SYRIE JAMES

DARE TO DEFY SERIES

Avon/HarperCollins

Runaway Heiress: June 2018; Summer of Scandal: September 2018;
Duke Darcy's Castle: February 2020

The *Dare to Defy* series by USA and internationally bestselling author Syrie James follows three American sisters who head to England and find the men perfect for them, even if not the men their mother had in mind.

In *RUNAWAY HEIRESS*, Alexandra Atherton runs into trouble, and ends up exactly where she belongs.

In *SUMMER OF SCANDAL*, Madeline Atherton and an English earl fight against conventions of English society – and their attraction to each other.

Syrie James is the internationally bestselling author of many books for adults, and a couple for young adults.

DANIELLE L. JENSEN

THE TRAITOR QUEEN

Audible Originals/Amazon
February 2019

Lara has only one thought when her husband, Aren, is taken prisoner: I will do whatever it takes to set you free.

A queen in exile as a traitor, Lara has watched Ithicana be conquered by her own father, helpless to do anything to stop the destruction. Lara knows her father is keeping Aren alive as bait for his traitorous daughter.

And it is bait she fully intends to take.

Risking her life to the Tempest Seas, Lara returns to Ithicana with a plan not only to free its king, but for liberating the Bridge Kingdom from her father's clutches using his own weapons: the sisters whose lives she spared.

But as Lara and her companions formulate a plan to free Aren from her father's palace, she will find her greatest adversary of all might be the very man she's trying to free - the husband she betrayed.

With everything she loves in jeopardy, Lara must decide who - and what - she is fighting for: her kingdom, her husband, or for herself.

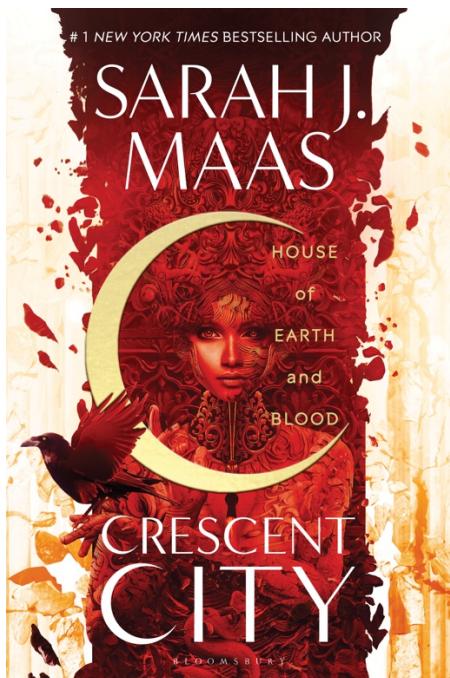

Danielle L. Jensen is the bestselling author of the *Malediction Series*. She is also the author of the upcoming *Dark Shores Series* from Tor Teen.

SARAH J. MAAS

CRESCENT CITY: House of Earth and Blood

Bloomsbury
March, 2020

Bryce is half human and half Fae. Her best friend, her soul sister, Dani, is a werewolf. Then Dani is murdered.

Two years later, when the murderer attacks again, Bryce finds herself dragged into the investigation and paired with an infamous Fallen angel whose own brutal past haunts his every step.

Hunt Athalar, personal assassin for the Archangels, wants nothing to do with Bryce. She stands for everything he once rebelled against. But Hunt soon realizes there's far more to Bryce than meets the eye—and that he's going to have to find a way to work with her if they want to solve this case.

As Bryce and Hunt race to untangle the mystery, they have no way of knowing the threads they tug ripple through the underbelly of the city, across warring continents, and down to the darkest levels of Hel, where things that have been sleeping for millennia are beginning to stir...

Sarah J. Maas is the #1 *New York Times* bestselling author of the *Throne of Glass* and *Court of Thorns and Roses* series. This is her first series for adults.

BRUCE GOLDFARB

18 TINY DEATHS: The Untold Story of Frances Glessner Lee and the Invention of Modern Forensics

Sourcebooks
February, 2020

18 TINY DEATHS is the compelling tale of Frances Glessner Lee and her revolutionary work in forensic science. Glessner Lee created the Nutshell Studies of Unexplained Death, a collection of crime scene dioramas used to teach generations of homicide investigators.

For most of human history, sudden and unexpected deaths of a suspicious nature, when they were investigated at all, were examined by lay persons without any formal training. People often got away with murder. Modern forensic investigation originates with Frances Glessner Lee – a pivotal figure in police science.

18 TINY DEATHS is Glessner Lee's biography, but also explores the advancements in forensic science throughout her lifetime in the late nineteenth century and early to mid twentieth century.

Bruce Goldfarb is a reformed journalist, a trained forensic investigator, and assistant to the medical examiner at the Office of the Chief Medical Examiner for the State of Maryland, which happens to be where the nutshells are housed. He has been working with the descendants of Frances Glessner Lee on this book.

DANIELLE BENNETT AND JAIDA JONES

MASTER OF ONE

HarperTeen
Fall, 2020

Rags is a common dirty thief, who is definitely not used to working toward any kind of greater good. Until Morien the Last, most skilled of the Queen's sorcerers, forces him to find a fae relic. A fae relic which turns out to be a person: Shining Talon.

Shining Talon sees more in Rags than Rags has ever seen in himself. And Rags sees someone who has survived unspeakable acts, but hasn't lost his morality or hope. Together, they must find the six missing pieces of The Great Paragon, and their human masters. Before Morien finds them and uses The Great Paragon to destroy what's left of the fae people.

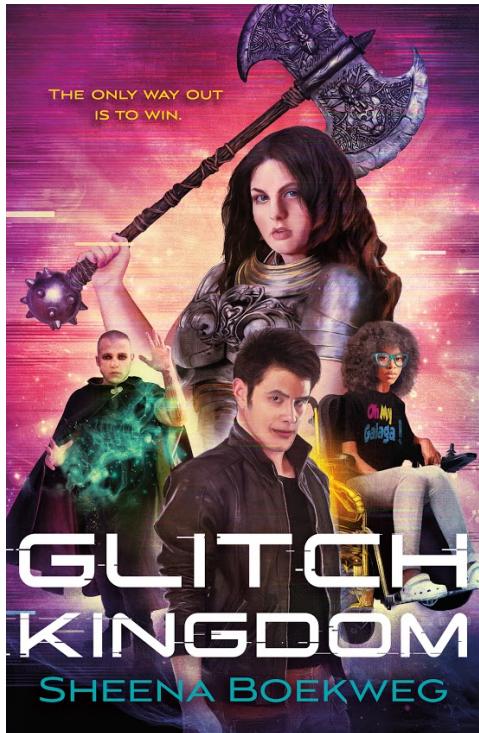

Rags' new purpose forces him to question his identity, his understanding of the world, and his feelings for a certain magical prince, all while using every cunning instinct he has to escape Morien's wrath alive.

Danielle Bennett & Jaida Jones are the authors of the Volstovic Cycle (beginning with *Havemercy*). Jaida (as Hannah Jones) is an alumnus of the Scholastic Art & Writing Awards and currently works for the Alliance for Young Artists & Writers. Dani and Jaida are married and live in Brooklyn with many cats.

SHEENA BOEKWEG

GLITCH KINGDOM

Feiwel & Friends/Macmillan
Spring, 2020

At only sixteen, Lady Dagny Tomlinson is forced to take on his secret duty of her father after he betrays the kingdom. She must don the hood and ax of the Kingd's executioner and kill Prince Roan, the traitorous prince. But the prince is calculating, charming, a flirt, and...handsome. And something in Dagny—much as she hates herself for it—just can't drop the ax on his infuriating neck.

Now they're on the run together, and she discovers he's not only the golden child of the kingdom, but he has the ability to regenerate after death. Then she discovers her entire life isn't real—she and eleven other teenage beta testers are stuck inside a high-stakes fantasy video game. And something has gone horribly wrong: if they die in this land, they die in real life, too.

In this kingdom, every character could be a player, a NPC, or a monster programmed to kill. And one of the other players thinks the only way to win is to kill them all.

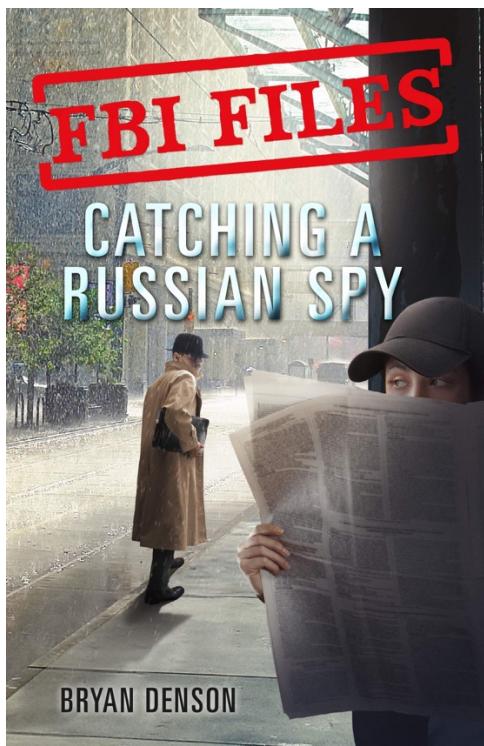

Sheena Boekweg grew up reading books with tree branches peeking over her shoulder. She studied theatre at Weber State University, married a handsome nerd who taught her about video games, and then had three kids who stole her heart and her controllers. She lives in Utah with her family and the world's most spoiled puppy.

BRYAN DENSON

FBI FILES: THE UNABOMBER: Agent Kathy Puckett and the Hunt for a Serial Bomber

Roaring Brook Press/Macmillan
June, 2019

- “The writing is lively, and the principal players are fully dimensional” ~*Kirkus* on Book 1 in the series

Aldrich H. "Rick" Ames was a 31-year veteran of the CIA. He was also a Russian spy. By the time Ames was arrested in 1994, he had betrayed the identities of dozens and caused the deaths of ten agents. The notorious KGB (and later the Russian intelligence service, SVR) paid him millions of dollars.

Agent Leslie G. "Les" Wiser, Jr. ran the FBI's Nightmover investigation tasked with uncovering a mole in the CIA. The team worked night and day to collect evidence—sneaking into Ames' home, hiding a homing beacon in his Jaguar, and installing a video camera above his desk. But the spy kept one step ahead, even after agents followed him to Bogota, Colombia. In a crazy twist, the FBI would score its biggest clue from inside Ames' garbage can.

At the time of his arrest on February 21, 1994, he had compromised more highly-classified CIA assets than any other agent in history.

Bryan Denson is a Pulitzer Prize finalist for journalism and winner of the George Polk Prize, among many other honors. *The Spy's Son* was published by Grove/Atlantic in 2015 and was a finalist for the William E. Colby Award. This is his first book for young readers.

DARK SKIES

Tor Teen/Macmillan
May, 2020

- This can be the first book in the series, or you can start with *Dark Shores*. Either way!
- “I loved every word.” Sarah J. Maas, #1 *New York Times* bestselling author on *Dark Shores*

A RUNAWAY WITH A HIDDEN PAST

Lydia is a scholar, but books are her downfall when she meddles in the plots of the most powerful man in the Celendor Empire. Her life in danger, she flees west to the far side of the Endless Seas and finds herself entangled in a foreign war where her burgeoning powers are sought by both sides.

A COMMANDER IN DISGRACE

Killian is Marked by the God of War, but his gifts fail him at a critical moment. Disgraced, he swears his sword to the kingdom's only hope: the crown princess. But the choice sees him caught up in a web of political intrigue that will put his oath – and his heart – to the test.

A KINGDOM UNDER SIEGE

With Mudamora falling beneath the armies of the Corrupter, Lydia and Killian strike a bargain to save those they love most—but it is a bargain with unintended and disastrous consequences. Truths are revealed, birthrights claimed, and loyalties questioned—all while a menace deadlier and more far-reaching than they realize sweeps across the world.

Danielle L. Jensen is the *USA Today* bestselling author of the *Malediction Series*. She is also the author of *The Bridge Kingdom Series* from Audible Originals.
