That is, until Emmy finds a piece of evidence he can't afford to ignore. More murders are reported by the day--and they're all inexplicable. No motives, no murder weapons, no suspects. Could one person really be responsible for these unthinkable crimes?

NYPD RED #6

December 2020

In this heart-stopping thriller, a brazen kidnapper targets the most lavish New York City wedding of the season—and takes "Here Comes the Bride" as an invitation.

Reality star Erin Easton's "Wedding of the Century" may have a cable crew documenting every extravagant bridal detail, but when "Airhead Easton" disappears from the reception, it's no diva turn. Her dressing room is empty but for a blood-spattered wedding gown and signs of a struggle.

Detective Kylie MacDonald of NYPD Red, already on-scene as a plus-one, loops in her partner, Detective Zach Jordan to activate Level One mobilization for this PR nightmare. But when Erin's "proof of life" video makes it to air -- rather than to evidence -- every A-lister on the guest list becomes a target of suspicion . . . or just a target.

THE INSTANT #1 NEW YORK TIMES BESTSELLER—How did a kid whose dad lived in the poorhouse become the most successful storyteller in the world?

- On the morning he was born, he nearly died.
- Growing up, he didn't love to read. That changed.
- He worked at a mental hospital in Massachusetts, where he met the singer James Taylor and the poet Robert Lowell.
- While he toiled in advertising hell, James wrote the ad jingle line "I'm a Toys 'R' Us Kid."
- He once watched James Baldwin and Norman Mailer square off to trade punches at a party.
- He's only been in love twice. Both times are amazing.
- Dolly Parton once sang "Happy Birthday" to James over the phone. She calls him J.J., for Jimmy James.
- Three American presidents have invited him to golf with them.

How did a boy from small-town New York become the world's most successful writer? How does he do it? He has always wanted to write the kind of novel that would be read and reread so many times that the binding breaks and the book literally falls apart. As he says, "I'm still working on that one."

THE LAST DAYS OF JOHN LENNON

Discover one of the greatest true crime stories in music history, as only James Patterson can tell it.

With the Beatles, John Lennon surpasses his youthful dreams, achieving a level of superstardom that defies classification. “We were the best bloody band there was,” he says. “There was nobody to touch us.” Nobody except the original nowhere man, Mark David Chapman. Chapman once worshipped his idols from afar—but now harbors grudges against those, like Lennon, whom he feels betrayed him. He’s convinced Lennon has misled fans with his message of hope and peace. And Chapman’s not staying away any longer.

By the summer of 1980, Lennon is recording new music for the first time in years, energized and ready for it to be “(Just Like) Starting Over.” He can’t wait to show the world what he will do.

Neither can Chapman, who quits his security job and boards a flight to New York, a handgun and bullets stowed in his luggage.

The greatest true-crime story in music history, as only James Patterson can tell it. Enriched by exclusive interviews with Lennon’s friends and associates, including Paul McCartney, *The Last Days of John Lennon* is the thrilling true story of two men who changed history: One whose indelible songs enliven our world to this day—and the other who ended the beautiful music with five pulls of a trigger.
