GHOSTER HEIGHTS

A haunting and hopeful standalone middle grade graphic novel about a girl learning to move past her grief with help from a friendly ghost. For fans of *Small Spaces* by Katherine Ardeen and *Ghosts* by Raina Telgemeier.

Eight-year-old Ona has lost just about everything: her home, her possessions, her mother, and almost her life.

When she and her father move into her Baba's apartment complex after these traumatic events, they had hoped for a clean start. But a mysterious specter follows her, and Ona befriends the ghost she discovers haunting the boiler room.

When her new friendship starts allowing her to see other ghosts—the ghosts who haunt the other residents of her building—she decides to use her ability to help her new neighbors face their troubles and free themselves from their specters. In doing so, however, Ona must eventually come face to face with a much darker foe—her own trauma and grief. The earnestness of Judy Bloom meets the raw emotion of Joe Kelly and JM Ken Niimura's *I Kill Giants* in this beautifully hopeful story of childhood tragedy.

"This contemplative story will leave readers with a lot to consider about the difficult emotions in their own lives. The artwork has a soft, rounded style reminiscent of *Steven Universe* and should attract readers. Reading groups and educators will find a lot of discussion points in this quirky, heartwarming story of love, loss, and acceptance...Hauntingly wonderful."

The Haunting of Hog House is the first of three middle grade graphic novels being released in a partnership between Angry Birds and Rocketship Entertainment. The other titles are currently titled *Breaking the Bank* and *Level Up*. The three graphic novels will be offered in a Kickstarter pre-order campaign along with limited edition exclusive merchandise in 2025.

The graphic novel series will be written by three-time Eisner Award-winner and *New York Times* bestselling author Paul Tobin (*Plants vs Zombies*, *Adventure Time*, *Messenger*) and illustrated by renowned artist Thom Zahler (*My Little Pony*, *Cupid's Arrows*).
