to play into the themes of science fiction and own the possibilities of change and development ‘in real time.’ UNBOUND taps into that, and I give Hines enormous credit for it... The joys of the first two novels of the possibilities of Libriomancy are transformed and changed here into something very different, and in many ways, greater.”  
–*SF Signal*

### REVISIONARY (#4)

“Having taken a bit of a break from the humor he is known for, Hines explores cultural and political concerns in a thoughtful manner, leaving the reader with more food for thought than perhaps one might expect.”  
–*RT Book Reviews*

## The Janitors of the Post-Apocalypse Series

### TERMINAL ALLIANCE (#1)

In this hilarious sci-fi series, a group of unlikely heroes may just save the galaxy: a crew of space janitors.

“Hines delivers a fantastic space opera that doesn’t skimp on the action and excitement but pairs it with a hefty dose of slightly scatological humor. The author is especially clever in having Mops and her team leverage cleaning tools and a knowledge of spaceship plumbing to fight their enemies.”  
–*Library Journal*, **Starred review!**

“[A] really fun read. Mops is a great POV character, and I enjoyed that the maintenance crew got to be the heroes—but they didn’t just pick up the controls of the ship and fly as though it were super easy.”  
–Ann Leckie, *NYT* bestselling author of the *Ancillary World* series

“[A] lively start to what promises to be a highly entertaining series.”  
–*Locus*

“Hines breathes life into a stunning number of otherworldly beings, but his skills with the human characters really shines here, particularly his resolute and quick-thinking heroine, whose no-nonsense determination brings out the best in both her crew and her opponents, ensuring the future of this series will surely be bright.”  
–*RT Book Reviews*

“I found the mix of wordplay, tech goofing, and poop jokes in TERMINAL ALLIANCE quite winsome. This is a very funny book, but it also has heart, and that slow emotional burn makes all the difference.”  
–*Barnes & Noble Sci-Fi & Fantasy Blog*

### TERMINAL UPRISING (#2)

“Subtle absurdist humor permeates the narrative, derived from faulty translations, cultural references without context, and unconventional solutions to problems. Clever characterization and action-packed moments round out this thoroughly satisfying outing.”  
–*Publishers Weekly*

## The Nightside Series

UCP and John Carpenter are developing a pilot for the Nightside series, with “Scream” TV series co-creator Jill Blotevogel attached to write the script!

The pre-eminent urban fantasy series perfect for fans of Jim Butcher’s Dresden Files.

“Enjoyably edgy...a dryly humorous, darkly quirky vacation from mundane reality.”

–*Kirkus*

“Strong characterization of a complicated hero is one of the qualities that makes Green’s series effective. With dark humor and psychological horror he rivals urban horror writers such as Jim Butcher and Christopher Golden. Laurell Hamilton fans should enjoy this series as well.”

–*RT Book Reviews*

“The ripping, suspenseful and wry tenth tale in the Nightside series proves every bit the equal of Jim Butcher’s better known Harry Dresden books...Longtime fans and first timers alike will applaud Green’s blend of fantasy, mystery, and humor.”

–*Publishers Weekly*

NIGHT FALL, a crossover and final installment of the Nightside and Secret Histories series, was one of *Kirkus*’ Best Fiction of 2018!

## The Ishmael Jones Mysteries

### THE DARK SIDE OF THE ROAD (#1)

A country house murder mystery with a supernatural twist.

“A new book from Green is always a treat for SF and urban fantasy fans...His first foray into more traditional crime fiction (albeit with an otherworldly flavor) will delight mystery readers.”

–*Library Journal*

### DEAD MAN WALKING (#2)

“We get the impression here that we’re only glimpsing the surface of this new world, and before we’ve finished this one, we’re already looking forward to the next in the series.”

–*Booklist*

### VERY IMPORTANT CORPSES (#3)

“Ishmael is a wonderful character, an extraterrestrial living among humans, and the series (this is the third installment) is a clever mixture of thriller and SF-horror genres. Green is best known for the Deathstalker space operas, but give this one a few more installments to develop, and it could well become Green’s masterwork.”

–*Booklist, Starred Review!*

### DEATH SHALL COME (#4)

“Entertaining...Green once again smoothly blends science fiction with classic detection.”

–*Publishers Weekly*

### INTO THE THINNEST OF AIR (#5)

“Think *Scooby Doo* starring a superpowered alien in human skin.”

–*Kirkus*

### MURDER IN THE DARK (#6)

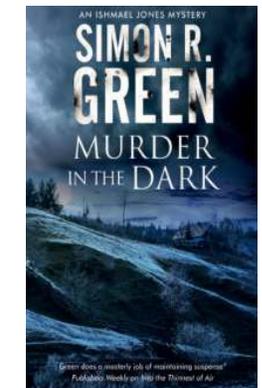

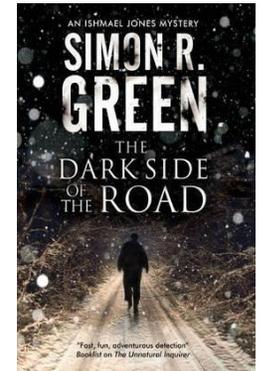

“Green follows up *Into the Thinnest of Air* with this latest blend of SF, mystery, and horror that features the author’s trademark black humor and ratchets up the suspense with a compelling story line reminiscent of Agatha Christie’s *And Then There Were None*.”

## The Hallowed War Series

Akers has created a world of mad gods, inquisitor-priests, and holy knights bound to kill broken spirits. Among all this are noble houses fighting their own battles of politics, prejudice and power.

### THE PAGAN NIGHT (#1)

“Full of strong world building, cinematic and frequent battle scenes, high adventure, great characters, suspense, and dramatic plot shifts, this is an engaging, fast-paced entry in a popular subgenre.”  
 –*Booklist*, Starred review!

“Among the epic fantasies entering the genre, this one is set to be a standout of the year. A tale of religious conflicts and cleverly drafted characters, a must for all epic fantasy fans.”  
 –*Starburst Magazine*

“This masterful fantasy novel provides plenty of action and magic set in a world where the continued existence of the old gods and those who worship them threaten the new religion...Excellent writing keeps the pages turning.”  
 –*SFRevu*

“THE PAGAN NIGHT is an epic fantasy story with action, intrigue and a good story, and that’s what you want in a fantasy novel of this type. Recommended.”  
 –*Farsight Blogger*

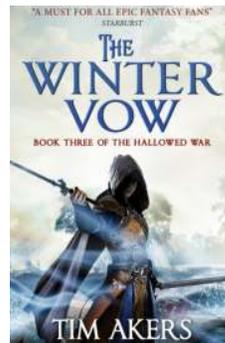

“It’s great to see someone is still writing good traditional swords and sorcery, with as much attention paid to the magic as the action. It moves at a fast pace, the characters are real enough to make the unreal more credible, and the whole thing is just an excellent page-turner.”  
 –*Simon R. Green*, *New York Times* bestselling author of the *Nightside* series

### THE IRON HOUND (#2)

“Akers’ world is far more developed than many—with intriguing conflicts forming the heart of this deep and vivid world. These conflicts lead to action—and it’s here where Akers truly excels, writing scenes that are exciting and action packed.”  
 –*The Book Bag*

**Galactic Cold War Series**

**THE BAYERN AGENDA (#1)**

A throwback to the classic sci-fi adventures of spies and off-world politics, but filled to the brim with modern sensibilities.

“Moren revisits the world and key characters from *The Caledonian Gambit* in the bombastic Galactic Cold War series launch, telling a frenzied story full of bold spycraft and exciting ground and air chases.”

–Publishers Weekly

“THE BAYERN AGENDA is exactly the dose of intergalactic espionage you need. Action, humor, and pathos, wrapped up in a plot that Le Carre would be proud of...Moren is one to watch.”

–Eric Scott Fischl, author of *Dr. Potter’s Medicine Show*

“An action-packed thriller with a new twist in every chapter—the kind of book you don’t want to put down. THE BAYERN AGENDA reads like *Mission Impossible* set in space. Filled with well-rounded characters and an incredibly rich backstory, Moren brings his vision of a cold war galaxy to brilliant life.”

## THE SURVIVAL OF MARGARET THOMAS

Del Howison is the proprietor of the world-famous Dark Delicacies bookstore and horror emporium in Burbank, CA, and co-editor of the Bram Stoker Award-winning anthology series of the same name.

1870s—Missouri, U.S.A: Margaret Thomas and her husband, James, lead a simple and peaceful life; she tends to the farm while he works as sheriff in the nearby town of Bleak Knob. Their evenings are spent doing the thing they love most—being together.

One afternoon, after picking up fabric at the general store, Margaret watches helplessly as James is gunned down on the sidewalk in front of her. Days of mourning turn into weeks and then years, filled with little more than grief and alcohol.

A telegram, announcing the upcoming trial in Arizona of one of the men responsible for her husband's death, rouses Margaret from her misery. Neither inexperience nor the prospect of a long and difficult journey will stop her from facing her husband's killer.

Along the way, Margaret unexpectedly gains some new companions as she is joined by a free-spirited gypsy woman and a diminutive moonshiner. Together they will face the danger and violence of the Old West, but only Margaret will be able to answer the question that's plagued her from the beginning: Is she seeking justice or revenge? Told from Margaret's dark point-of-view and in the epic tradition of *True Grit* comes THE SURVIVAL OF MARGARET THOMAS.

## The Thorne Chronicles

### HOW RORY THORNE DESTROYED THE MULTIVERSE (#1)

*Star Wars* meets *The Princess Bride* in this new space opera duology. Eason weaves a refreshing tale of resistance and self-determination, showing how, with enough small acts of rebellion, a princess can save herself, topple a government, and change the course of history.

The Princess Rory Thorne—blessed by fairies, eldest daughter, amateur arithmancer—always imagined she'd inherit her father's throne and govern the interplanetary Thorne Consortium. Then her father is assassinated, her mother gives birth to a son, and Rory is betrothed to Prince Ivar of the Tadeshi Free Worlds as a peace-offering. But when she arrives on the Tadeshi capital space station, she discovers that Vernor Moss, Minister of Energy in the Tadeshi Free Worlds, has hatched a treacherous plot to unseat Ivar and usurp his throne.

But the Regent wasn't counting on Rory Thorne, a princess with thirteen fairy blessings (the most important of which is take no nonsense) and the protection and advice of a powerful arithmancer and a mecha bodyguard. Rory plans to outmaneuver the Regent to rescue the Prince. But her trusted bodyguard and arithmancer are suddenly nowhere to be found, so Rory must stand on her own, with the help of a very unlikely ally—the Regent's son.

In a world devastated by a series of cataclysms, where the followers of different gods vie for ascendancy, mankind carves out a precarious existence among the remnants of a desolated past.

"The real gem of the story, as is with all of Mitchell's books, is the story itself. It will grip you from the first page and won't let you breathe until you've finished the book."

-Booknest

"In REVENANT WINDS, Hogan has created a rich world with a deep history to explore, full of compelling mysteries, conflicting religions, and unusual characters."

-Fantasy Book Review

**TOWER OF THE FORGOTTEN (A)**

"Hogan's prose is smooth as silk, very readable and he gives the reader enough from his characters for you to want to carry on with them on their journey. It's just a really good fantasy novella."

**A GREEN AND ANCIENT LIGHT**

One of *Publishers Weekly's*  
Best Books of 2016

Finalist—Realm Award

An accessible historical fantasy from Saga Press that “will appeal to those who loved Neil Gaiman’s *The Ocean at the End of the Lane* and John Connolly’s *The Book of Lost Things*” (*Library Journal*).

“The prose is frequently as beautiful as the images it evokes... This gentle, engaging, and very personal coming-of-age story is mythic in its universality.”

—*Publishers Weekly*, **Starred review!**

“Not unlike reading your first beloved book as a child... Durbin’s tale of childhood, family, truth, and bravery certainly captured a piece of [my heart].”

—*Chicago Review of Books*

“Durbin’s gorgeously atmospheric novel solidly shares the fantasy and historical-fiction genres... a delicate dance between reality and fantasy, ominous soldiers and late-night fairy music. Fans of John Connolly’s *The Book of Lost Things* will enjoy this bittersweet fantasy with a mystery at its core.”

—*Booklist*

“A GREEN AND ANCIENT LIGHT combines beautiful writing, romance, war, mystery, and faery fantasy into one compelling, delightful story suitable for grownup or not so grownup readers alike.”

—*Champaign News-Gazette*

“The same magic flows in its veins as does in those of the classic *The Last Unicorn* or, more recently, Neil Gaiman’s *The Ocean at the End of the Lane*... I left a piece of my heart with A GREEN AND ANCIENT LIGHT.”

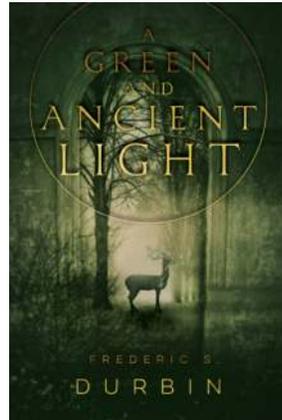

—*Barnes & Noble Sci-Fi & Fantasy Blog*

“A charming tale that combines fantasy and history into a quiet yet suspenseful story about a boy’s wartime summer in a small coastal town... Fans of fantasy authors such as Patricia McKillip will find a rewarding read.”

—*The Missourian*

“I love this book. It left me breathless... It brings an eloquent calm to the page reminiscent of Bradbury.”

—*Black Gate*

**Booke of the Hidden Series**

**BOOKE OF THE HIDDEN (#1)**

A tale of magic, murder, and romance.

Finalist—*Romantic Times'*

Seal of Excellence

“Readers sad about the ending of Charlaine Harris’ *Midnight, Texas* trilogy will find some consolation in *Moody Bog*.”

—*Publishers Weekly*

“Paranormal romance perfection... Jeri Westerson is flawless in this tale of adventure, mystery and saucy romance. The pages reverberate with passion, and absolutely no wrong can come from vivid characters and a hero to die for.”

—*RT Book Reviews*

“Subversively clever, this book sneaks up on you, teasing you to a final twist that leaves you panting for the next book. Westerson creates an utterly believable history of witches, demons, and magic... Definitely a keeper!”

—*Kat Richardson, author of the Greywalker series*

“The power of tea compels you to read this devilishly delightful *Booke!*”

—*Maria Alexandra, Bram Stoker Award-winning author of Snowed*

**DEADLY RISING (#2)**

## The Book of the Black Earth BLOOD AND IRON (#1)

“One part Shogun and four parts amazing.”  
—*Buzzfeed*

“Sprunk’s world is fascinating and original.”  
—*Publishers Weekly*

“Sheer fun, with engaging, pulse-quickening action, sympathetic characters and intricate intrigue...definitely a series to follow.”

—*Kirkus*

“An interesting magic system, complicated political scene, and loads of action make this Spartacus-with-magic a fun first volume in a new epic fantasy series.”

—*Library Journal*

“BLOOD AND IRON is a gritty fantasy novel that doesn’t pull any punches... [the] adventure is fast paced and will hook readers from the beginning. Highly recommended for fans of fantasy who enjoy a fair share of political intrigue.”

—*Portland Book Review*

## STORM AND STEEL (#2)

“A strong second entry...a series to follow.”

—*Kirkus*

“High fantasy with intrigue and moral complexity...a good read for a fan of Roger Zelazny, George R.R. Martin, or anyone who likes the mystery of magic mixed with intrigue.”

—*SFRevu*

“Good, old-fashioned, sword and sorcery tour de force; one that perfectly mixes a sweeping fantasy world with non-stop action.”

—*Bookwraiths*

## BLADE AND BONE (#3)

“Recommended for fans of sword and sorcery in a unique setting with a truly diverse cast.”

## NOT ONE OF US

“Collecting 21 stories from the last two decades, this hefty and fascinating theme anthology focuses on one of SF’s major issues: If aliens aren’t just bug-eyed monsters with no more than rape and plunder on their minds, what else—who else—could they be? [T]here are no inferior pieces here. This is a fine, thoughtful book.”

—*Publishers Weekly, Starred review!*

“Readers looking for sf that explores its furthest possibilities and helps transform their own perception of the world are highly recommended to give this anthology a look.”

—*Booklist, Starred review!*

“If you like alien sci-fi, this is the anthology to get. A great selection of short stories.”

—*Book Gazette*

## MORE HUMAN THAN HUMAN

“Well-known SF authors grace this...top-notch selection of imaginative and thought-provoking stories.”

—*Kirkus, Starred Review!*

“Emotionally compelling and intellectually engaging stories that challenge traditional notions of AI and how we might interact with it in the future.”

—*Library Journal*

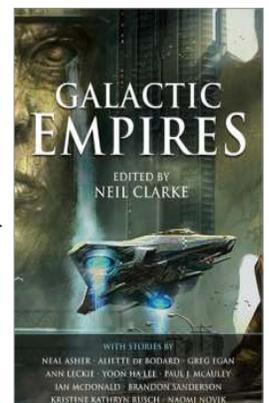

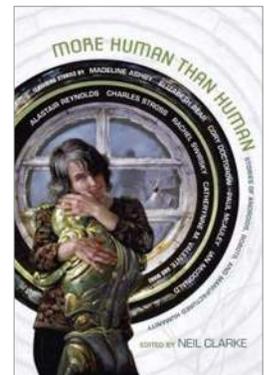

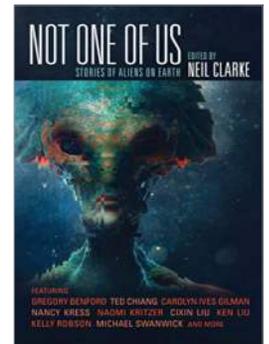

## GALACTIC EMPIRES

“This hefty anthology of imperial SF covers great space battles, small dramas within an empire, hopeless bureaucracy, and even living space stations, zooming in and out to capture every nuance. The diverse array of stories ensures that there’s plenty of interest for any fan of large-scale SF.”

—*Publishers Weekly*

“Over all this anthology is mostly hits, remarkably few misses. Highly recommended.”

—*New York Times Book Review*

## The Mystic Trilogy

### MYSTIC (#1)

A fantasy trilogy for lovers of Tamora Pierce or Brandon Sanderson's Mistborn series.

A #7 *Locus* bestseller!

"MYSTIC by Jason Denzel is sure to be a hit with a wide variety of readers, young and old, for its imaginative scope and loving attention to its characters. Denzel weaves a quick and beautiful story that holds you tight until you turn the last page—with a fantastic final revelation that really makes you smile."

—*Fantasy Book Review*

"I enjoyed sharing the adventures with Pomella, and the twists and turns in the plot kept this reader on her toes...Pomella has spunk and courage, and sweet Sim is loyal to a fault. It's hard not to fall into this story."

—*RT Book Reviews*, 4/4.5 Stars!

"It's the sort of fantasy that should appeal to new readers, with just enough interesting twists, particularly at the very end, that make this promising first novel well worth checking out for regular fantasy readers as well."

—*Locus*

"Strong worldbuilding and descriptions...This fantasy adventure is clearly inspired by the classics but still finds something new to say."

—*Publishers Weekly*

"MYSTIC is one of the most charming fantasy debuts I've read this year...If you're looking for compelling characters and a gorgeously crafted fantasy world, then MYSTIC will definitely appeal."

## Faraman Prophecy Series

### HALLS OF LAW (#1)

The first installment of this new fantasy series introduces a matriarchal society of military might and magical Talents on the brink of destruction.

"The first book in Escalada's Faraman Prophecy series introduces readers to a rich world full of political intrigue, powerful magic and a wealth of secrets just waiting to be discovered. Escalada has created a fascinating world, with vibrant scenery and intriguing social hierarchies."

—*RT Book Reviews*

"The richness of the world is reason enough to immerse yourself in this book. The typical historically based fantasy empire is given a makeover...The view into the culture of the empire's military units, especially as they react to, fight, and sometimes buckle under the control of the invaders, is fascinating."

—*Barnes & Noble Sci-Fi & Fantasy Blog*

"If you are looking for a new epic fantasy series to sink your reading teeth into, and where you can get in at the very beginning without having to read through a huge pile of doorstep-sized books, HALLS OF LAW is definitely a winner...Throwing more than a bit of *The Handmaid's Tale* into a completely epic fantasy setting gives the story many of its chills, and makes the evil that our good Kerida fights particularly malevolent."

—*Reading Reality*

"Sometimes a book lands in your lap at exactly the right time, and HALLS OF LAW was precisely the kind of book I didn't realize I needed when I opened the first few pages. I was drawn in by the comforting prose and stayed fully invested because of the characters and world. HALLS OF LAW is a fun, optimistic epic fantasy that proved a welcome change of pace from some of the more grimdark fantasy I'd been reading. Recommended."

—*SFFWorld*

### GIFT OF GRIFFINS (#2)

"In GIFT OF GRIFFINS, V. M. Escalada continues to show her talent in world building, weaving together well crafted characters and a beautifully textured, intricate, magically real world. You feel the wind in your face and the ground beneath your feet."

“[A] Regency-set debut...enhanced by the excellent character development.”

–*Publishers Weekly*

“Kimmel’s debut has plenty of plot, loads of action and a large cast of characters...Kimmel demonstrates a talent for storytelling.”

–*RT Book Reviews, 4/4.5 Stars!*

“A fast pace, a surfeit of diverse characters, and a complex plot add up to an engaging story and a credible debut with a most satisfactory conclusion.”

–*Library Journal*

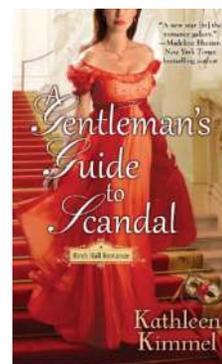

“Kimmel’s debut adds a new star to the romance galaxy—I loved this book.”

–*Madeline Hunter, NYT bestselling author of The Accidental Duchess*

“I highly recommend Kathleen Kimmel’s A LADY’S GUIDE TO RUIN. It is a Regency-era romance made special by the heroine, though the hero is delicious too and the plot engaging.”

–*Mary Balogh, NYT bestselling author of Indiscreet*

**A GENTLEMAN’S GUIDE TO SCANDAL (#2)**

“The sizzling chemistry between Colin and Elinor is a driving force of this novel, which is complete with subtle suspense and a fearless heroine.”

–*Publishers Weekly*

“The sex comes rather late but it doesn’t disappoint. Elinor and Colin are well-matched in wit, vulnerability, and awkward sexual desire...Great fun from start to finish.”

–*Kirkus*

“[Kimmel’s] strong, witty, intelligent heroine sparkles next to the comfortable, sometimes inept hero. The plot has a slightly dark side, yet the repartee keeps it light, and the sensuality allows a world of heat to rise from the pages.”

Kimmel is a delightful, fresh voice in the genre.”

## Bachelor Brotherhood Series

**ONLY YOU (#1)** “Contemporary romance fans who love bridal trapping...will delight in the opener of Swank's Bachelor Brotherhood trilogy (spun off from the Wedding Pact series), a sentimental, endearingly goofy story that packs a surprising amount of impulsive heat.”

–*Publishers Weekly*

“Right from the beginning, readers will be cheering for this couple to find their happily-ever-after. Even when it seems that everything—and everyone—is against them, they are drawn to each other by a force that is so strong nothing could pull them apart. The story is well-written and paced in a way that readers will have a hard time putting it down.”

–*RT Book Reviews*

### UNTIL YOU (#2)

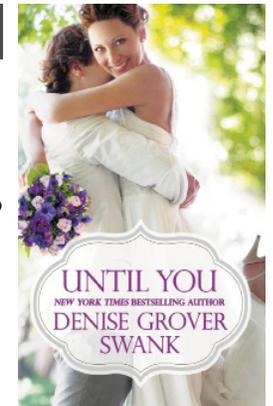

**USA Today bestseller!**

“Swank introduces readers to another hot bachelor in her latest Bachelor Brotherhood series. The characters have plans for how their lives are supposed to go and are set in their ways, but the situations they encounter are laugh-out-loud funny. Readers will enjoy the playful relationship that Lanie and Tyler have...Another great read to add to Swank's stellar library!”

Ten Again Mystery Series

NO SAVING THROW (#1)

A supremely geeky murder mystery perfect for Whovians, gamers, and Muggles alike.

Autumn Sinclair is the proprietor of Ten Again, a tabletop gaming store in a small town. She tries not to let the town’s general distrust of the gaming community bother her, and instead focuses on providing a safe space for “her” gamers. But when one of her gamers dies during a gaming session and two more are suspects, everything changes. Her landlord wants her out, and the community she’s built fractures under the stress of the investigation. Autumn vows to catch the real killer, but every clue she uncovers only mounts the evidence against her gamers. Then Autumn herself becomes the victim of increasingly disturbing pranks. If she can’t find the real murderer soon, she may lose more than her business—she may lose her life.

Winner—*Romantic Times*  
Best Epic Fantasy Award

Selected as a Barnes & Noble Explorations'  
#1 Editor's Pick

SF Book Club selection

Over 700,000 copies sold worldwide!

BRANDON SANDERSON

“ELANTRIS is the finest novel of fantasy to be written in many years. Brandon Sanderson has created a truly original world of magic and intrigue, and with the rigor of the best science fiction writers he has made it real at every level...Sanderson is astonishingly wise.”

—Orson Scott Card,

*New York Times* bestselling author of *Ender's Game*

“Sanderson’s outstanding fantasy debut, refreshingly complete unto itself and free of the usual genre clichés, offers something for everyone: mystery, magic, romance, political wrangling, religious conflict, fights for equality, sharp writing...Intrigue and excitement grow steadily in this smoothly written, perfectly balanced narrative.”

—*Publishers Weekly*, Starred review!

“[ELANTRIS] offers a vibrant cast of characters and a story of faith and determination set against a vividly portrayed world where magic is based on channeling power through the depiction of runes...both satisfying and original.”

—*Library Journal*, Starred review!

“A surprisingly satisfying, single-volume epic fantasy that invokes a complex, vibrant world.”

—*Booklist*

“In this stunning debut novel, Sanderson has created a completely unique world that enfolds the reader in mystery and wonder right through till the last page.”

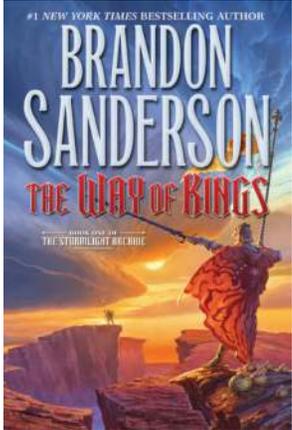

—*RT Book Reviews*

# The Stormlight Archive

## THE WAY OF KINGS (#1)

14 million  
Brandon Sanderson  
books sold worldwide!

- 2018 Hugo nominee for Best Series
- Winner of the David Gemmell Legend Award for Best Fantasy Novel
- Winner of the Whitney Award for Best Novel and Best Speculative Fiction
- Selected for “Best Of” lists by *Fantasy Faction*, *Ranting Dragon*, *SFFWorld*, and *Goodreads*

“Epic in every sense. Sanderson has built a world that leaps to life, a cast of varied characters, and a vast history.” –*The Guardian*

“Sanderson is...absolutely amazing at worldbuilding. The level of detail is just astonishing...Kaladin and Shallan’s stories are compelling and readable.”

–*RT Book Reviews*

## WORDS OF RADIANCE (#2)

“WORDS OF RADIANCE may be the most accomplished followup to a popular first novel in the last 15 years and the time and energy that Sanderson put into this work tells throughout the novel.”

–*BuzzFeed*

“Brandon Sanderson’s reputation is finally as big as his novels.”

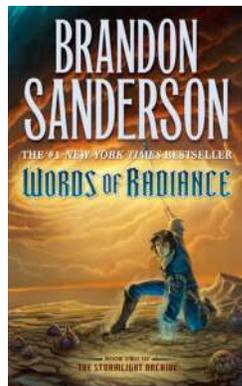

–*The New York Times*

“Sanderson’s skill at world building is unmatched, and in the Stormlight Archive series he has developed an innovative magical system and combined it with rich, complex characters to create a compelling story. His eagerly awaited sequel to *The Way of Kings* exceeds expectations. This developing epic series is a must-read for all fantasy fans.”

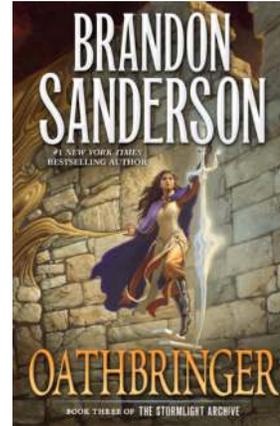

–*Library Journal*

“WORDS OF RADIANCE is excellent...[it] cranks up the level of intrigue to dizzying extremes...Sanderson’s experiment is working, and he gets better with every book. The journey will be worth it. Yes, you should buy this book. Yes, this is a series worth following to the end.”

–*Tor.com*

## OATHBRINGER (#3)

The most pre-ordered book in Audible history! Over 300,000 copies sold during launch week!

“OATHBRINGER is everything I expected it to be. Not only does it make good on the promises of the first two volumes, it elevates the Stormlight Archive to new heights of epic magic, exceptional worldbuilding, and satisfying action. With each new novel, Sanderson proves himself to be the true heir to Robert Jordan’s throne. He’s writing big, meaty, contemplative epic fantasy, and showing no signs of slowing down.”

–*Barnes & Noble Sci-Fi & Fantasy Blog*

“The much-anticipated third Stormlight Archive epic fantasy installment is classic Sanderson, with multiple story lines and unexpected twists and turns. Sanderson successfully balances introducing new elements and satisfactorily resolving some threads, leaving fans to eagerly await the next in the series.”

–*Publishers Weekly*

“Fans of the Stormlight Archive series will enjoy this book, which brings back favorite characters and deepens a well-drawn fantasy world.”

–*Kirkus*

“Sanderson outdid himself once again. It is a wonderful, well-paced, emotional read with a poignant focus on the brokenness of people and how to overcome your own limits.”

–*Ranting Dragon*

All three books are *New York Times* bestsellers with over 4 million Stormlight copies sold worldwide!

THE FINAL EMPIRE (#1), THE WELL OF ASCENSION (#2), THE HERO OF AGES (#3)

“In short: These books are, together, a masterpiece.”  
 –Orson Scott Card,  
 NYT bestselling author of *Ender’s Game*

“Sanderson is not only one of the best writers in the business, he’s also one of the most prolific... This is easily one of the finest fantasy stories I’ve ever read, and my only regret is that I read it so quickly.”  
 –Forbes Magazine

“Complicated and yet fast-paced and entertaining, with likably human protagonists and a large-scale cast of colorful characters, this trilogy introduced Sanderson as an important new voice in epic fantasy.”  
 –Library Journal

“Transcendent...what happens at the end is utterly astounding in its audacity.”  
 –RT Book Reviews

“This entertaining read will especially please those who always wanted to know what happened after the good guys won.”

## THE BANDS OF MOURNING (#6)

“Definitely the best in this series, THE BANDS OF MOURNING incorporates the excellent action and scenery of the early trilogy... THE BANDS OF MOURNING encompasses the kind of cinematic adventure of an Indiana Jones movie but sets it in the fascinating Mistborn world. This is a very satisfying conclusion, but one that also definitely sets up further stories in this universe.”

## Stephen Leeds Novellas

### LEGION: THE MANY LIVES OF STEPHEN LEEDS

“Readers will get drawn into the fascinating world of Stephen and his friends—real and imagined—as they work together to solve the seemingly unsolvable.”

—*Publishers Weekly*

“Sanderson’s contemporary fantasy is populated with superb characterizations (as evidenced by the multiple depictions of Legion’s aspects) and is surprisingly thought-provoking.”

—*Kirkus*

“LEGION: THE MANY LIVES OF STEPHEN LEEDS by Brandon Sanderson was fantastically, amazingly brilliant.”

—*SFcrowdnest*

“If you haven’t checked it out yet, LEGION: THE MANY LIVES OF STEPHEN LEEDS is the perfect opportunity to read Brandon Sanderson’s beloved series featuring everyone’s favorite schizophrenic genius detective.”

—*Bibliosanctum*

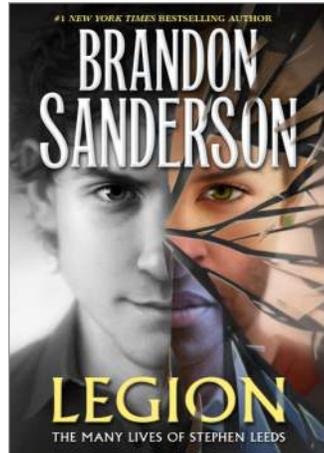

“The real pleasure is . . . reading about Steve and his hallucinatory alter egos. Sanderson handles it all with a deft, humorous hand”

—*Fantasy Literature*

“LEGION is a wonderfully clever, compelling story with a brilliant ensemble of characters that just won’t leave you alone.”  
—Suzanne Palmer, Hugo Award-winning author of *The Secret Life of Bots*

“In LEGION: THE MANY LIVES OF STEPHEN LEEDS, Brandon Sanderson steps away from the massive tomes he’s known for writing and embraces the much smaller novella, offering short, punchy and thoughtful adventures from the life and mind of one of his most brilliant (and maybe craziest) characters... Quirky characters, thoughtful ideas and action-packed stories make it the perfect binge read for anyone who wants a dash of excitement with a tinge of insanity and introspection in their life.”

—*Deseret News Entertainment*

## WARBREAKER

Finalist—David Gemmell Legend Award

Named one of the Best of 2009 by *Library Journal, Barnes & Noble, The A. V. Club, American Library Association, and Romantic Times*

“Epic fantasy heavyweight Sanderson...pens a powerful stand-alone tale of unpredictable loyalties, dark intrigue, and dangerous magic... Sanderson melds complex, believable characters, a marvelous world and thoughtful, ironic humor into an extraordinary and highly entertaining story.”

—*Publishers Weekly, Starred review!*

“Beyond shining as a world-building exercise, WARBREAKER’s drama is peppered with excellent humor. With so much to love, it’s easy to wish for a sequel, but hard to imagine a better ending.”

—*The A. V. Club*

“Sanderson again demonstrates his capacity for handling large and complex themes while creating believable characters. He also succeeds at building a unique fantasy environment. This...is essential reading for fantasy fans.”

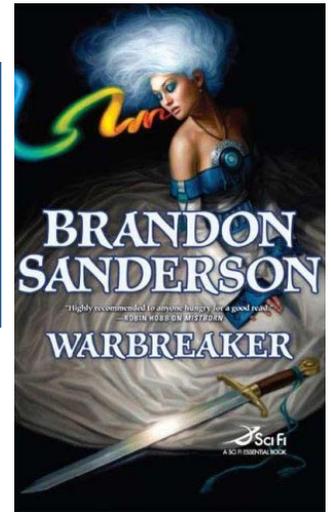

—*Library Journal, Starred review!*

“Sanderson is clearly a master of large-scale stories, splendidly depicting worlds as well as strong female characters... The system of magic is also novel...and demands far more of the characters’ ingenuity, which in turn demands developing them—male or female, divine and mortal—to a far higher degree than one expects of much fantasy these days. May the author write long and prosper.”

—*Booklist*

“Yet another strong showing... If the worst you can say about a book is that it wasn’t long enough, the author is clearly doing something well. In Brandon Sanderson’s case, that’s nearly everything.”

—*Fantasy Literature*

The Skyward Series

**SKYWARD (#1)**

As humankind battles a mysterious alien enemy called the Krell, a young woman who lost her father to the war finds—and repairs—an ancient starfighter, which she plans to take into battle once she finishes flight school. The mystery of the Krell, the secret of her father’s death, and the nature of this ancient starfighter intertwine in a grand story of heroism, intrigue, and incredible starship battles.

“With this action-packed trilogy opener, Sanderson offers up a resourceful, fearless heroine and a memorable cast—including a strangely humorous, mushroom-obsessed robot—set against the backdrop of a desperate conflict.”

–*Publishers Weekly*, Starred review!

“Sanderson plainly had a ball with this nonstop, highflying opener, and readers will too.”

–*Kirkus*, Starred review!

*Kirkus’ Best YA Fiction of 2018*  
*Fantasy Faction’s Best Fantasy Books of 2018*

“SKYWARD is possibly the most captivating, inspirational, and aspirational book that Brandon Sanderson has ever written. There is a heart to this story, to each and every facet of the world and its inhabitants’ portrayals, that simply does not exist in modern literature today...It’s always a pleasure spending time inside Brandon’s mind as he creates a new playground of rules and takes his characters for a ride through uncharted territories.”

–*Fantasy Book Review*

“Readers will enjoy his hallmark cinematic writing style, with plenty of strong visuals throughout the story...SKYWARD is an adventure and a half that you won’t want to miss. Even hardcore Cosmere fans will enjoy the special mix of fantasy and sci-fi that unfolds as you watch Spensa learn what it means to be truly brave.”

–*Tor.com*

“Brandon does well to build this world throughout the novel, creating a realistic situation and environment for the characters to dwell in.”

–*SFF World*

**SKYWARD (#1)**

“SKYWARD contains a lot of heart that teaches us to never back down in the face of adversity.”

–*Fantasy Faction*

“SKYWARD is an almost perfect space opera, a genre marked by simple yet compelling plot lines, precise and ingenuous world-building and complex, empathetic relationships and character development... It is replete with non-stop action, amazing writing and great characters.”

–*Aspen Daily News (Colorado)*

“Sanderson’s ability to tell a story whilst also making you feel like one of the team shows why he’s one of the most well-known and beloved authors in the sci-fi world.”

–*The Nerd Daily*

SKYWARD debuted at #3 on *The New York Times* bestseller list and stayed in the top 5 for five consecutive weeks!

**STARSIGHT (#2)**

Spensa has finally fulfilled her dream of becoming a pilot, but her story is just beginning. In the stunning sequel to *Skyward*, Spensa discovers the Krell and Galactic Government are recruiting starfighter pilots, and she sneaks onto the space station Starsight to infiltrate the program. But while Starsight seems peaceful to the point of perfection, dark secrets lurk around every corner—secrets that could cost Spensa everything.

Elizabeth Moon • Ellery Queen • Brandon Sanderson

**The JABberwocky Hall of Fame**

introduced by Joshua Bilmes

For decades, the books and authors we represent have been harbingers of new eras. You’ll find many examples of that in our Hall of Fame: The Jump 225 trilogy by David Louis Edelman, which is to the closed internet of the app store what *Neuromancer* was to the original vision of cyberspace. *Compulsion*, which was one of the progenitors, along with *In Cold Blood*, of the true crime novel. Lord Darcy and *Blue Moon Rising*, rule-breaking fantasy novels that broke the mold and in so doing wrote a new rule book for the genre. And Elizabeth Moon and Brandon Sanderson have each written works that have endured for a decade, and will endure for decades to come.

## SPEED OF DARK

Winner—Nebula Award

“A lot of novels promise to change the way a reader sees the world; THE SPEED OF DARK actually does.”

–Elizabeth Hand, *Washington Post Book World*

“Well-written, intelligent, quite moving. Moon places the reader inside the world of an autistic [man] and unflinchingly conveys the authenticity of his situation.”

–*Kirkus*, **Starred review!**

“[Elizabeth Moon has] been writing great science fiction for years...[this is] a highly sensitive treatment of the world of an autistic man set in the not too distant future.”

–*The Times of London*

“The pages will make you hold your breath until the very last line.”

–*Associated Press* (France)

“A powerful, thought-provoking story of soul searching that provides insight into outsiders.”

–*Library Journal*, **12 Titles for Autism Awareness Month**

“Compelling...a poignant earnestness that borders on the philosophical and showcases Moon's gift for characterization.”

–*Publishers Weekly*

“The story is engrossing and beautifully written with wide appeal for young adults. Those who like books such as *Flowers for Algernon* will devour it.”

–*VOYA*

“A stunner. Not just for parents and friends of autistic individuals, not just for science fiction fans—THE SPEED OF DARK makes me remember why I love Moon for her ability to immerse me in the thought processes of a sympathetic, transparent protagonist.”

HALL OF FAME

The Lord Darcy Series

“Some of the finest fantasy ever written... will certainly guarantee him a lasting place in the genre.”  
 –*SF Chronicle*  
 (Chosen as one of the Best Fantasies of 2002)

“Garrett’s writing style is as elegant and charming as his setting, and his mastery of atmosphere is admirable...Garrett’s series is in fact one of the best of the genre-benders...The stories deftly combine elements of mystery, espionage, suspense, Tolkienesque fantasy, science fiction, the techno-thriller, CSI-style forensic mystery, and swashbuckling historical romance.”  
 –*National Review*

“Maddeningly intricate, well reasoned and great fun. [Randall Garrett’s] world was as utterly real as his characters, and his mysteries were of the first caliber.”

Since taking over representation of the R. A. Lafferty estate, JABberwocky has negotiated a huge World English deal with Gollancz, the sci-fi/fantasy imprint of UK publisher Orion. This deal includes eighteen novels and collections, getting much of Lafferty’s most significant works back in print. Gollancz also purchased the UK rights to release *The Best of R. A. Lafferty*, a collection of his short fiction.

“In the late 1960s and early 1970s, the best short story writer in the world...was R. A. Lafferty, and his stories were unclassifiable and odd and inimitable—you knew you were reading a Lafferty story within a sentence.”  
–Neil Gaiman

About R.A. Lafferty

R. A. Lafferty was a beloved science fiction and fantasy writer who was a World Fantasy Lifetime Achievement Award recipient and a Hugo winner. He also received Hugo nominations for *Past Master*, “Continued on The Next Rock,” and “Sky.” Lafferty was a Nebula Award finalist several times. Lafferty was also a Philip K. Dick Award finalist, and a two-time winner of the Seiun Award for “Groaning Hinges of the World” and “Eurema’s Dam.”

**Praise for Keith Laumer:**

“His tales speak to issues that we still grapple with today...Laumer’s Bolos were a compelling concept, as demonstrated by the fact that the stories have been reprinted for decades. Laumer’s stories were always fun and entertaining as well, so it is no surprise they are still being read...Today, as our technology begins to make some of the capabilities of a Bolo possible, and we pause to consider our next steps, his speculations give us much to think about.”

–*Tor.com*

“Whether it was the mind-boggling alternative timelines of *Worlds of the Imperium*, or the wild and woolly space opera of *Galactic Odyssey*, or the hilarious exploits of that diplomat and trouble-shooter *Retief*, Laumer went his own way and took us along for the ride. His books were always sharply-observed, endlessly inventive, and most of all fun.”

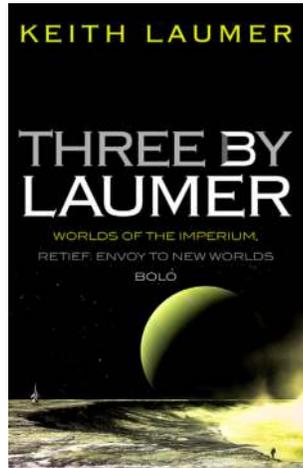

–**Simon R. Green, *New York Times* bestselling author**

“Satire on a galactic scale by an ex-Air Force officer and diplomat. A wonderful, hilarious, and altogether entertaining read!”

–**William C. Dietz, *New York Times* bestselling author, on the Retief series**

“*A Plague of Demons* is the kind of book that makes the reader want to dive into many more works in its author’s oeuvre, and thus, I already have *The Best of Keith Laumer* sitting on my bookshelf at home, waiting to be opened.”

–**Michael McCollum, science fiction author and aerospace engineer**

**43 Keith Laumer titles sold to Orion UK!**

**About Keith Laumer**

The novels and short story collections of renowned science-fiction/fantasy writer Keith Laumer have gone through printing after printing for nearly four decades, and were an inspiration for many genre writers, including several of our clients. He was a Captain in the U.S. Air Force and later an officer in the Diplomatic Corps, serving all over the world, which gave him a solid background for his fast-moving action stories, including his Bolo series and his satirical Retief adventures, which deftly skewer the bureaucratic mindset, whether human or alien.

**THE MASK OF CTHULHU**

Beginning with “The Return of Hastur,” which August Derleth completed posthumously from H. P. Lovecraft’s notes, these stories masterfully expand the horrific cycle of the Cthulhu mythos and its monstrous pantheon.

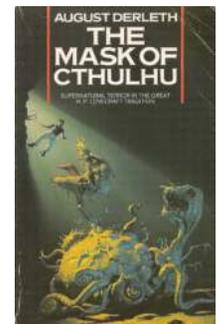

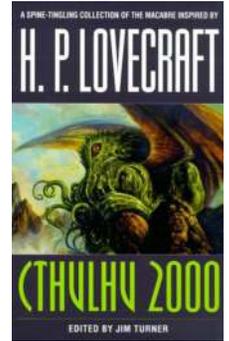

**THE TRAIL OF CTHULHU**

No one but Derleth could continue the Cthulhu Mythos cycle after the death of its creator, his friend H. P. Lovecraft. In a comprehensive fusion of Lovecraft’s fearful myth-pattern, Dr. Laban Shrewsbury pursues his arcane investigations into the unspeakable secrets of the Ancient Ones to the drowned city of R’lyeh, where the ancient god Cthulhu waits dreaming.

OUR PARTNERSHIP WITH  
**TACHYON PUBLICATIONS**

We are excited to represent foreign rights for a number of Tachyon titles.

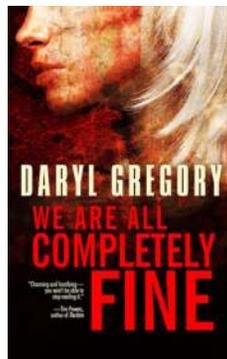

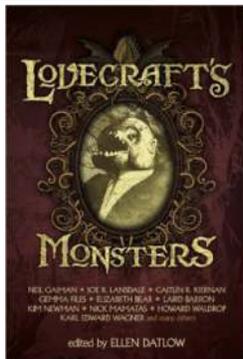

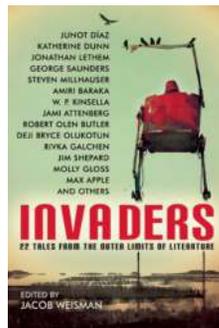

This includes several anthologies by World Fantasy Lifetime Achievement-winning editor Ellen Datlow, as well as the novella **WE ARE ALL COMPLETELY FINE** by Daryl Gregory, which won the World Fantasy and Shirley Jackson Awards, and was also a Locus and Nebula Award finalist.

Tachyon, now in business for over 20 years, is an award-winning publisher of smart science fiction, fantasy, and literary fiction.

Tachyon is known for their bestselling series of Hugo, Nebula, and Sturgeon award-winning original novellas, including **THE EMPEROR'S SOUL** by Brandon Sanderson and the second editions of **BRAYAN'S GOLD** and **THE GREAT BAZAAR** by Peter V. Brett.

They are also publishers of canonic anthologies that explore everything from the Victorian whimsies of steampunk to the “lit-fi” world of slipstream. Tachyon brings out-of-print classics to new generations of readers and their innovative story collections prefigured the short fiction renaissance.

**WE ARE ALL COMPLETELY FINE**

“Scathingly funny, horrific yet oddly inspiring...Blending the stark realism of pain and isolation with the liberating force of the fantastic, Gregory makes it easy to believe that the world is an illusion, behind which lurks an alternative truth—dark, degenerate, and sublime.”

—*Publishers Weekly*, Starred review!

“A clever and creepy horror tale...Concisely exploring the nature of fear and isolation.”

—*Library Journal*

“Gregory is interested more in empathy than revulsion, more in accommodation than heroics, and more in the victim than the monster. The result is his most tightly constructed and compulsively readable novel to date, and a small gem of what we might call post-horror horror.”

—*Locus*

“This book is fast-paced, creepy, suspenseful, and yet surprisingly uplifting, with fleshed out characters I genuinely cared about...This book is seriously awesome. Someone chain [Gregory] to a desk so he stops doing anything other than write.”

—*SF Book Review*

“Clever, and filled with the creeping dread of what’s in the flickering shadow next to you and what’s just around the corner that suffuses the best horror. I loved it.”

—*Ellen Datlow, Bram Stoker and World Fantasy award-winning editor*

“Daryl Gregory’s **WE ARE ALL COMPLETELY FINE** is bitchin’ fun and as wicked and strange as a motorcycle leap through a ring of fire without your pants on. Loved it.”

## THE UNCERTAIN PLACES

In this long-awaited novel from Lisa Goldstein, an ages-old family secret breaches the boundaries between reality and magic, revealing the places between them.

“An exquisitely beautiful, eerily compelling modern fairy tale.”

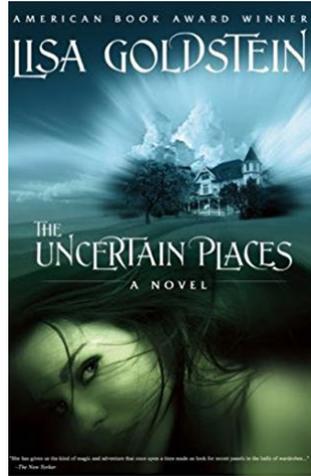

—*Library Journal*, Starred review!

“Exemplary... Goldstein is one of fantasy’s most reliable practitioners, and a new novel from her is always a cause for celebration.”

—*San Francisco Chronicle*

“The arrival of a new Goldstein fantasy is a major cause for rejoicing. And THE UNCERTAIN PLACES does not disappoint.”

—*io9.com*

Lisa is an American Book Award winner and a finalist for the Hugo, Nebula, and World Fantasy awards.

“Goldstein is in fine form with a darkly compelling modern fairy tale.”

—*January Magazine*

“Lisa Goldstein is back and at the top of her game.”

—*Shelf Awareness*

“THE UNCERTAIN PLACES continued to surprise me at every page and, as a writer, filled me with raw, disgraceful envy: Boy I wish I’d thought of this one...”

—Peter S. Beagle, author of *In Calabria* and *The Last Unicorn*

“Goldstein’s complex and ingenious plot transplants the forest realm of European folktale, where witches grant wishes with strings attached and you’d better be careful which frog you kiss, into the sun-drenched hills of Northern California in the 1970s—and beyond.”

—Ursula K. Le Guin, *New York Times* bestselling author

“[Lisa Goldstein] has given us the kind of magic and adventure that once upon a time made us look for secret panels in the halls of wardrobes or brush our teeth with a book held in front of our eyes, because we couldn’t bear to put it down.”

—*The New Yorker*

## IN CALABRIA

From the acclaimed author of *The Last Unicorn* and *Summerlong* comes a new, exquisitely-told fable for the modern age. Lyrical, gripping, and wise, IN CALABRIA confirms Peter S. Beagle’s continuing legacy as one of fantasy’s most legendary authors.

“Acclaimed fantasist Beagle (*Summerlong*) sets this charming, lyrical tale of unicorns and love on a poor little hillside farm in the toe of boot-shaped Italy, where 47-year-old Claudio Bianchi scratches out a meager existence for himself, old dog Garibaldi, goat Cherubino, three cows, a pig, and three cats... Beagle’s kindly fable shows how a man who seems to have nothing can really have everything—with just a touch of magic.”

—*Publishers Weekly*, Starred review!

“A novella about love in a world of hardship, loss, magic, and recovery. Beagle’s unicorns have never been more bewitching, impossible, and genuine. I cherished every page.”

—Gregory Maguire,  
author of *Wicked* and *After Alice*

“Beauty, imagination, poetry and magic... Beagle has that rare gift—the ability, within just a few words, to transport the reader completely into his universe, making the unfamiliar become vividly real. 10/10 stars.”

—*Starburst*

“A lyrical modern fairy tale, IN CALABRIA is a lovely tale of finding magic in our world and the importance of protecting it while we have it. It’s the hopeful kind of story we all need right now.”

“An impressive overview of the author’s breadth and career, this collection will appeal to the author’s existing devotees—or to anyone who has ever thought that ‘happily ever after’ left too many questions.”

—*Kirkus*

“...every entry contains Yolen’s crystalline prose, which captures the magic in reality, and vice versa, with ease and grace... These highly entertaining retellings are perfect for teen fans of fairy tales and classic literature, though they are easily enjoyed without any background knowledge.”

—*School Library Journal*, Starred review!

Winner—2018 World Fantasy Award for Best Collection

“These delightful retellings of favorite stories will captivate newcomers and fans of Yolen as she once again delivers the magic, humor, and lovely prose that has attracted readers for years.”

—*Library Journal*, Starred review!

“With over 350 books, Jane Yolen is a legend in the world of children’s and young-adult literature, but her acerbic and witty adult fiction and poetry offer their own pleasures. The 16 stories here, each accompanied by a related poem and notes, revisit some iconic classics, but always from a new, thought-provoking angle...”

—*Chicago Tribune*

“This excellent collection reimagines folktales, fairy tales, and sometimes historical people in new and surprising light. It is a brilliant example of short-form storytelling by one of the treasures of the science fiction community.”

Nonfiction

### STARSHIPS AND SORCERERS

This nonfiction title examines science fiction and fantasy's recent explosion into mainstream popular culture.

Evidenced by major movies like *Arrival*, shows like *Game of Thrones*, and the mainstream success of novels like *Ready Player One*, science fiction and fantasy have never been more popular. This popularity is here to stay—and it's accompanied by a relentless curiosity about all things related to these imaginative genres. In STARSHIPS AND SORCERERS, sci-fi and fantasy are explored in a way they never have before: as catalysts for culture as a whole, from TV, film, and literature to less expected forms such as music, art, architecture, and fashion. Desirina Boskovich offer a dizzying, visually extravagant peek into the secret history of sci-fi and fantasy.

Myke Cole

### Search And Rescue

#### SIXTEENTH WATCH (#1)

Myke Cole returns to military sci-fi with SIXTEENTH WATCH. Pitched as the U.S. Coast Guard in space, this first installment of a new duology is chock-full of Cole's trademark action.

Winner—2013 Compton Crook Award

It all begins on the moon. If there'd been any doubters that the free-for-all scrum of commercialization and colonization of space needed some rules, those doubts quickly disappeared when Lacus Doloris, a small lunar mare, becomes the site of a fierce skirmish between Chinese and US forces. Soon thereafter, the US formalizes its approach to the militarization of space. International relationships settle into a strong simmer, waiting for the right moment to boil over once again. The threat of a Sino-American war does only so much to stop a turf battle within the US military, as Navy and Marine forces vie for supremacy in space with the updated search and rescue mission of the US Coast Guard.

The skirmish on Lacus Doloris cost the life of Tom Oliver, the husband of the Coast Guard Rear Admiral Jane Oliver. Grief-stricken and adrift over the three years since her husband's death, she's wary when she's given the opportunity to gain rank heading to the Coast Guard's lunar base. The turf war between branches of US forces is playing out in a yearly "Boarding Action" competition, and Jane's skills might give the Coasties an edge. What nobody expects is that the faux fun and games of the Boarding Action will take place just as international tensions reach their breaking point. Jane will need everything she's learned over a long career in the military to keep this year's Boarding Action from being the spark of a new World War.

Myke Cole's other genre fiction works include the Shadow Ops series and The Reawakening Trilogy.

Nick Martell

Fantasy

## The Mercenary King Series

### THE KINGDOM OF LIARS (#1)

This epic fantasy debut reflects a changing of the guard to a generation growing up with Patrick Rothfuss and grimdark, yet remains very much an original invention. It's rich with detail, and contains enough secrets to intrigue readers for some time to come.

#### From Joshua Bilmes:

Nick Martell is the most exciting debut author I've come across in over a decade, since I went out to market with Peter V. Brett. Nick's been writing since 5th grade, is now 24, and is a more fully polished fantasist than Brandon Sanderson was at that age. And there's no need of qualification here. Nick Martell isn't great for a 24 year old; he's great.

It starts like this:

*At my trial for treason for killing the King, I played with my father's ring, twisting it around my middle finger. It was one of the few things they hadn't taken away from me when I was arrested. Maybe because they knew it was my father's last gift to me, or maybe it was because no one cared about an old ring and thought nothing of it.*

140,000 words later, you'll know why Michael Kingman has his father's ring. Along the way you'll be transported to the the Narrows, the left behind quarter of a city called Hollow, which is in decay, if not yet in ruins. A city where the Gunpowder War has left its burn marks, where the execution of Michael's father ended up becoming the death of hope, where the sounds of death from a rebel attack or the falling moon have become commonplace. A city where Michael Kingman has struggled mightily to find his way in adolescence, and where he may never live to find fulfillment as an adult.

**Total advances for the series are over \$250,000.**
