

"Who's the scariest guy in America? Probably Jack Ketchum." – Stephen King

Jack Ketchum

"Ketchum has become a kind of cult figure among genre readers and a kind of hero to those of us who write tales of terror and suspense...Ketchum never stops, never flinches, never turns aside. He is, quite simply, one of the best in the business, on par with Clive Barker, James Ellroy, and Thomas Harris." - Stephen King

"Ketchum writes with economy and power, in sentences that tighten like noose wire. ...He sets scenes and draws characters with a firm, quick hand, and his prose can blister the page...Ketchum can rightly be called the Goya of horror literature." - Publishers Weekly
