THE BRIDGE KINGDOM

Audible Originals/Amazon
October, 2018

- The first in a new series by *USA Today* bestselling author Danielle L. Jensen. Her first for adults!

Lara has only one thought for her husband on their wedding day: I will bring your kingdom to its knees. A princess trained from childhood to be a lethal spy, Lara knows that the Bridge Kingdom represents both legendary evil – and legendary promise. So when she is sent as a bride under the guide of fulfilling a treaty of peace, Lara is prepared to do whatever it takes to fracture the defenses of the impenetrable Bridge Kingdom.

But as she infiltrates her new home and comes to know her new husband, Aren, Lara begins to question where the true evil resides. Around her, she sees a kingdom fighting for survival, and in Aren, a man fiercely protective of his people. As her mission drives her to deeper understanding of the fight to possess the bridge, Lara finds the simmering attraction between her and Aren impossible to ignore. Her goal within reach, Lara will have to decide if she will be the destroyer of a king or the savior of her people.

Danielle L. Jensen is the bestselling author of the *Malediction Series*. She is also the author of the upcoming *Dark Shores Series* from Tor Teen.

CRESCENT CITY: House of Earth and Blood

Bloomsbury
March, 2020

Bryce is half human and half Fae. Her best friend, her soul sister, Dani, is a werewolf. Then Dani is murdered.

Two years later, when the murderer attacks again, Bryce finds herself dragged into the investigation and paired with an infamous Fallen angel whose own brutal past haunts his every step.

Hunt Athalar, personal assassin for the Archangels, wants nothing to do with Bryce. She stands for everything he once rebelled against. But Hunt soon realizes there's far more to Bryce than meets the eye-and that he's going to have to find a way to work with her if they want to solve this case.

As Bryce and Hunt race to untangle the mystery, they have no way of knowing the threads they tug ripple through the underbelly of the city, across warring continents, and down to the darkest levels of Hel, where things that have been sleeping for millennia are beginning to stir...

Sarah J. Maas is the #1 *New York Times* bestselling author of the *Throne of Glass* and *Court of Thorns and Roses* series. This is her first series for adults.

18 TINY DEATHS: The Untold Story of Frances Glessner Lee and the Invention of Modern Forensics

Sourcebooks

February, 2020

18 TINY DEATHS is the compelling tale of Frances Glessner Lee and her revolutionary work in forensic science. Glessner Lee created the Nutshell Studies of Unexplained Death, a collection of crime scene dioramas used to teach generations of homicide investigators.

For most of human history, sudden and unexpected deaths of a suspicious nature, when they were investigated at all, were examined by lay persons without any formal training. People often got away with murder. Modern forensic investigation originates with Frances Glessner Lee – a pivotal figure in police science.

18 TINY DEATHS is Glessner Lee’s biography, but also explores the advancements in forensic science throughout her lifetime in the late nineteenth century and early to mid twentieth century.

Bruce Goldfarb is a reformed journalist, a trained forensic investigator, and assistant to the medical examiner at the Office of the Chief Medical Examiner for the State of Maryland, which happens to be where the nutshells are housed. He has been working with the descendents of Frances Glessner Lee on this book.

MASTER OF ONE

HarperTeen
Fall, 2020

Rags is a common dirty thief, who is definitely not used to working toward any kind of greater good. Until Morien the Last, most skilled of the Queen's sorcerers, forces him to find a fae relic. A fae relic which turns out to be a person: Shining Talon.

Shining Talon sees more in Rags than Rags has ever seen in himself. And Rags sees someone who has survived unspeakable acts, but hasn't lost his morality or hope. Together, they must find the six missing pieces of The Great Paragon, and their human masters. Before Morien finds them and uses The Great Paragon to destroy what's left of the fae people.

Rags' new purpose forces him to question his identity, his understanding of the world, and his feelings for a certain magical prince, all while using every cunning instinct he has to escape Morien's wrath alive.

Danielle Bennett & Jaida Jones are the authors of the Volstovic Cycle (beginning with Havemercy). Jaida (as Hannah Jones) is an alumnus of the Scholastic Art & Writing Awards and currently works for the Alliance for Young Artists & Writers. Dani and Jaida are married and live in Brooklyn with many cats.

SHEENA BOEKWEG

GLITCH KINGDOM

Feiwel & Friends/Macmillan
Spring, 2020

At only sixteen, Lady Dagney Tomlinson is forced to take on his secret duty of her father after he betrays the kingdom. She must don the hood and ax of the King's executioner and kill Prince Roan, the traitorous prince. But the prince is calculating, charming, a flirt, and...handsome. And something in Dagney—much as she hates herself for it—just can't drop the ax on his infuriating neck.

Now they're on the run together, and she discovers he's not only the golden child of the kingdom, but he has the ability to regenerate after death. Then she discovers her entire life isn't real—she and eleven other teenage beta testers are stuck inside a high-stakes fantasy video game. And something has gone horribly wrong: if they die in this land, they die in real life, too.

In this kingdom, every character could be a player, a NPC, or a monster programmed to kill. And one of the other players thinks the only way to win is to kill them all.

Sheena Boekweg grew up reading books with tree branches peeking over her shoulder. She studied theatre at Weber State University, married a handsome nerd who taught her about video games, and then had three kids who stole her heart and her controllers. She lives in Utah with her family and the world's most spoiled puppy.

A PIRATE WITH A WILL OF IRON

Teriana is the second mate of the *Quincense*, a ship beholden to the Goddess of the Seas. Her people are born of the waves, and they alone know how to cross the impassable oceans between East and West.

A SOLDIER WITH A SECRET

Marcus is the commander of the Thirty-Seventh, the notorious legion that has led the Celendor Empire to conquer the entire East. The legion is his only family, and even they don't know the secret he's been hiding since childhood.

A DANGEROUS QUEST

When a power-hungry ruler captures Teriana's crew and threatens to reveal Marcus's secret unless they help him conquer the unknown West, the two are forced into an unlikely--and unwilling--alliance. They unite for the sake of their families, but both must decide how far they are willing to go, and how much they are willing to sacrifice.
