THE MIDNIGHT CLUB

- “A strange, riveting, brilliant fable. Like a fever-dream of **Donna Tartt’s *The Secret History***.”
—**LEV GROSSMAN**
- “...in this **taut and introspective time-travel thriller** from Harrison. . .Harrison meticulously weaves flashbacks, elaborate time-travel twists, and the perspectives of each main character into a suspenseful saga about regret and missed opportunities. Four friends solve the decades-old murder of their best friend with the help of a drug that can not only bring them back to the past, but change it.

It’s been twenty-five years since *The Midnight Club* last convened. A tight-knit group of college friends bonded by late nights at the campus literary magazine, they’re also bonded by something darker: the death of their brilliant friend Jennet junior year. But now, decades later, a mysterious invitation has pulled them back to the pine-shrouded Vermont town where it all began.

As the estranged friends gather for a weeklong campus reunion, they soon learn that their host has an ulterior motive: she wants them to uncover the truth about the night Jennet died, and she’s provided them with an extraordinary method—a secret substance that helps them not only remember but *relive* the past.

But each one of the friends has something to hide. And the more they question each other, the deeper they dive into their own memories, the more they understand that nothing they thought they knew about their college years, and that fateful night, is true.
