WELCOME TO OUR YOUNG ADULTS CATALOGUE!

In the new novel of bestselling author Andreas Eschbach the reader dives down into the world that is (still) considered to be one of the greatest mysteries of our times: the ocean and the deep sea. AQUAMARINE tells the story of a girl’s search for her identity between two worlds that builds up into a thriller-like finale.

With JUMP IF YOU DARE Kira Gembri presents her grippingly authentic and racy debut novel: Lea counts – her steps, the cornflakes in her bowl, even the leaves of the rubber tree. When she moves into bad boy Jay’s chaotic apartment shared by three boys, there’s bound to be trouble. In an incredibly humorous and warm hearted voice Kira Gembri tells a story that takes her protagonists’ problems very seriously without creating a “book about issues”. This book is on the longlist of recommendations 2015 set by the German Academy for Children’s and Young Adult’s Literature.

And finally there’s the great and dramatic conclusion of Kathrin Lange’s HEART trilogy: Does the love between Juli and David stand a chance? The writer has a spectacular answer to this decisive question – in HEART OF DUST!

Please enjoy browsing the next pages! We look forward to hearing from you at any time.

With all best wishes, also from Tanja!

ZOE SERIES

Good horse novels are like a ride across a flower field. Like the wind in the mane of the horse of your dreams. Like the smell of hay and adventure. Like the smile of your best friend. This is one of those books – the first volume of the new series that features Zoe, her two-legged and her four-legged friends. For all “horse girls” aged 10+.

Angela Waidmann studied history and folklore. The enthusiastic horseback rider wrote non-fiction books about horses and published numerous children’s and teen novels, including many novels about horses.

- A great horse stable that will make the readers feel right at home.

ZOE. HAPPINESS HAS FOUR HOOVES. HELTER-SKELTER INTO AN ADVENTURE

Her pony, Filou, and her friends at the horse stable – that’s all Zoe needs to be happy. Nevertheless it’s incredibly exciting when new horses move into the stable. Show horses! And what beauties they are! A magnificent Lipizzan and a breathtaking Friesian horse. But Zoe doesn’t like the animal’s owners at all. The family is snobbish and uppity, specially Arpad, their son. There also seems to be something wrong with the way he handles the thoroughbreds. His sister, Maja, seems pretty nice, though. And when there’s a problem with Filou, she may be the only person that can help Zoe.

MY LIFE SERIES

Current issues we are confronted with almost daily and those we usually shun: The series My Life, which consists of 12 titles, offers juveniles the opportunity of a fresh and expressive voice! In this volume Jessica Gehres talks about her experience with cyberbullying by her schoolmates. She faced vicious slander and lies for years. Even today she still doesn't know the identities of the culprits. Because the perpetrators remained anonymous – through the internet.

- Memoirs: A series that is still unchallenged and in which juveniles talk openly about their lives – authentic, direct and from teen to teen.

YOUR HATRED HAS NO FACE. MY LIFE IN THE SHADOWS OF CYBERBULLYING (VOL. 12)

“You’re so stupid. You’re so fat. You’re so ugly.” Jessica was twelve when the harassment started. And only because Jessica protected another girl. For years she was exposed to her schoolmates’ vicious harassment. Many pupils participated but due to the anonymity of the internet several perpetrators were never caught. Jessica felt ashamed; eventually she started to believe those lies herself. It was not until Jessica changed schools that the humiliations ended.
