THE HANGED MAN
by **K.D. Edwards**
Book #2 in the Tarot Sequence

Pyr, January 2019

“A fast-paced mystery, and an original magical hierarchy.” – Library Journal, starred review

The Tarot Sequence imagines a modern-day Atlantis off the coast of Massachusetts, governed by powerful Courts based on the traditional Tarot deck.

Rune Saint John, last child of the fallen Sun Throne, is backed into a fight of high court magic and political appetites in a desperate bid to protect his ward, Max, from a forced marital alliance with the Hanged Man.

Rune's resistance will take him to the island's dankest corners, including a red light district made of moored ghost ships; the residence of Lady Death; and the floor of the ruling Convocation, where a gathering of Arcana will change Rune's life forever.

K.D. lives and writes in North Carolina, but has spent time in Massachusetts, Maine, Colorado, New Hampshire, Montana, and Washington. (Common theme until NC: Snow. So, so much snow.)

Mercifully short careers in food service, interactive television, corporate banking, retail management, and bariatric furniture has led to a much less short career in Higher Education.

Araskar knows that he must hold them back, but to do that, he has to give himself over to the Resistance, under the command of John Starfire's wife. And she wants him dead more than she wants the stars to live.

RED, WHITE AND ROYAL BLUE

by Casey McQuiston

St. Martins Griffin, June 2018

"Absorbing, hilarious, tender, sexy – this book had everything I crave!" - Christina Lauren, *New York Times* bestselling author of *Love and Other Words* and *Roomies*

First Son Alex Claremont-Diaz is the closest thing to a prince this side of the Atlantic. With his intrepid sister and the Veep's genius granddaughter, they're the White House Trio, a beautiful millennial marketing strategy for his mother, President Ellen Claremont. International socialite duties do have downsides—namely, when photos of a confrontation with his longtime nemesis Prince Henry at a royal wedding leak to the tabloids and threaten American/British relations.

The plan for damage control: staging a fake friendship between the First Son and the Prince. Alex is busy enough handling his mother's bloodthirsty opponents and his own political ambitions without an uptight royal slowing him down. But beneath Henry's Prince Charming veneer, there's a soft-hearted eccentric with a dry sense of humor and more than one ghost haunting him.

Casey is a writer – books, essays, books, articles, books. She writes stories to make you laugh, to make you feel your feelings, to make the marginalized and queer and weird people of the world feel like there's a place for them in bright, joyful fiction, too.

*In the Great American Indian novel, when it is finally written, all of the white people
will be Indians and all of the Indians will be ghosts.*

— Sherman Alexie, *How to Write the Great American Indian Novel*

You maintain a menu of a half dozen Experiences on your digital blackboard, but Vision Quest is the one the Tourists choose the most. That certainly makes your workday easy. All a Vision Quest requires is a dash of mystical shaman, a spirit animal (wolf usually, but birds of prey are on the upswing this year), and the approximation of a peyote experience. Tourists always come out of the Experience feeling spiritually transformed. (You've never actually tried peyote, but you did smoke your share of weed during that one year at Arizona State, and who's going to call you on the difference?) It's all 101 stuff, really, these Quests. But no other Indian working at Sedona Sweats can do it better. Your sales numbers are tops...
