Outlander meets Bridget Jones's Diary in Jane Austen's Regency England

C-list actress Tess Bright grew up in a messy SoCal apartment watching Jane Austen flicks on repeat with her mom. When Mom passes away and Tess lands a breakout role as the female lead in a *Northanger Abbey* adaptation, she emerges from her grief cocoon with everything to prove. One big problem? Her upsettingly handsome castmate, Hugh Balfour, whose rigid acting methodology allows no room to collaborate with a go-with-the-flow whirlwind like Tess.

When sparks fly between the leads (literally) and an electrical accident zaps the pair back in time to the Regency era, Tess and Hugh must grudgingly learn to cooperate, leaning on each other to navigate the strict protocols of the past and find their way back home. Soon, they're faking an engagement to misdirect the neighbors' suspicions about their sudden arrival in country society.

Between militia rakes, nosy ancestors, and persistent suitors, the couple is swept into a comedy worthy of Austen herself. Tess never thought she could fall for anyone as uptight as Hugh, but as she gets to know his sensitive side, she realizes she might have misjudged him. With the romantic tension swelling between them, and her childhood fantasy made miraculously real, what happens if Tess doesn't want to risk what they have by returning to her lonely 21st century reality?

Gorgeous and devastating, P. H. Low's debut fantasy is a richly reimagined tale of Captain Hook's origin, a story of cruelty, magic, lost innocence, and the indelible power of stories.

Jordan was once a Lost Boy, convinced she would never grow up. Now, she's twenty-two and exiled to the real world, still suffering withdrawal from the addictive magic Dust of her childhood. With nothing left to lose, Jordan returns to the Island and its stories—of pirates and war and the heartlessness of youth—intent on facing Peter one last time, on her own terms.

If that makes her the villain...so be it.

A stand alone queer romantic comedy from the #1 *New York Times* bestselling author of *RED, WHITE & ROYAL BLUE!*

Theo and Kit have been a lot of things: childhood best friends, crushes, lovers, and now estranged exes. After a brutal breakup on a flight to their dream European food and wine tour, they exited each other's lives.

Time apart has done them good. Theo is a bartender and an aspiring sommelier with a long roster of lovers. Kit graduated as the reigning sex god of his pastry school and now bakes at one of the finest restaurants in Paris. All that remains is the unused voucher for the European tour that never happened. Four years later, it seems like a great idea to finally take the trip. Solo. Separately.

It's not until Theo and Kit board the tour bus that they discover they've both accidentally had the exact same idea, and now they're trapped together for three weeks of the most romantic sights and sensuous flavors of France, Spain, and Italy. But it'll be fine, as long as they agree they're absolutely over each other.

So, when Theo suggests a friendly wager to see who can sleep with their hot Italian tour guide first, Kit is game. In fact, why stop there? Why not a full-on European hookup competition?

But sometimes a taste of everything only makes you crave what you can't have.

But a month before graduation, Shara kisses Chloe and vanishes.

On a furious hunt for answers, Chloe discovers she's not the only one Shara kissed. There's also Smith, Shara's longtime quarterback sweetheart, and Rory, Shara's bad boy neighbor with a crush. Elissa R. Sloan, author of *THE UNRAVELING OF CASSIDY HOLMES*, returns with a sweeping drama about two A-list stars—and former star couple—as they cross each other's paths over and over again through the years, in a story that examines the work we have to do in order to grow into the people we want to become.

Maiko Fox and Adrian Hightower were young, beautiful, in love...and famous. The latest model to grace the Valentina Posh runway show and the hottest new superhero actor were Hollywood's breakout couple. They were in every magazine, the most popular celebrity-blog topic, and on countless *E! News* stories.

Then they starred in a blockbuster film together, reaping box-office gold. Fans were at a fever pitch. Everyone couldn't get enough of *Madrian*, the couple that printed money for the studios, for the paparazzi, for themselves.

But then, their relationship crumbled.

Years later, with Adrian topping the Hollywood A-list as a writer and director, dating the country's biggest pop star, and Maiko starring in movies with her celebrated producer-director husband, they live totally different lives. But they can never be too far apart. *Madrian* is still a box office draw, and the studios keep throwing them together.

As the two grow more and more entangled professionally, Maiko and Adrian have to reckon with themselves: are they happy with their current lives? Or have they grown to be better people when with each other?

"Heart-wrenching and riveting" - Ella Berman, author of *The Comeback* on HAYLEY ALDRIDGE IS STILL HERE
