THE ELEMENTS A Visual Exploration of Every Known Atom in the Universe

Author: Theodore Gray

Publisher: Black Dog and Leventhal Publishers

Author Biography

Theodore Gray is the author of *Popular Science* magazine's "Gray Matter" column, the proprietor of periodictable.com and the creator of the iconic photographic periodic table poster seen in universities, schools, museums and TV shows from "Myth Busters" to "Hannah Montana". In his other life he is cofounder of the major software company Wolfram Research, creators of the world's leading technical software system, *Mathematica*™. He lives in Champaign-Urbana, Illinois.

Praise for *The Elements*

"This glorious book is more than just a guide to the elements; it will fundamentally deepen your appreciation of the substances that make up our world."

-- **Oliver Sacks, author of *Awakenings*, *Musicophilia*, *Uncle Tungsten*, and many others**

"This is literally the most colorful account of the chemical elements that I have ever read. It combines the key data about every element with lighthearted text that makes it a pleasure to read. Theodore Gray is to be congratulated on producing a masterpiece of popular science."

The Kill Bill Diary: The Making of a Tarantino Classic as Seen Through the Eyes of a Screen Legend

Author: David Carradine
Publisher: HarperCollins

Author Biography

A longtime actor on stage and screen, David Carradine was the star of the classic television series Kung Fu. The author of three previous books and the maker of six popular instructional workout videos, Mr. Carradine lived in Los Angeles, California.

“Along with laying bare his personal deliberations, Carradine also provides an informative exploration of the world of filmmaking, from what it takes to shoot in China to how many (soon to be bloodied) shirts you need for a fight scene. “

—**Publisher’s Weekly**

“... in this mixture of autobiography, biography, and behind-the-scenes account, the director emerges as a rare and enigmatic talent and a true film genius. Despite the book's diary format, it is surprisingly fluid and graceful; Carradine is a stylish and witty writer.”

Riding on the Edge: A Motorcycle Outlaw's Tale

Author: John Hall

Publisher: Motorbooks

Author Biography

John Hall, a former chapter president of the Long Island Pagans, has done time in the state pen, as well as Penn State, where he taught history, American studies, rhetoric, and mathematics. He also worked as a bouncer, bartender, bookmaker, stonemason, professional gambler, law clerk, and freelance journalist. He has written over 400 syndicated opinion columns, which have appeared in over a dozen newspapers, including the *Houston Post* and the *Pittsburgh Post-Gazette*. He has raised seven children, half the time as a single parent. He currently lives in a 127-year-old dilapidated farmhouse in the Appalachian Mountains, where he seeks what George Jean Nathan once described as the three essentials of life: reasonably well-prepared food, a moderately alcoholic diet, and the amiable company of amiable women.

Praise for *Riding on the Edge*

"Few people are able to retrospectively recount the life of an outlaw biker with such accuracy and candor as John Hall, mostly because few people so deeply entrenched within such a culture ever make it out alive... Whether you are interested in the sociology of such sub cultures or just want to read a firsthand account of life within an outlaw biker club, *Riding on the Edge* will surely quench this thirst like a cold beer at a biker rally."

-- **Motorcycle.com**

"*Riding on the Edge* breaks down the stereotypes and newspaper headlines to reveal the raw moments in time which spawned them. John Hall's writing is so down-to-earth it seems as if you're listening to a favorite uncle spin a tale."

Everything I Ever Needed To Know About _____ *I Learned From Monty Python; *History, Art, Poetry, Communism, Philosophy, the Media, Birth, Death, ... Mythology, Fish Slapping, and Many More!

Author: Brian Cogan Ph.D and Jeff Massey Ph.D

**Publisher: Thomas Dunne
books**

Author Biography

DR. BRIAN COGAN is an associate professor and chair of the Department of Communication at Molloy College. The author of *The Encyclopedia of Punk*, he has also written numerous articles on punk rock, comic books, and the intersection of politics and popular culture. □□

DR. JEFF MASSEY is professor of English at Molloy College. He is the vice president of MEARCSTAPA, the coeditor of *Heads Will Roll!: Decapitation in the Medieval and Early Modern Imagination*, and the author of sundry articles

Praise for *Monty Python*

“The authors clearly know their Python, and they also know how much the Pythons themselves knew about virtually everything, up to and including the Spanish Inquisition.” □—*The New York Times*

□□“The authors get the jokes as well as the anger behind many of them...With helpful books like this one, readers may be more alert to the persistent absurdities of modern life and to the bracing anarchy preached by Monty Python.” □—*The Washington Post*

□□“Here devoted Python fans Cogan and Massey suggest that what made the show unique was its many in-jokes and references to history, philosophy, politics, pop culture, the arts, the sciences, and . . . well, pretty much everything[...]Their argument is undeniably persuasive: as anyone who’s spent the best years of his or her life becoming a word-perfect reciter of Python sketches will tell you, there’s a lot to be learned, if you just pay attention.” □—*Booklist*□□

“Monty Python fans will applaud the efforts of fellow fans Cogan and Massey who introduce the surreal comedy group to the uninitiated by exploring the historical, political, literary, artistic, and even religious contexts for many of the troupe’s sketches.” □—*Publishers Weekly*

No End in Sight: My Life as a Blind Iditarod Racer
Author: Rick Steber and Rachel Scdoris
Publisher: St. Martin's Press

Author Biography

Rachael Scdoris is a dog sled racer who grew up in the Pacific Northwest. She participated in her first Iditarod sled race in 2005 and she became the first legally blind musher to finish the race in 2006. Rick Steber grew up running sled dogs, and is the author of a number of nonfiction books. They both live in Oregon.

Praise for *No End In Sight*

"Rachael Scdoris is not one to walk away from a challenge. She's already an accomplished musher, but it is her character and perseverance which are most exceptional."

-- ***The Frontiersman***

"People identify with Rachel. People see Rachel as a role model for those facing challenges in their own lives."

-- ***Mushing Magazine***

"This memoir could have been one of those movie-of-the-week tearjerkers (something called *Blind Determination*, perhaps), but, thankfully, it is instead a straightforward recounting of the author's unique odyssey. The book is inspirational, but the inspiration comes not from preachy you-can-do--anything lectures, but from Scdoris herself, who surely proves that nothing is impossible."

Survive: My Fight for Life in the High Sierras

Author: Peter DeLeo

Publisher: Robson Books Ltd

Author Biography

Peter DeLeo spent years recovering from his injuries before resuming his adventurous life. He has raced motorcycles professionally, founded and run a software company, and now manages real estate. Since his plane crash, survival, and recovery, he has motorcycled from California to the South American Andes, a one-way eighteen-month trip of more than 30,000 miles. He now lives in Connecticut and hopes soon to fly around the world.

Praise for *Survive*

"It deserves its place in the canon of survival literature."

-- ***Publishers Weekly***

"The saga of [DeLeo's] heroism, along with the way it changed his life, makes for fascinating reading and is a testament to the dogged determination to live against all odds. For anyone interested in real-life adventure, coping with the natural world, or simply seeking a good read."

Eddie Factory Girl

Author: David Dalton and Nat Finkelstein

Publisher: VH1 Press

Author Biography

David Dalton was just seventeen when he became Warhol's assistant and was witness to Edie's rise and subsequent unraveling. Nat Finkelstein entered the Factory just as Warhol was emerging as the supreme catalyst of the '60s. Nat found Andy's misbegotten princess the most fascinating and enigmatic character of her time and with a compassionate lens, recorded her fragile, fleeting beauty. Together they offer a privileged glimpse into Warhol's inner sanctum, via revealing interviews with intimates, friends and scenesters, in which Edie orbits around the likes of Bob Dylan, Lou Reed, Judy Garland and many more before departing as quickly as she came.

Under Their Thumb: How a Nice Boy from Brooklyn Got Mixed Up with the Rolling Stones (and Lived to Tell About It)
Author: Bill German
Publisher: Villard

Bill German was born in Brooklyn, New York, in 1962. His life turned upside down when, at age ten, he first heard the Rolling Stones' *Get Yer Ya-Ya's Out* album. By age sixteen, he was chronicling the Stones' activities in *Beggard Banquet*, the fanzine he launched from his bedroom. The band took note and eventually declared *Beggard Banquet* their official newsletter. German traveled the world with the Stones and was welcomed into their homes. He co-authored *The Works* with guitarist Ron Wood, and wrote about the group for *Rolling Stone* and *Spin*. He's been profiled on MTV and VH1, and has reported on the Stones for various radio stations across the United States, such as WZLX in Boston, KLOS in Los Angeles, WCSX in Detroit, and both WNEW and K-Rock in New York. German majored in journalism at New York University until he dropped

out to follow the Stones. He lives in New York City, where he refers to his Manhattan studio apartment as "the House the Stones Built."

Praise for *Under Their Thumb*

"German is party to all sort of Stones' doings, many of which are enjoyable, quite a few of which are scandalous. **Great rock 'n' roll Babylon stuff.**"

- Booklist (Starred Review)

"The **epic tale** of an obsessive teenager who launched a *Rolling Stones* fanzine and spent the next two decades capturing the band's whirlwind metamorphosis from behind the scenes....**First-rate, firsthand account** of the world's greatest rock 'n' roll band, and a disenchanting chronicle of its increasingly crass commercialization."

Author Biography

Jim Steinmeyer has designed illusions for today's leading magicians and theatrical productions, from Ricky Jay to Siegfried & Roy and "Mary Poppins," set on the London stage in 2004. His first book was *Hiding the Elephant: How Magicians Invented the Impossible and Learned to Disappear*.

Praise for *The Glorious Deception*

"In conjuring up, if one may so phrase it, the early vaudeville era, [Steinmeyer] displays an expert's grasp of the mechanics behind the magic tricks of the day and a keen appreciation of the technologies that allowed stage artists to play new variations on classic illusions."

Jim Steinmeyer has designed illusions for today's leading magicians and theatrical productions, from Ricky Jay to Siegfried & Roy and "Mary Poppins," set on the London stage in 2004. His first book was *Hiding the Elephant: How Magicians Invented the Impossible and Learned to Disappear*.

Praise for *The Greatest Magician*

"...does justice to the Golden Age of Magic and to a man who, in the author's words, was "a distinctive mixture of ignoble confidence games, personal desperation, and a masterful talent to amaze and surprise."

-- **The Washington Post**

"...vividly conjures up Howard Thurston's troubled life and great illusions."

-- **The Wall Street Journal**

"Jim Steinmeyer knows the outside-in world of magic from the inside: he is a celebrated 'invisible of the man'—inventor, designer, and creative brain behind many of the great stage magicians of the last quarter century.... Steinmeyer writes about events a century ago as vividly as if he had been there: and in a sense, he has been....No author has ever better conveyed the way the love of conjuring consumes a magician's life with magic's joys terrors and and longings."

Kanye West is a major hip-hop music star and the winner of eight Grammy Awards. He lives in Santa Monica, California. **Bill Plympton** is an Oscar-nominated filmmaker and illustrator/cartoonist whose work has appeared in such magazines as *Viva*, *Penthouse*, *Rolling Stone*, *National Lampoon*, and *Glamour*. He personally draws and colors each of the cels for his animated films. He lives in New York City.

Praise for *Through The Wire*

"Aesthetically, the book is not far from the mind-warped visuals that Mr. West so often gives us, like his recent publicly released video short with director Spike Jonze... this will once again be a Kanye West collectors item."

-- **SlamXHype**

"By interweaving picture with song, *THROUGH THE WIRE* illustrates a remarkable timeline of Kanye's journey, undoubtedly providing readers the most vivid analysis of Kanye's life and lyrics to date. It offers not only a collection of the life lessons behind the songs that propelled Kanye into mainstream stardom, but also gives a closer look at the rise of pioneering superstar."

Beneath the Mask of Holiness: Thomas Merton and the Forbidden Love Affair that Set Him Free

Author: Mark Shaw

Publisher: Palgrave Macmillan Trade; 2009

Author Biography

Mark Shaw is a "reformed" criminal defense lawyer and radio/television personality turned author. Curious about the theological aspects of conversion and other spiritual topics, he graduated from San Francisco Theological Seminary with a Masters degree in theological studies in 2008. His many published works include *Melvin Belli*, *King of the Courtroom*, *Miscarriage of Justice*, *The Jonathan Pollard Story*, *Forever Flying*, the autobiography of famed aviator R. A. "Bob" Hoover, *Larry Legend*, a biography of NBA superstar Larry Bird, and *Testament to Courage*, the poignant memoir of Holocaust survivor Cecelia Rexin. He has also written *Down for the Count*, an investigative look at the Mike Tyson rape trial, and *The Perfect Yankee*, a chronicle of New York Yankee pitcher Don Larsen's perfect game in the 1956 World Series.

An avid collector of Ernest Hemingway books and a great fan of the Chicago Cubs, Mark is married to Wen-ying Lu, a linguistics librarian at Michigan State University. Currently he resides with his wife and their beloved Labrador, Black Sox, in Boulder, Colorado.

Praise for *Beneath the Mask of Holiness*

"[This book] can only deepen and add weight to our respect for this scrupulous, devoted, and tormented man."
-- **Ron Carlson, author of *Five Skies***

"An accurate portrayal of Thomas Merton. He had a great need for love."
-- **Dr. Rudy Bernard, Merton's fellow monk at Gethsemani**

"This book will provide people with a new view of the deeply human, but transcendent, love story of Thomas Merton--loving God and loving a woman. [It will be] a great contribution to the spiritual journey of thousands of people."

Tereba lives in Los Angeles.

Praise for *Mickey Cohen*

"Mickey 'The Hood With Nine Lives' Cohen finally gets his due. With great style and boatloads of new information, Tere Tereba has crafted a page-turner about the greatest gangster LA has ever seen. Celebs, gamblers, politicians—for decades they all bowed to Cohen's vise-grip on Southern California. Few lived on the edge as long as Cohen, and fewer still earned a biography this entertaining. As MC himself might say: 'Buy it if you know what's good for you.'"

- **Gus Russo**, author of *The Outfit and Supermob*

"The underworlds of all great North American cities have at one time or another been dominated by an iconic gangster. For Los Angeles, that meant Mickey Cohen, native son. This highly factual, rapidly-paced biography chronicles not only tough-guy poster boy Mickey, but the City Noir whose appetites and ambitions he serviced, exploited, and, paradoxically, exemplified."

Author: Mark Ribowsky

Publisher: Liveright

Author Biography

Mark Ribowsky is the highly praised author of Howard Cosell and the New York Times Notable Book Don't Look Back: Satchel Paige in the Shadows of Baseball. He lives in Clearwater, Florida.

"A meaty biography of one of the NFL's legendary coaches...[Ribowsky] provides as complete a picture of 'God's Coach' as we're likely to get. A must-read for fans of 'America's Team' and, given Landry's impact on the game, for Cowboy haters too."

-- ***Kirkus Reviews***

"In Ribowsky's authoritative biography, Landry appears more stoic king than coach, his ever-present fedora serving as a crown...Ribowsky's thorough examination of a surprisingly complicated man offers original reporting, which serves here as merely a complement to this impressively researched work...An eloquent, honest tribute to a football genius."

-- ***Publishers Weekly (starred review)***
