The Favorite Girl

THE FAVORITE GIRL | 2 BOOK SERIES

Every family has secrets—dark ones, twisted ones, ones they hide.

The Ivory family is no different. From the outside of their gated estate, one would see a beautiful, wealthy family. But the more perfect they seem, it only shows how many imperfections they are trying to bury. When Demi Rao, a young woman, is at her wits' end and on the run from escaping her captor, she comes across an employment ad from the Ivory family, looking for someone to help maintain their elaborate estate. Although the ad is strange with meticulous directions to wear all white, no makeup, and speak quietly, Demi applies. With no choices, Demi gets and accepts the job, and when she does, she quickly realizes she's not there to clean; she's there for a purpose. They picked her. They chose her. They've always known her. Behind the doors of the pristine estate lie secrets, a lethal human experiment, and Demi's entire life planned out for her.

The Ivorys have picked a favorite girl.
And it might just be her.

The Arranged Marriage

Exciting new release from a bestselling thriller author.

My parents were burdened with two baby girls. Yes, burdened. A son would have been a blessing, but a daughter was only an expense. They didn't have a legacy to carry on their name—they'd have to pay a dowry and fund an elaborate wedding.

I was forced to marry a stranger, though my parents assured me I'd learn to love him. Worst of all, the man I'm being forced to marry is my dead sister's husband. She left our home in a wedding dress and came back home in an urn.

Once I moved into the tattered estate with my new husband, I realized maybe my sister wasn't dead. Maybe she's still here after all...

Monica Arya **Don't Believe Him**

An Amazon Top 35 bestselling and award-winning thriller author.

Our marriage started out as a scandal. He was my professor, and I was his student. But every scandal eventually fades. I just didn't know our love would, too.

We had it all—a lake house, two kids, and twenty years of marriage. Except, our marriage was no longer exciting. We scheduled intimacy, ate meals in silence, and became strangers.

Our kids went off to college, and we were now empty-nesters, trying to reconnect. But my husband, a psychology professor and thriller novelist, had other plans. Perhaps writing a fictional novel had him living in a false reality? Perhaps he was having a mid-life crisis?

He didn't want to reconnect with me; he just wanted to replace me. Worst of all, the girl he was having an affair with was our son's girlfriend.

Betraying me was one thing, but betraying our son...? I had to make him pay.

So, I hired my son's girlfriend to lure my husband and to stay away from my son. But soon after, bodies began to turn up, the truth started to blur, and lies began to grow.

My husband swore I was overreacting and nothing is as it seems, but I don't believe him.

Navy Lies

An Amazon Top 35 bestselling and award-winning thriller author.

Bestselling author, Monica Arya flips the script with this revenge and obsession based thriller for fans of Dexter and You.

Living in the shadows for years means you know just how dark things can be.

She's married to the man who should have been mine.

She's raising the child who should have been mine.

She's living the life that should have been mine.

Her family destroyed and tormented me.

They thought they had gotten rid of me like mere trash.

But here I am.

Lurking in the shadows.

Watching their every move, plotting and planning.

They thought they were powerful.

But here I am.

I may have to lie my way into their perfectly tailored lives, weaving and snaking myself into their safe haven.

All I know is this isn't a simple white lie I'll have to tell. I'll have to tell a dark one, a destructive one...

A navy lie.

And when I do, I'll take back everything that is mine.

The Next Mrs. Wimberly

An Amazon Top 35 bestselling and award-winning thriller author.

Happily ever after isn't guaranteed...

Brooke Montgomery has struggled ever since her parents died in a tragic accident, leaving her alone and heartbroken at a young age. Working double shifts just to pay the mounting bills was a cycle she seemingly couldn't break from.

Until she met him...

The charming and handsome surgeon, Noah Wimberly.

Dr. Noah Wimberly's first wife, Riya, mysteriously died, yet her body was never found. When Noah meets Brooke, who has an uncanny resemblance to Riya, Noah knows he can't let Brooke go.

She's his mid-life crisis.

He's her way out.

The only problem is Brooke starts to realize that the tight-knit Laguna Beach society she's now immersed in has a strange way of protecting its own, and she may need to unearth deadly secrets before it's too late. The next place after the honeymoon doesn't seem like it'll be home.

Will she be able to handle what's coming for the next Mrs. Wimberly, for better or for worse?

Shades of Her

An Amazon Top 35 bestselling and award-winning thriller author.

She's being watched when she doesn't want to be seen...

When former beauty pageant queen, Sage Miller, leaves her life in New York City for a quiet life in the suburbs down South, she thinks she has finally found solace from her dark past riddled with bad habits. Sage, now married and a stay-at-home mom of two, is learning that you can have it all... just not at the same time, and not unless you get creative. Replacing her tiara with a messy bun and late-night parties with rocking her young children to sleep, her new life behind a white picket fence seems like the cleanest place to hide her dirtiest secrets.

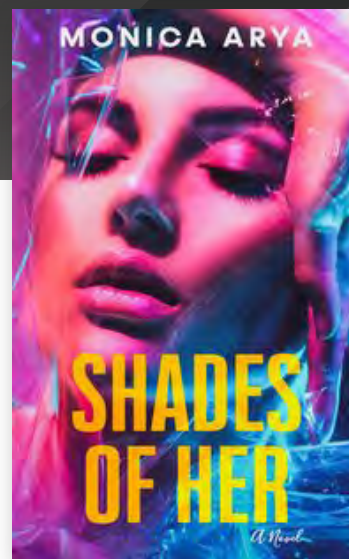

A slew of murders, suspicious events, and devious affairs begin to unravel in the sweet suburbs Sage calls home, and she realizes that something far more sinister is happening. She thought she enjoyed being watched and wanted, but now someone is watching her when she doesn't want to be seen. Someone is lurking in her shadows, obsessing over her, and digging up secrets she thought were buried.

The only problem with secrets is once someone knows them, they will either protect you fiercely or fiercely destroy you. After receiving startling images and messages, Sage quickly realizes that once you're a sinner, no amount of repentance can make you a saint.

Roses are red, violets are blue, someone is dead, let's hope it's not you...

Monica Arya **Girl in the Reflection**

An Amazon Top 35 bestselling and award-winning thriller author.

What happens when our dreams and reality begin to blur together?

Serena Indigo has the perfect life. A handsome husband, a beautiful daughter, a gated home, and a rewarding career as a physician, specializing in obstetrics and gynecology. She's helped hundreds of people complete their families, which means all that more to her considering the lengths she went through for her own child. She even has a private practice with her best friend, Parker Sully, who is easy on the eyes and kinder on the soul. Sure, she sets herself to extremely high standards and is obsessed with perfection—which triggers a darkness of her own—but she's managed to keep it under control.

She's always in control.

When suspicious things start to unravel, Serena begins to lose control over the perfection she thrives off of. Her husband breaks the vows he promised her, her neighbors aren't the sweet family next door and her perfect life seems more like the perfect lie. Her world crumbles in front of her eyes as she tries to piece it all together, but what happens when we look into our reflection and the pain of our past haunts our present?

After all, you can't piece together a broken mirror and expect to see the same reflection...

Richard Thomas
Incarnate

"Reading Incarnate is a visceral experience—weird cosmic horror at its purest. Brutal and unforgiving, Thomas's novel is epic in its scope and ideas." —Sam Rebelein, Bram Stoker Award-nominated author of Edenville

In a frozen tundra, a sin-eater fights for redemption and absolution as monstrous creatures ravage a community already struggling to survive.

Sebastian Pana is a sin-eater, a shaman-like figure who can absolve the dead of their transgressions before they move on to the afterlife. But when a tear in the fabric of reality allows hideous beasts to invade the small arctic town he calls home, Sebastian must wage battle with them the only way he knows how: by unleashing the power of sin itself.

Thus, the stage is set for an epic confrontation between the forces of good and evil, in which a mother monster strives to save the dying land around her—and a young Inuit boy, haunted by Sebastian's fate, risks everything to forge a new way forward for the desperate vestiges of humanity. As an obliterating darkness descends from the frozen mountains, this profoundly redemptive tale will build toward a climactic showdown in which nature and the supernatural collide with the eternal quest for healing and forgiveness.

AUTHOR BIO

Richard Thomas is the award-winning author of nine books. These include the novels Incarnate, Disintegration, Breaker, and Transubstantiate; the collections Spontaneous Human Combustion, Tribulations, Staring into the Abyss, and Herniated Roots; and a novella, collected in The Soul Standard. Thomas has been nominated for Bram Stoker, Shirley Jackson, ITW Thriller, and Audie awards. He has more than 175 stories in print.

Abe Moss
Morsels

Meeting the family is scary. Surviving them is a nightmare.

Connie can't deny she's nervous about meeting her boyfriend's family. Spending the weekend at their ritzy woodland summer home, Evan's already given her fair warning that his parents are cold, snobbish, and especially unpleasant toward those outside their usual social circles.

So when Evan's mother warmly greets them with open arms, Connie is as confused as he is. Evan's parents are nothing like he described. They're so friendly, in fact, Evan himself can hardly believe they're real.

Then, while helping Evan's mother with dinner preparations Connie overhears strange noises coming from the basement—what almost sounds like voices calling out for help.

Connie doesn't realize that once the door is opened, it can't be closed. Or that once she descends those rickety steps into the darkness below... she may never see the light of day again.

From horror author Abe Moss comes a relentlessly fast-paced supernatural nightmare that will have you listening late into the night and afraid to turn out the lights long after you're done.

AUTHOR BIO

Abe Moss has been writing horror stories for as long as he can remember, and hopes to never stop. So far he's written over 20 novels, and with each book he hopes to try something a little different. The possibilities are endless and that's what he really loves about storytelling. He hopes you'll enjoy his stories, too!

The Restless Ones

There's no rest for the wicked... or the dead they've left behind.

It's been four years since the Hartnett House Massacre. Four years since Whitley Adams rescued her sister, Nora, from a nightmare she herself still struggles to escape.

When a documentary filmmaker expresses interest in telling their story, Whitley's sister believes it could be the answer to all their troubles. A chance to finally confront their past, and move on with their lives once and for all.

The past isn't the only thing waiting at Hartnett House. More than memories roam its forgotten halls. More than shadows lurk behind its dark, unwashed windowpanes. Something sinister has awaited Whitley's return since that fateful night four years ago, biding its time for one thing, and one thing only...

Revenge.

Once You're Mine
 POSSESSING HER | 2 BOOK SERIES

Murder brought us together. Only death can keep us apart.

The Tormentor

Calista belongs to me... she just doesn't know it.

The first time we met, I wanted her.

The next time, I was obsessed.

I watched her.

I followed her.

It only deepened my need to possess her.

Once she's mine, I'm never letting her go.

The Target

Hayden Bennett is a monster, in and out of the courtroom.

Unfortunately, I need his help.

What was supposed to be a simple transaction turns into something else.

Something intense.

He's always there when I need him, but I don't know if trusting him is a good idea...

AUTHOR BIO

Morgan is a lover of anti-heroes, deep and thought-provoking books with beautifully written words, romance that's sigh-worthy, scenes that are so hot she blushes, and heroines that inspire her to the point she wants to take their place.

A Match Made in Hate

DARK & DIRTY VOWS | 4 BOOK SERIES

From the bestselling author of the Possessing Her series.

I hated her before I even knew her name.

My bride. The daughter of my enemy. She's nothing more than a part of my revenge.

I'm the one who holds her life in my hands. As well as her body. And soon, her very will. Yet, she refuses to break.

This woman disarms me, not with weapons but with words. And not with a fist, but with a simple kiss. But a match made in hate can have no other ending except war.

Welcome to the dark side...

Attending a party with my stepbrother, I'm in for the surprise of my life.

It's not a regular party, but instead, my wedding. To Angelo Rizzo. A coldhearted man who's feared by all. Including me.

Turns out my stepbrother owes the Cosa Nostra money, and I'm being used to repay his debt to Angelo Rizzo.

Do I have a choice?

No. Not when it comes to matters concerning the Cosa Nostra.

Three hours later, I have a new shiny wedding ring on my finger and a husband I'm terrified of standing by my side.

Yep, my life just took a turn for the worse.

There's no hiding. No running.

All I can do is face the nightmare that awaits me and pray I'll survive being married to Angelo Rizzo.

Destroy Me

CORRUPTED ROYALS | 5 BOOK SERIES

Enter the world of mafia romance in this #BookTok fan favorite series by USA Today, Wall Street Journal, and Amazon bestselling author Michelle Heard. Over 3 million copies sold worldwide across author's catalog.

Our first meeting was at a nightclub, and it was something straight out of my most romantic fantasies.

My ovaries exploded at the sight of the Russian God. And by God, I mean he was ripped, tall, dark, and deadly attractive. There were enough sparks between us to light up a city. Then an explosion blasted through the nightclub, and we got trapped together for three hours, sharing our most personal details...everything but our names.

Two years later, our second meeting is the complete opposite of the first. It's clear Misha Petrov, a Russian enforcer for the bratva, despises me. The emotional night we shared meant nothing to him.

You see, my family is sworn enemies with the bratva and Italian mafia, which means Misha considers me a threat.

I wish I could hate him the way he hates me. But no, my stupid heart wants what it wants. Every rough touch from Misha makes my skin tingle. Every low-rumbling threat growled through his clenched teeth has my breath speeding up. We might be sworn enemies, but I can't stop myself from wanting this dangerous man.

Then there's the other problem. If I can, by some miracle, get Misha to fall in love with me, we'll only have to face the entire bratva and my family. What could possibly go wrong?

THE SINNERS SERIES | 5 BOOK SERIES

Enter the world of mafia romance in this #BookTok fan favorite series by USA Today, Wall Street Journal, and Amazon bestselling author Michelle Heard. Over 3 million copies sold worldwide across author's catalog.

Drowning in the murky waters of the mafia, I'm determined to find a way out.

I have my sights set on becoming a film producer and won't let anything or anyone stand in my way. Then my mother marries a retired Godfather, and I get the head of the Greek mafia as a stepbrother.

Nikolas Stathoulis is set on ruining my well-laid plans. His ruthless reputation has me running for the safety of my apartment.

But he's always there. On campus. In my apartment. Expecting me to play by his rules. If only I can ignore his godlike features and stop my heart from doing cartwheels at the sight of him.

Greek God? Pretty much.

But he's rude, demanding, and hell-bent on making my life a misery.

Two can play this game...right?

Alliances are made. Loyalty is owned. Love is taken.

I'll show everyone I'm a threat, and they will fear me. For my family. I have to protect them.

The second I hear the name Damien Vetrov I know I'm in trouble. He's an arrogant Russian God. I have zero intention of bowing to him. Ever.

Attractive and lethal—he's such an intoxicating mixture. Every second we spend together, the pull between us becomes stronger, and my fear grows. While my body wants him, my head knows better. He has the power to kill my family.

When blood is shed, I'm forced to depend on Damien for my life. I'm at his mercy—whether he'll kill me or protect me is still up for debate.

Bestselling author with over 2 million copies sold in the last 12 months!

My new boss is gorgeous, arrogant, and filthy rich.

The only problem?

He doesn't know he's also the father of my baby.

Six years ago, I was supposed to get married.

But the night before the wedding, my groom-to-be showed me sides of himself I'd never seen before.

I might've died in that hotel room...

If Mikhail Novikov hadn't burst in to save me.

Handsome, strong, capable knight in shining armor—sign me up, right?

WRONG.

Because Mikhail wasn't just the hero I never knew I needed...

He was also way more dangerous than I ever could've known.

But for one night, I let myself do something I never should've done.

It was worth it—several times over, if you catch my drift.

In the morning, though, I did the reasonable thing:

I RAN.

For six years, I keep running.

Until I walk into work one day, and find my new boss waiting in my office.

Guess who?

And guess what he does when finds out about our baby?

ZAKREVSKY BRATVA | 3 BOOK SERIES

Bestselling author with over 2 million copies sold in the last 12 months!

I walked into the wrong hotel room... to a naked man fresh out of the shower. Now, I'm pregnant with his baby.

I should've left as soon as I saw him. He was too beautiful to be real. I got halfway to the door... And then he saw exactly what I was trying to hide.

"Who hurt you?" he said when he glimpsed the bruises. "Let me fix it."

I should've said no. But honestly? I deserve a little luck from the universe. And if it wants to provide that luck in the form of a gorgeous, six-foot angel of darkness... Well, I won't turn my nose up at that.

But nothing in this life comes without strings attached. My angel gives me a night from heaven...

When morning comes, though, he turns into a devil. And not just any devil. This devil knows where I'm from. Who I am. What I've done.

And he's determined to make me pay for all of it.

BUGROV BRATVA | 2 BOOK SERIES

Bestselling author with over 2 million copies sold in the last 12 months!

My gorgeous neighbor just found my box of “personal toys.” And my mission to steal them back... ended in his bed.

It was supposed to be a joke: Give my best friend raunchy toys for her bridal shower and embarrass her in front of her family. But when my package is wrongly delivered to my gorgeous, mysterious neighbor, I’m the one who ends up mortified.

I sneak over to his place to try stealing it back before he finds it. The problem is I get caught mid-heist... And then he makes me stay for dinner.

Dinner leads to dessert, and dessert leads to... other dessert, if you get my drift. Several courses of sweet, sinful temptation.

In my defense, he’s even more gorgeous up close than he is from my bedroom window.

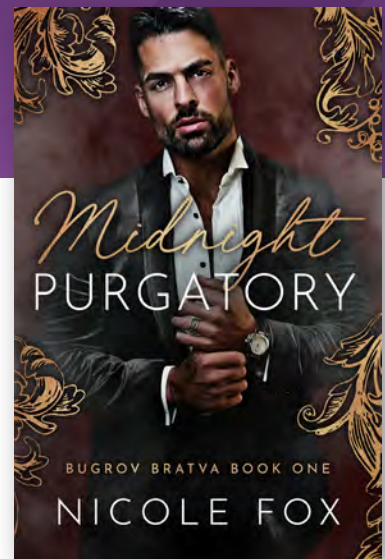

When I finally get back home the next morning, I open my stolen prize. But it seems I grabbed the wrong package. And the violent mess I find inside will change my life forever.

Turns out my hot neighbor is a Russian Bratva boss with some deep, dark secrets.

Turns out he got me pregnant, too.

What's more embarrassing than a butt dial?

Butt dialing your boss...

And leaving a dirty voicemail when you're uhh... "thinking" about them.

Working as Ruslan Oryolov's personal assistant is the job from hell.

After a long day spent tending to the billionaire's every whim, I need some stress relief.

So when I get home that night, that's exactly what I do.

Problem is, my thoughts are still stuck on the bosshole who's ruining my life.

That's fine—because of all Ruslan's many sins, being gorgeous might be the most dangerous.

Tonight, fantasies of him are just what I need to push me over the edge.

But when I look down at my phone squished next to me, There it is.

A voicemail for 7 minutes and 32 seconds...

Sent to Ruslan Oryolov.

I panic and throw my phone across the room.

But there is no undoing the damage done by my very vocal O. So what can I do?

My plan was to just avoid him and act like it never happened.

Besides, no one that busy checks their voicemails, right?

But when he schedules a one-on-one meeting with me for exactly 7 minutes and 32 seconds,

One thing is for certain:

He.

Heard.

Everything.

One wardrobe malfunction.

Two people who don't belong together.

Three awful words: "Be my wife."

Everyone else is at this party to marry the host.

I'm only here until I can get a ride home.

When my dress rips in the world's worst-timed wardrobe malfunction,

I go find somewhere quiet to fix it.

So I'm standing there in nothing but my heels when,

As my luck would have it, the door opens...

And the man of the hour walks in.

I wish I could say I played it cool.

But it's been a looong time since anyone has seen me in my birthday suit...

Much less the hottest man I've ever laid eyes on.

All I want to do is fix my dress, click my heels three times, and be back on my couch in fuzzy slippers.

But Ivan has other ideas.

He's decided who he's taking to the altar...

And I don't have a choice but to say "I do."

A spicy and dark mafia romantic suspense series from Amazon bestselling author Naomi West. Over 1.3 million copies sold across author's catalog.

What's worse than catching your boyfriend cheating?

Coming to work the next day and seeing him with the other woman.

I curate art for a living. This big show was supposed to pay my bills for the next year. Oh, and did I mention the star artist is my unfaithful ex?

So I try to put on a brave face—after all, the clientele are worth billions. But my ex is doing everything in his power to rub it in. Holding his new girl a little too tight. Hanging around me a little too close.

What I did next was a teensy bit impulsive. I grabbed the closest revenge hookup I could find... who just happened to be the billionaire dropping five mil at the auction.

Kissing him was bad. The night that followed was worse (in the best way possible). But after that, it looked like I might actually get my happily ever after...

Until he finds out that I'm pregnant with his baby.

What's worse than a surprise blind date? Finding out your date is a mob boss... And ending up pregnant with his baby.

My BFF pulled a bait-and-switch on me. Instead of drinks with the girls, I'm at this bar to meet a blind date.

"He's nice and normal and handsome!" she promises. Only one of those three is correct.

Yakov Kulikov is as gorgeous as they come—and ten times as dangerous. Sparks ignite, but this is no meet-cute. It's a prison sentence.

Turns out Mr. Tall, Dark, and Brooding is in charge of the Kulikov Bratva. And now that I've caught his attention, he insists I need his protection. Kidnapped by a hot mob boss—most girls' dream, right?

Wrong. Yakov's mansion is more like a gilded cage. This blood-stained prince calls me his little light, but all I see in here is darkness.

It'd be bad enough if it was just myself I had to worry about. But after one night of ruining me for all other men... I've got Yakov's baby to think of, too.

It's my first time meeting my sister's fiancé. I knock on the door, and who do I see with his arm around her? The man who got me pregnant.

Three months ago, I almost got hit by a car. The guy behind the wheel was as gorgeous as they come. We got to talking and... well, things got a little carried away, if you know what I mean.

But when it was over, we went our separate ways.

Except, not quite. The little plus sign on this pregnancy test tells me our story isn't over. But that's a problem for another day. First, I have to go to my sister's engagement party.

When I see who she's marrying, my jaw hits the floor. This... This cannot possibly be real.

But it is real. So is the attraction I felt when I first met Ilarion Zakharov. So is the hatred. And so are the bullets that start flying when Ilarion's enemies attack the party.

Turns out Mr. Not So Nice Guy is a big, bad Bratva don. Now that he knows I'm pregnant with his heir, he's not letting me out of his sight.

A spicy and dark mafia romantic suspense series from Amazon bestselling author Naomi West. Over 1.3 million copies sold across author's catalog..

Arrogant bosshole with some dirty secrets. Sounds tempting, right?

Wrong. Kirill Zaitsev is anything but tempting.

Sure, he's tall and broad and muscular in all the right places. And sure, he's richer than several small countries. And yes, fine, his eyes do make me feel loopy, and he does smell like mint and musk, and there's also the way his jaw clenches when he...

Sorry, where was I? Oh yeah. Bosshole. Dirty secrets.

Anyway, all those things sound fine and dandy. For a little while, I thought so, too. Then I learned who Kirill really is—a killer, a tycoon, a mafia don.

He's got things hidden on his mansion's third floor that no one is supposed to know about. I've got no business snooping around. I'm a maid, not a private detective. But I just can't help myself. So I go where I shouldn't go and see what I shouldn't see...

Then, of course, Kirill catches me in the act. In most stories, that would be the end. Butt meets curb, drop the curtain, roll the credits. But in this story, that's just the beginning. Because something strange happens when Kirill looks at me...

Sparks fly. And when he's the one lighting them... Well, safe to say I'm down to get burned.

Ten years ago, a one-night stand got me pregnant and disappeared.

Now, he's standing on my doorstep. And he's not leaving until I let him in.

But even if I wanted to, I can't. And even if I could, I wouldn't. Because Konstantin Aminoff is a world of danger, and my life has plenty of that as it is.

I've got a possessive addict for an ex and a creepy lurker for a landlord. I've got an agent who's sick of me and a former boss who's trying to ruin me.

Most of all, I've got a nine-year-old son who needs me to be his mother.

So no, Mr. Aminoff, I can't let you in. You're one fire this caged rose won't survive.

I say everything to his face, just like that. He looks me in the eye, smirks, and says...

"Too damn bad. Guess you're coming with me."

My fiancé is screaming at me in public.

I'm used to it. My role here is to look pretty on his arm and to play nice so he doesn't hurt my sick daughter.

What I'm not used to is the man who comes to my rescue. Adrik Tasarov is a tall glass of gorgeous. He's got a jawline that could cut glass and eyes that could melt steel. Best of all: my fiancé is absolutely terrified of him.

So when Adrik asks me to dance, I say yes. When he asks me to do a little more than that, I say it again. Then comes the make-or-break moment. Adrik offers me a fake marriage to get me out of my real one. I say the two little words that seal my fate: "I do."

Little did I know I was signing a deal with the devil. Now, I'm a prisoner in a beautiful mansion. I can have anything I want—except for my freedom.

I have an ace up my sleeve. Something my fake husband doesn't know about. Something that will change everything. His baby in my belly.

I'm locked in a cage in my wedding dress.

How did I end up here? Three days ago, I was a normal girl living a normal life. My adoptive parents came over to my apartment for dinner, just like they do every week.

But this time, they brought bombshells.

They tell me I'm not who they said I was. And all those dance lessons, those etiquette classes? They weren't just for show. They were to groom me. To mold me into what I'm about to become—the forced wife of a don.

Then, with my jaw on the floor, they opened the door and let the nightmares in.

My new husband doesn't love me—he makes that clear the moment we meet. I'm trapped in his world for one purpose and one purpose only: To be his wife and have his babies.

Running won't help. Crying won't help. The only thing that will Submitting.

A wedding is supposed to be the happiest day of a girl's life.

For me, it was a nightmare.

The man I'm promised to isn't exactly Prince Charming. And the way I ended up on this altar isn't exactly the stuff of fairy tales.

You see, my family isn't like yours. My father and brother do... things... that should never see the light of day. Things like wagering me at a poker game to be the wife and baby momma of a dark-eyed devil.

One hand of cards. One terrified girl at stake.

If I win, I'm going to run, not walk, to the nearest exit, the nearest taxi, the nearest airplane out of Chicago.

But if I lose... Well, let's just say Roman Sorokin has some very specific plans for his new bride.

Den of Vipers

"Absolutely a banger." - Amazon review. Over 900,000 copies sold.

Ryder, Garrett, Kenzo, and Diesel—the Vipers. They run this town and everyone in it. Their deals are as sordid as their business, and their reputation is enough to bring a grown man to his knees, forcing him to beg for mercy. They are not people you mess with, yet my dad did. The old man ran up a debt with them and then sold me to cover his losses.

Yes, sold me. They own me now. I'm theirs in every sense of the word. But I've never been meek and compliant. These men, they look at me with longing. Their scarred, blood-stained hands holding me tight. They want everything I am, everything I have to give, and won't stop until they get just that.

They can own my body, but they will never have my heart. I'm going to make them regret the day they took me. This girl? She bites too.

BITCHCRAFT | 3 BOOK SERIES

The Devil Wears Prada, but with witches!

In a witty urban fantasy for fans of *The Devil Wears Prada*, a hapless barista becomes embroiled in a world of business, backstabbing, and . . . the occult?

As a twenty-three-year-old college dropout, Clark Crane has nothing to show for himself but three dead-end jobs. So when he becomes the unlikely intern for enigmatic celebrity Charisma Saintry and her "coven" of personal assistants, he's prepared to do whatever it takes to succeed. Only, he has no idea who—or what—Charisma really is . . .

Clark runs headfirst into this new world of midnight rituals, deadly rivalries, and notes passed furtively between Charisma and her VIP clientele. Soon, a mysterious maid warns him to "get out now," while he still can, but romance is budding with someone he met on the job. Clark isn't sure what to do or who to believe. After all, he's told a million girls would kill to be in his position.

But when he witnesses Charisma firing one of her assistants by murder and magic, Clark knows one thing's certain: his boss can be a real witch! It seems no one just quits her glamorous web. Will Clark unravel the coven's secrets and survive to tell the tale, or will he become the next victim in a cutthroat game of witchcraft and ambition?

THE SECRET MONSTER SERIES | 3 BOOK SERIES

Genre-bending underwater romantasy.

Former model and current recluse Jules Lowe would prefer to spend the rest of her life locked inside her apartment doing nothing more than fixating on her empty fish tank and chatting away on a local aquarium forum.

But when her online crush sends her an inadvertently suspicious picture, Jules' curiosity gets the best of her. Who or what is Mack Vasser?

Even Jules' fear of the outside world can't stop her from exploring further. And while venturing out to track down Mack is scary enough, discovering he's part-fish, part-man is a shock of a lifetime. Even more shocking is Jules' confusing attraction to him which has her leaving her apartment again and again.

Unfortunately for Jules, she isn't the only person who's aware that creatures like Mack exist. And now that she's gotten herself involved, she's risking not only her feelings but both their safety, in a world where nobody seems to know who the real monsters are.

AUTHOR BIO

Cat Wynn lives in a cozy house in Charleston, SC with her long-time partner and two geriatric rescue dogs. She writes late at night on an old couch that should've been thrown out five years ago.

She's a shockingly good time at parties provided the snacks are good. You can test this theory by inviting her to your wedding although she probably won't come because she stopped wearing outside clothes like three years ago.

When you're a teenager, life is usually simple and carefree. You could never imagine the evil that lurks in the shadows, waiting for a chance to steal your innocence.

However, for Willow, that evil becomes a stark reality when she's abducted while walking home one night after spending the day with her best friends.

For fifteen long years, Willow finds herself in the clutches of a sinister cult, her life dictated by the whims of those who seek to control and manipulate her.

At the same moment that she tries to break free, she is finally saved, her life spared from what she considers a fate worse than death.

To reclaim the life she lost, she returns to her hometown, and the friends who never forgot her. But her life's not instantly filled with sunflowers. A lot has happened during the time she was gone, and people have changed, including her.

Willow's time in captivity has left scars on both her body and soul. She wants to heal and move forward with her life. But will her past stay in her past? Has evil followed her home? Or was it there all along?

Hunt Me Darling

THE DARLING GAMES | 3 BOOK SERIES

Dark Stalker romance for fans of Morgan Bridges.

FBI forensic profiler Agent Alexandra Darling is known for her unsettling affinity for murderers and their victims.

As she joins a task force assigned to capture a notorious duo of killers, her forbidden fascination with the twisted motivations behind their crimes takes a dangerous turn.

Delving deep into the darkness, she finds herself entangled in a dangerous game that blurs the lines between hunter and hunted, love and obsession. One that would forever redefine her understanding of desire and the depths of her own soul.

She quickly learns nothing is what it seems. Alexandra's journey will test the limits of her sanity at the same time as it challenges her perceptions of justice.

Will she be just another victim? Or do they have something different in mind for their little Darling?

Kingdom of Fallen Ash

THE ORDER SERIES | 3 BOOK SERIES

A debut dystopian series from TikTok favorite, Katerina St. Clair. For fans of Rebecca Yarros and Sarah J. Maas, readers are calling The Order Series one they can't put down.

In the dystopian realm of The Order, society is eternally divided between the privileged Untouchables and the struggling Unfortunates.

The Untouchables, draped in opulence and power, govern the city with an iron fist, casting long shadows over the impoverished Unfortunates who toil beneath in the murky depths of the working class.

As the ruling elite revel in excess and luxury, the Unfortunates navigate a world stacked against them, grappling with meager resources and restricted opportunities. The social chasm widens daily as the Untouchables tighten their grip on wealth and influence, leaving the Unfortunates to navigate the shadows cast upon their lives.

The Order Series follows the intertwining fates of two sworn enemies—one an ambitious Untouchable seeking to challenge the system from within, struggling to cope as the lies of her society unfold in front of her; the other an Unfortunate yearning for a chance to seek vengeance on any and every Untouchable in his path. Their stories unfold against a backdrop of intrigue, rebellion, and the unyielding determination to break free from the oppressive shackles of a society defined by its merciless class divisions.

The question is, can free will exist in a society this divided?

Kelsey Kingsley

The Spider & the Storm

Bittersweet and heartbreaking gothic romance.

From the bestselling author of Saving Rain comes a bitter-sweet, heartbreaking story about a broken cemetery caretaker and the woman who gave him shelter from life's constant storm.

Along came The Spider ...

They called me a freak.

They called me a loser.

They tormented me and made my life a living nightmare when all I had ever wanted was to be left alone.

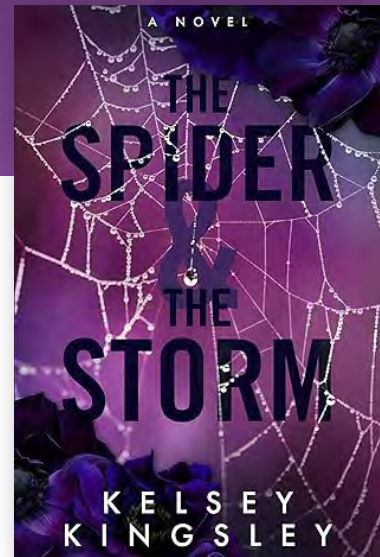

And five years ago, after a lifetime of being bullied and harassed, of enduring more pain and trauma than any man could handle, that's exactly what I set out to do.

I left the only home I'd ever known to lock myself behind the cemetery gates and care for the only people who have ever given me the peace I craved—the dead.

But just as I'd started to feel comfortable, an unexpected stranger broke into my house and fell into my web of reclusive safety, and somehow, opened my eyes to love and the possibility that I just might have the strength to weather the storm after all ...

Kelsey Kingsley **Saving Rain**

Bestseller from the author of Warrior Blue.

Are you ready for redemption?

My name is Soldier, but I was never meant to be a hero.

From the moment I was born, I was looked at as a beacon of hope, a guiding light—a savior. That type of pressure can drive a man to desperation, to do things he shouldn't, and in my case, that's exactly what happened.

All I ever wanted to be was a good person, someone my grandparents could be proud of, but for a long time, I couldn't find the strength to be proud of myself.

I paid the price. I did my time.

Yet... somehow, I got lucky.

I was given a second chance to do better and to be the man I always believed I could be. After finding the love I never knew I deserved, I'm starting to wonder if there's still room for me to be a hero after all...

From the author of *Warrior Blue* comes an emotional, gritty story about redemption, love, and an antihero desperate to achieve his lifelong dream—to be a good man.

Warrior Blue

High emotion character-driven romance.

An emotional and hauntingly honest romance about a broken man who doesn't believe he deserves love and a woman determined to prove him wrong.

Blake Carson can't afford to have a life. Between working full-time as a tattoo artist and caring for his disabled twin brother Jacob, his plate is more than full—and he prefers it that way.

His meticulous planning is turned on its head when he meets the upbeat and beautiful Audrey Wright and her butterfly tattoo. Now, through a complicated maze of coincidence and fate, Blake begins to question if maybe there could be more to his life than just work and Jacob. That is if the guilt doesn't eat him alive first.

With the help of Dr. Vanessa Travetti and a girl he doesn't think he deserves, can Blake convince himself that even the bad guy deserves a happy ending?

I hate Felix Malone with all my heart and soul.

He's the second born son of a murderous don.

The newest leader of the Malone mafia family now that his father is dead.

But if I could have hoped a change in management would mean a positive shift for the notorious crime family, then I'm proven wrong as Felix quickly settles into his new role and lays scourge on New York City.

He believes he's not as bad as the man who came before him, purely because the women he beds survive the night.

But Felix is just a different kind of evil.

All smiles and jokes, drawing women in with his god-like body and trapping them with his roguish charm and fast wit.

But I'm the one woman this devil incarnate won't woo.

He wants my attention.

I want his head on a spike.

We're not the same.

And locking me away in the tallest tower proves he cannot be redeemed.

Felix needs to be taught a lesson. And I'm the perfect woman to bring this beast to his knees.

Arden Fox

How to Train Your Human Omega

COVETED BONDS | 3 BOOK SERIES

From debut author, Arden Fox, How to Train Your Human Omega is a tantalizing beauty and the beast retelling in the form of an action-packed, spicy, queer sci-fi romance.

The tall alien's eyes flashed. That was the only warning I got. He charged at me, throwing my crew mates aside as if they were nothing.

In that moment, I was certain he would kill me.

But no death blow came. Instead, he spoke, his deep voice heavily accented, each word like stone slabs falling into place.

"You are mine."

Clay

I don't ask for much from life; I get paid, and then I get laid. And piloting spaceships across the galaxy keeps my solo lifestyle well funded. I don't need a relationship or any of the baggage that comes with it. I like my men like I like my coffee; to go.

That is, until the most boring job in the universe goes horribly wrong and I'm snatched from my ship by a seven-foot alien. He's huge, he's purple, and he's ripped as hell. I'm sure I'm a dead man.

Only it turns out he doesn't want to kill me. What he wants is far worse.

Arcay

I am the Second; Aldar royalty, the right hand of our leader. I live a half life. On my planet, alphas and omegas are believed to be two halves of a soul. But Omegas are a rare treasure, all but extinct, and I have resigned myself to never knowing the joy of a soul bond.

But that all changes the moment I step onto the human ship. By some miracle, their pilot is an unclaimed omega. It does not matter that he is a different species, I have to have him.

That should be my happy ending; omegas are supposed to be meek, obedient, and willing. Clay is anything but. He resists me at every turn. I must bend him to my will before his potent pheromones draw every unmated alpha on the ship—my rank will only hold them back for so long.

A new love awakens. Dark forces stir. The world stands on the brink of war.

In a world where everyone wields magic, I'm the odd one out—ungifted and unsure. My lack of magic gnaws at my confidence, but amid this struggle, I find unexpected solace in Ayden, a fellow Ranger cadet. Our budding romance becomes the one bright spot in my life.

Then everything changes.

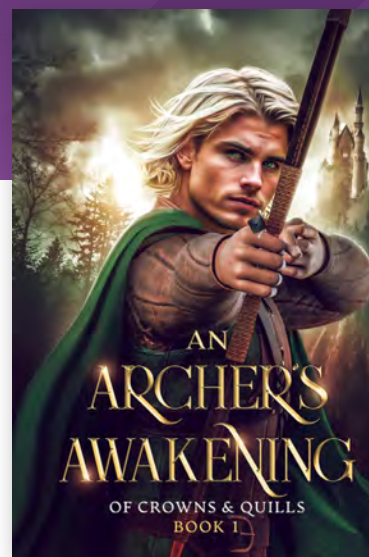

A shadowy threat emerges, and an ancient cult aims to resurrect a long-forgotten queen, plunging our world into chaos. Kidnappings and whispers of disaster force Ayden and me into a dangerous journey, one where trust is scarce and betrayal lurks around every corner.

As Keelan investigates, Ayden and I must navigate this treacherous path together, uncovering secrets of the past and within ourselves.

Through it all, I learn that true courage isn't only found on the battlefield but also lives in the quiet moments shared between two souls.

Meeting during senior week on the day of their birthdays was pure coincidence.

It was supposed to be nothing more for Lola Larson and TJ Kingston than three days of fake dating before going back to their everyday lives. Not thinking they will see each other again, they part ways without getting each other's last names or phone numbers.

Two years later, they're in college, where they meet again. However, their priorities are different from the last time they saw each other.

TJ wants nothing more than to enter the draft and play for the NBA. It's all he's worked hard for and has made sure that nothing and no one hinders him from achieving his dream. That is until he sees Lola again, and realizes that basketball is no longer his sole priority when he finds out he has a kid.

The Billionaire Bachelor Next Door is a stand alone fun, feel-good, enemies-to-lovers, neighbors, boss romance that is hard to put down and will surely put a smile on your face.

Meet my new neighbor, Gabriel Everhart.

The playboy, billionaire CEO of StoneTech Industries, and the most eligible bachelor in the city.

His chiseled abs and piercing blue eyes have every woman wanting to hack into his hard drive.

NOT me, he's the worst.

Besides, I am too busy calling the cops on his wild parties.

We're polar opposites, an explosive mix of fire and gasoline.

And when I end up face to face with him in the boardroom as my new boss, there's definite friction.

Forced to collaborate on a project that fuels both our passions, friction turns to flames.

The unavoidable closeness sets the chemistry between us ablaze.

Eager to protect our secret project from the press

Gabriel proposes...a fake engagement.

But when he slips that rock on my finger and declares to the world that I am his, the only thing I want...

Is to become Mrs. Gabriel Everhart.

And everything that implies.

Adalyn

Never did I imagine that my four-year marriage would abruptly end after the revelation of my husband's devastating secret. The emotional toll left me with no option but to move away from New York City and start over somewhere new.

Fate led me to Harbor Falls, a charming and serene town nestled in South Carolina. It was the perfect place to fulfill my dream of opening an art gallery and starting a new chapter of my life. Unexpectedly, I crossed paths with Colin Young, a ruggedly handsome man who owned the Seaside Bar & Grille—a man who was also the town's handyman.

Skilled at fixing things, he set out to mend my broken heart. But the question was: would I allow him to repair it, or would I let my past dictate my future?

Colin

No stranger to heartbreak, I spent the last two years healing my wounds until Adalyn Richards entered my bar, instantly captivating me in a way I hadn't experienced in a long time, if ever.

Adalyn relocated to Harbor Falls for a fresh start. She became the focus of my attention, and the more I got to know her, the more time I wanted to spend with her. Fully aware of her shattered trust in men, I was determined to show her that I was trustworthy and capable of mending her broken heart. Despite the challenges, I refused to give up until I made her mine.

Jenna

It all started one night when a sexy billionaire bought me a drink, and I accidentally tossed it all over his five-thousand-dollar suit. He tried to blame me, but it was his fault because of his lack of respect for my personal boundaries. I offered to pay for the dry cleaning and gave him my number to tell me how much it cost. He did, and we ended up spending the night together.

Long story short. The condom broke, I forgot to take my pill two days in a row, and we mistakenly created a baby.

I never planned on telling him about the baby until I lost my job and my landlord turned my apartment into condos. He told me he couldn't be a father, and I was okay with that. I didn't need a man complicating my life.

I was all set to embark on my journey as a single parent until...
Lucas

The only thing I did was notice a beautiful woman and buy her a drink. A drink she carelessly spilled all over me and then had the nerve to say it was my fault. I forgave her because I wanted her, at least for one night.

Maybe I should have forgotten about her and thrown her number away. But I didn't, and a mishap occurred during our one-night stand resulting in a baby. I wasn't father material, or maybe I was but didn't want to be. The last thing I needed in my life was baby drama. I liked my bachelor life the way it was, and Jenna was cool with that. She made it clear she didn't want me involved.

I was all set to continue on with my life as if nothing happened until...

E.M. Lindsey **Knowing You**

WORDS WE NEVER SAID | 3 BOOK SERIES

Beloved non-binary author, E.M. Lindsey, brings readers a light-hearted, single-dads romance series, featuring a toddler with sticky fingers, a tired dad who just wants to be loved, a former stunt actor who craves to be needed.

"Oh my God, Briar! Where did you get that prosthetic leg?"

Things as a parent Lane thought he'd never say for four hundred, Alex.

But that's par for the course in Lane Ashbury's life considering everything is on the verge of falling apart. He not only has a toddler building her skills as a professional klepto, but he's also on the verge of divorce, and hoping desperately to save his business before it goes under.

Luckily, the owner of the stolen leg might just be an angel in disguise when he offers to be Lane's new nanny instead of pressing charges.

The whole thing would be perfect if Bowen Galanos didn't make Lane feel things. If he didn't make Lane question everything he thought he knew about himself every time Bowen's touch lingered just a little too long.

When Bowen offers some no-strings benefits to their friendship to see if maybe Lane's not as straight as he thought, Lane finds it impossible to say no. I mean, it's not like he's going to realize he's madly in love with his nanny, right?

That would be absurd.

That would be ridiculous.

And knowing him, that would be exactly his luck.

THE BEGINNING OF ALWAYS SERIES | 4 BOOK SERIES

A little lost. A little happy. And maybe a little hopeful. With over 1,500 Goodreads reviews, readers are calling E.M. Lindsey's The Beginning of Always series 'an achy and beautiful love story'.

One mistake: Victor got into the wrong car. One decision: Oliver didn't kick him out. **One lie:** neither of them knows who the other person is—at least, not until it's too late to turn back.

There are many words for what Oliver does for a living, and none of them are very kind. Oliver's time in that industry is nearly at an end, so when a gorgeous older man with sad eyes stumbles into his path, Oliver finds it impossible to turn him away.

Victor looks at him like he's an angel, even when Oliver feels like a devil, but he knows better than to hope. After all, men like them are only ever destined for star-crossed love.

As months of separation carry on, Oliver realizes that maybe he really is willing to fight for what he wants and, more importantly, for who.

Anastasis Blythe **The Assassin Bride**

THE KING AND THE ASSASSIN | 3 BOOK SERIES

Perfect for fans of The Serpent and the Wings of Night, Sylvia Mercedes, and Elise Kova who love dark, swoon-worthy heroes and a slow-burn romance.

It is said that the Neverseen King comes for a bride every hundred years.

I thought it was only legend—until he came for me.

I am one of twelve assassins forced to compete for the hand of our unseen king, who I'm beginning to doubt is even human at all.

Why he needs a bride, much less one who wields a blade isn't any of my business. All I'm trying to do is get out of here with my life and my heart intact. I don't want to care about the mysteries I begin uncovering about the king, about why he never shows his face, about his palace that turns into a nightmare after dusk. I'm just trying to escape.

But apparently, my choice is to win this competition or die. I'm not dying. And I'm definitely not falling in love with the Neverseen King.

AUTHOR BIO

Anastasis Blythe makes her home in central Texas with her husband. When she's not writing, she gardens, accompanies local bands and choirs on piano, rescues feral cats, and tries to keep up with the laundry. She loves exploring the world through reading, walks in nature, and thoughtful conversations.

SLEEPING FOXES | 2 BOOK SERIES

"Magical from beginning to end! A mysterious discovery, a ghost grandmother who is the bee's knees, a town that made me want to drop everything and move there, and two of the most adorable people in the world." - Top Amazon Review

It should have been the start of something wonderful...

Max is living the screenwriter dream. He's not even thirty, he's just won an Oscar, and he's dating the gorgeous star of his movie. But after that one magical night, everything crumbles. The movie star dumps him, and his latest screenplay is a blank document that stubbornly refuses to write itself.

So Max decides to disappear into the middle of nowhere and maybe obscurity. He's just getting settled into his new life when suddenly someone is trying to kill him.

Gorgeous Gentry Fox seems like he wants to help, but the way he keeps showing up at just the right times is suspicious. Is he the aw-shucks good ol' boy he seems, or part of the plot to kill Max? Just as importantly, is he single?

AUTHOR BIO

Sam lives in North Carolina with her husband and cat, which is even less exciting than it sounds, so she's not sure why you're still reading this.

She specializes in LGBTQIA+ fiction, usually with a romantic element. There's sometimes intrigue and violence, usually a little sex, and almost always some swearing in her work. Her writing is light and happy, though, so if you're looking for a dark gritty reality, you've come to the wrong author.

Falling in Love with My Vampire Cat

THAT'S (PARA) NORMAL | 6 BOOK SERIES

For five long years, I didn't know my cat could turn into a vampire.

That means I've spent five long years squishing little black toe beans, participating in all-night cuddles, and calling a full-grown man my itty bitty stinky kitty baby.

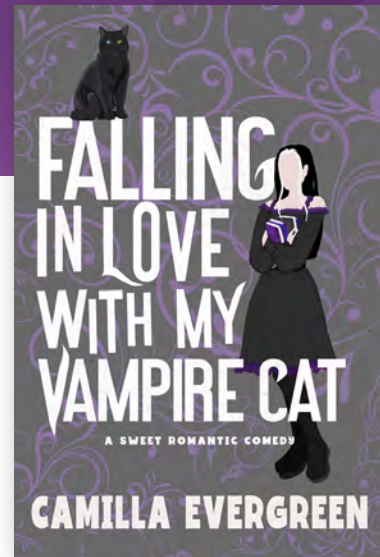

When my near-death experience forces Zylus Myrkur to tell me the truth about how magic is real, I nope my way right back into my fish bowl. I will not be participating in any tropes, thank you.

This is not a fish out of water, enemies to lovers romantasy. This is me—a barely functional adult—attempting to live my best life, which consists solely of reading books, eating cheese, and falling asleep on the couch. It does not include making friends with werewolf chihuahuas, meeting a moth faerie prince, or defeating a boogeyman.

And it absolutely, completely, most definitely does not include falling in love.

AUTHOR BIO

Camilla Evergreen writes sarcastic, chaotic romcoms full of singular beds, secret obsessions, and neurodivergent traits. She uses the accessibility of romantic comedy to extend a simple, but important, message to anyone who finds her: No matter what, you are not alone.

STEEL DEMONS MC | 3 BOOK SERIES

With the first book selling over 30,000 ebooks alone, the Steel Demons MC series delivers what genre readers want: rugged bikers, forbidden desires, and irresistible allure.

Diesel, Steel Demons MC Prez, never saw it coming—a surprise son and his stunning guardian storming his heart like a hurricane, smashing the walls he thought were unbreakable.

Serious relationships? Not my usual ride.

As the Prez of the Steel Demons MC, my life has always been all about the thrill of the chase. But lately, those club bunny flings ain't cutting it. Deep down, I crave something more real, something with meaning.

Then, outta nowhere, my past roars back. A night from five years ago, a hazy memory, and in a flash—a son I never knew about.

This is how Ellie comes into my life, the game-changer. Her sister's vanished, and she's been raising my kid all by herself. The moment I lock eyes with Ellie, I'm hooked.

I know she's mine.

But life's got a way of throwing curveballs. With Ellie, it's not just about a newfound desire; it's about stepping into a world of danger that clings to her like a shadow. But here I am, proving that this dirty biker can be her knight in tarnished armor and the perfect pop for our boy.

Can I make her see we're meant to ride together before it's too late?

AUTHOR BIO

An author of captivating and addictive bad boy romance tales, Sarina Hart writes books filled with intrigue, danger, and hot-blooded anti-heroes. An avid biker, Sarina, used to go for the bad boys - until her geeky Prince Charming swept her off her Harley Davidson.

They now reside in Silicon Valley where her husband builds his digital empire out of their garage while Sarina creates kingdoms full of dark and twisted characters in her books - all while raising her twin daughters and tending to a truckload full of foster cats.

The Star

CHARLESTON CONDORS SERIES | 4 BOOK SERIES

MM Football Romance.

Tight end Landry Banks knows the score when he signs with the Charleston Condors in a rebuilding year.

New owner. New coach. New players. New rules.

But one rule hasn't changed: Don't hook up with your best friend's little brother.

Rookie quarterback Riley Flynn knows what it takes to make it in the NFL. He's in Charleston to prove himself—to the world and his teammates, but mostly to his older brother, who's never believed he could be a star.

The last thing he expects is for his brother's best friend, Landry, to welcome him with open arms and an offer to become roommates.

Riley's always believed Landry was straight—but the way Landry keeps checking him out leaves him suddenly unsure. And Landry's hot looks certainly don't help squash the crush he's always had on his brother's best friend.

Revisiting his teenage crush isn't part of the plan. But as he and Landry fall into a rhythm of thrilling plays on the field and sizzling tension off it, there's no denying their connection.

Riley isn't willing to trade becoming the next big NFL superstar for love. But with a man like Landry Banks waiting to catch anything he throws at him, maybe he can have both.

AUTHOR BIO

A lifelong Pacific Northwest, Beth Bolden now lives in North Carolina with her supportive husband. Beth still believes in Keeping Portland Weird, and intends to be just as weird in Raleigh.

She's been writing since she learned the alphabet, and while her first novel, Big Bear with Sparkly Earrings, wasn't a bestseller, hope springs eternal. She's published forty-three novels and nine novellas.

ZARKOV BRATVA | 2 BOOK SERIES

Penny Dee's newest series, which published in Spring 2024, continues her success in the mafia romance space, with over 35,000 copies sold as of September 2024!

I'm fake dating the boss of the Zarkov Bratva—what could possibly go wrong?

Lev Zarkov is a real-life monster.

No, correction, he's actually the devil.

Except, when I first meet him, he's simply the mysterious, handsome man traveling next to me on a first-class flight to New York.

And after being dumped at the altar by my loser fiancé who vanished into thin air the morning of our wedding, when things get flirty between me and the mysterious stranger, I think, why not?

Surely, I deserve one night to forget. I mean, where's the harm in a little indulgence, right?

I'll tell you exactly where the harm is. It turns out my one-night stand is not only the pakhan of the Zarkov Bratva, but he's also a billionaire who is used to getting what he wants... and what he wants is me with his ring on my finger.

I'm to appear in public as his fake fiancée, and in return, my loser ex will get to keep his brains inside his head.

Every instinct tells me I don't want to do this.

But Lev Zarkov can be very persuasive...

The Devil's Den

DE KYSA MAFIA | 2 BOOK SERIES

A spicy mafia romance with over 10,000 4+ star average ratings on Amazon and Goodreads! Over 78,000 copies sold.

Nico De Kysa. Cold. Detached. Ruthless. And my new husband.

I didn't want to marry the despicable mafia don. But my father made a deal with the devil, and lucky me, I'm the currency.

If I leave... He'll destroy my father's fortune.

But if I stay... He'll obliterate my heart.

In this union, the lines between love and hate are blurred. So blurred.

He's a cold-blooded monster with ice in his veins and frost in his heart. But in bed, Nico De Kysa burns like wildfire. And in the heat of the night, I begin to forget why I hate the mobster.

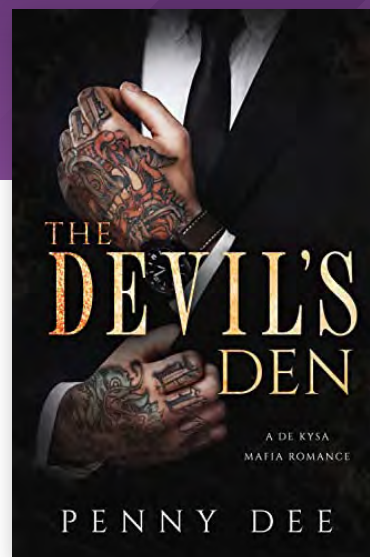

I'm trapped in a world I despise. With a man too wicked to fall for. Yet, I can't leave.

Maybe if I knew what was coming, it would be easier to run.

THE KINGS OF MAYHEM MC TENNESSEE | 3 BOOK SERIES

A heart-pounding motorcycle club-set romantic suspense with over 70,000 copies sold!

What doesn't kill me had better start running.

Life as I knew it ended with a bullet. It stole my brother from me and destroyed my family. From the ashes, I rose stronger and meaner, to exact the kind of revenge best served bloody and cold. I took out every single person I held responsible.

Except one.

He's a phantom but his days are numbered. I won't stop until I'm done.

Then she shows up—the forbidden fruit, a light to my darkness. I should resist her because what I touch, I destroy. My feisty wild-flower deserves more: more than this, more than me.

But there is a monster lurking in the shadows. A psychopath watching her, watching us. His threats torment her and they make my black heart burn.

He should know: you don't ever mess with me or the people I love.

B.C. FaJohn

A Crown of Ash & Silver

A THRONE OF ICE | 3 BOOK SERIES

A fast paced, enemies to lovers Romantasy saga with immersive world building and plenty of spice!

After striking a deal with a slimy merchant, Aurelie Cane's life is forever changed.

Traded to the fae to maintain peace between the two realms, she finds herself thrust into a world of myth and chaos.

When her captor has plans to sell her hand in marriage in exchange for his own personal gain, she must decide whether she will sit and wait or stand and fight.

Seeking anything that will get her out of this arrangement, Aurelie confides in the bodyguard assigned to her by the cruelest man she'd ever known. As she uncovers the truth of her bloodlines and magic, she discovers that her quiet guard has more than a few secrets of his own.

Together, they dig up a forgotten evil. Aurelie finds that cold death shines brighter than the summer sun, and the good she once knew is no better than poison in her heart.

One thing rings true despite the chaos that surrounds her: The Winter Court King had returned from the ashes, and he would burn for her even if it meant losing the throne he desired more than anything else. He'd light the torch and watch the sky turn gray if it meant keeping her safe.

To uphold a treaty of peace or to give in and harness mayhem... Her choice could be enough to tear apart kingdoms.

Trapped in an arranged marriage with a beast of a prince, Genya has nothing but his beauty and wits to help him survive.

For nineteen years, I have carved myself into a dutiful son, a courtier of unimpeachable wit, and a genuine delight at a tea party. Now that my success in society has planted me in the path of Mikhail Vasiliev, it's clear I'd have been better off keeping my head down.

Prince Mikhail is the second son of a traitor. Third in line to the throne, he has a reputation for violence, debauchery, and being a thorn in the side of his cousin, King Dmitri. That is until the king decides to get him out of the way—by marrying him off. To me.

Suddenly the prince of a brutal, frozen land, I have no choice but to spy on my father's behalf. From the morning of our wedding, my beastly husband and I have been at odds, but if I cannot win him over, I'll find myself in the jaws of his colossal red dragon.

By the time I realize there is more between us than hostility and mistrust, it is too late. The die has been cast, the knife thrust, and our private battle is set to topple the whole kingdom.

Beauty gets tied to a real beast in this MM high fantasy romance, featuring: the cutest companion mink to ever bite the hand of a prince, two reluctant husbands who hate each other everywhere but between the sheets, and a heap load of court intrigue to ensure things go perfectly wrong for our murderhimbo and his slinky courtier beau.

Pool of Dreams

A high fantasy M/M romance with over 10,000 units sold!

A fae who betrayed his prince for a doomed passion.

Syren sacrificed the man he loved to spare humanity from the wrath of the fae. For three hundred years, he's been stuck on the mortal plane, floating alone in his pool while his powers slipped away. The last fae in the realm, his only companion is a mysterious bird until Audric, King of Aranthé, comes to claim his sword—the instrument that caused the rift between Faerie and the human realm.

A bastard who should never have inherited the throne.

After centuries of peace, Faerie destroys the royal family of Aranthé in a single brutal strike, leaving only one behind—Audric, the king's bastard son, who's always been more warrior than noble. As the magic holding the fae out of Aranthé cracks, Audric strikes out on a quest to retrieve a weapon that can save humanity from the fae.

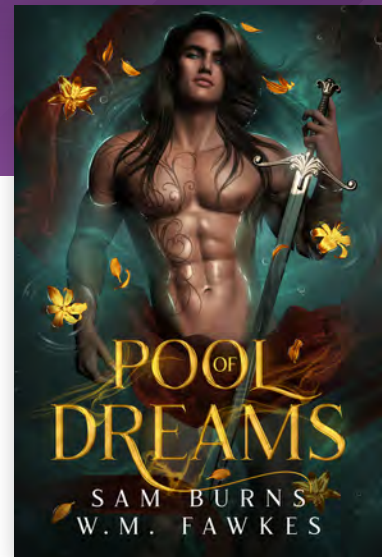

A desperate fight to thwart the bloodthirsty fae prince who wants to break them both.

Forced together by the magic of the sword that Audric needs but Syren cannot surrender, their bond is the only thing that can stop Faerie from breaking through into Aranthé and razing the kingdom to the ground.

MJ May

Perfectly Imperfect Pixie

PERFECT PIXIE SERIES | 5 BOOK SERIES

A M/M fantasy romance series, perfect for readers of AJ Sherwood, Lily Mayne, and Alice Winters.

Size matters.

Pixies are supposed to be petite, beautifully lithe creatures with gossamer wings. Sporting luscious, ombre pink hair and fluttering pink wings, Phil meets two out of three of those criteria. At over six feet tall, no one would dare call Phil petite.

As a home-and-hearth pixie, Phil yearns to find a home and family he can bond to. When no one's willing to hire a pixie of his stature, Phil is forced to find work elsewhere. Turns out, pixies make terrible bouncers.

The sudden death of Sedrick's brother and sister-in-law left Sedrick Voss a pack of one—plus two young, traumatized were-children. Sedrick needs help. He needs a home-and-hearth pixie. But pixies are small, delicate creatures nowhere near sturdy enough to stand up to a couple of growing werewolves. Phil seems like the perfect answer—a pixie that might be able to physically withstand small werewolf teeth and claws.

Phil is overjoyed, finally able to do a job that speaks to his heart and soul. But peace is a hard-won commodity. Sedrick is in the middle of a nasty custody battle with his niece and nephew's maternal grandfather—one of the most arrogantly deceitful werewolf alphas to ever lead a pack. If their grandfather gets custody, Sedrick's niece and nephew are in for a lifetime of manipulation.

Between the custody battle, noxiously invasive garden gnomes, and fairy lawyers, Phil and Sedrick struggle to keep their home and family safe. Werewolves and pixies don't mate. Phil and Sedrick are about to challenge that misconception.

SHIFTERS AND SWEETS | 4 BOOK SERIES

Passionate about writing books with strong diverse heroines, heartwarming romance, generous helpings of humor and a sprinkling of spice, author Zoe Chant is a growing cozy romance staple with over 60,000 ebooks sold.

Everything is coming up roses. Way too many roses.

Gale has a problem. A really thorny problem.

He can't touch anything made of wood without it bursting into bloom... which is inconvenient, to say the least. Clearly, his unicorn is cranky about something—Gale just wishes he knew what.

In the meantime, being cursed with the world's most annoying green thumb is making it pretty much impossible to continue working as a sous chef. Maybe a relaxing trip into the mountains will be enough to soothe his sullen unicorn.

After years of hard work, Sylvie's dream has finally come true: she's opened her own bakery in her sleepy little hometown, and her signature dishes are selling like... well, hotcakes. That is until the flashy new bakery down the road opens up—and they're not only stealing her customers, but her recipes as well.

When the hottest guy she's ever seen walks through her door, Sylvie knows there's something special about him... but a gorgeous guy coming in to buy her cakes is hardly going to help her save her business. Right?

Podium

Paul A. Dixon
Carpathians

Bestselling first-contact science fiction from the original audio publisher of The Martian.

Humans have reached the stars. There is no evidence any other species survived its own sentience long enough to do the same. Until now, when the Magellanix deep-space scout Accipiter discovers the Artifact, a million-year-old alien construct resting in a dormant volcano on a faraway world.

Now, TransGalactic has sent the Carpathia to steal it. Two ships, two rival corporations, and a race only one of them can win.

The stakes are greater than they seem. The Artifact is more than just a technological marvel. It holds the key to humanity's survival, and—perhaps—an understanding of our place in the universe at last.

Sean Fenian

Bearing Gifts

THE STARDOCK TRILOGY | 3 BOOK SERIES

An Amazon bestselling military space opera series, perfect for fans of Craig Alanson, John Scalzi, and James S. A. Corey.

When the over-driven hyperdrive on their mobile shipyard burned out, the Chhrt'kkt't abandoned it in an inhabited system along their path, hoping it would work as a decoy to buy them more time to escape the Khreetan fleet pursuing them.

They didn't anticipate how far the pre-spacefaring species they turned over their broken-down maintenance facility to would subvert their plan.

Alex Holder, a retired engineer, just happened to be in the right place, at the right time, with the right mindset, to find himself chosen by the Chhrt'kkt't to hand over control of their shipyard to, simply because he was the first person they found able to interface with it. The Chhrt'kkt't could not possibly anticipate what he would do with it. And neither would anyone else.

AUTHOR BIO

Sean Fenian has been an avid reader of SF/fantasy since his teens, and is broadly knowledgeable in many subjects, with a long-standing interest in physics and related science.

He has trained in four different martial arts, and firmly believes that the true measure of a person is how well you treat others. He dreams many things, some of which occasionally become reality... but only occasionally.

Travis Starnes

The Sword of Jupiter

IMPERIUM | 6 BOOK SERIES

Set in an alternative future, the Imperium series explores the question, "What if the Roman Empire had survived long enough to utilize space-age technology?" Perfect for fans of Craig Alanson, A.G. Riddle, and Stephen Baxter.

An uncertain future in a new past.

During the test flight of a prototype faster-than-light craft, Lt. Commander Ky is flung into an ancient past that never existed. Rome has fallen, defeated by the mighty Carthaginian Empire, its survivors chased off the continent and onto what had been the remote province of Britannia.

Hounded by the Carthaginians bent on conquering the known world, Rome is on the verge of destruction. Stranded and alone, except for a tactical AI implanted in his head, Ky has lost everything and must find a way to live in a world different than anything he's ever known.

For Ky to survive, he needs a new home. For the Romans to survive, they need a miracle. But can a man from the future work with people so far in his past, or is this match doomed to failure?

AUTHOR BIO

Travis writes science fiction, fantasy, and thriller novels with the hope of transporting and enthralling readers. Publishing novels since 2015, Travis's passion is creating worlds and characters that live and breathe, and experiencing the joy of those stories with his readers.

Wayward Galaxy

WAYWARD GALAXY | 6 BOOK SERIES

From bestselling authors Jason Anspach and J.N. Chaney comes an explosive military sci-fi adventure featuring defective AIs, brave soldiers, a brilliant scientist, and gritty combat.

The future isn't what they expected.

A company of Army Rangers is sent on an interstellar colony ship to secure a foothold on a dangerous, alien planet through violence of action. Leaving behind a warring Earth flung headfirst into a conflict of mutual assured destruction, the Rangers and the accompanying crew of first colonists are guided on a 40-year journey by an unprecedented artificial intelligence.

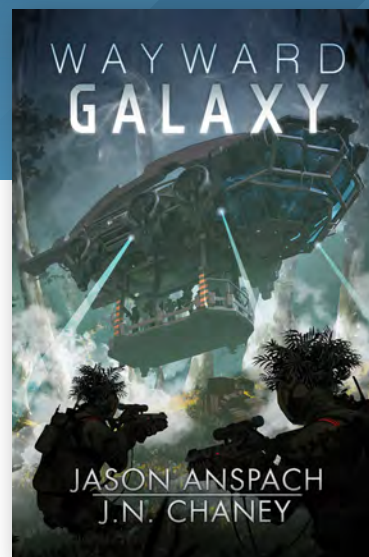

But when they emerge from the frigid embrace of cryosleep, they awake to a nightmare, finding themselves greeted by the same ruthless enemy that brought about the ruin of Earth. Alone on a dangerous, alien planet and with no hope of rescue or relief, the military colonists are forced to finish the war they thought they'd left behind. And in an unknown galaxy, friends and enemies alike prove to be much more than they seem.

Ruins of the Earth

RUINS OF THE EARTH | 6 BOOK SERIES

A fast-paced post-apocalyptic space adventure that continues to captivate fans.

A secret buried in the Antarctic. A puzzle unsolved for thousands of years.

And a Brooklyn-born Master Gunnery Sergeant who's royally pissed that he has to babysit the researchers sent to figure it all out. Patrick "Wic" Finnegan's last op as a Marine Raider before retirement sends him to the frozen Ellsworth Subglacial Highlands. The only reason he's here?

He owes a favor to an old friend, but that doesn't mean he has to like it.

When Wic finally sees what the team has uncovered, he can't believe his eyes, nor is he prepared for the violence to come. Soon, the portal opens and unleashes a storm of unbridled fury upon humanity.

From the Antarctic tundra to the streets of Manhattan, Wic and his team will be pushed to their limits as they fight to hold back Earth's ultimate threat. The odds are against them. Governments are toppling. And the Earth is falling into ruin.

Into the Stars

RISE OF THE REPUBLIC | 12 BOOK SERIES

A page-turning, near future, military sci-fi epic, packed with action and believable future tech.

The stars are within mankind's reach...but what awaits in the void may end humanity.

Mars and the Moon have been colonized, piracy runs rampant in the asteroid belts, and a thriving society grows in the depths of space. Humanity prepares to embark upon its greatest journey - the colonization of Alpha Centauri.

Then, everything changes. A deep space reconnaissance probe discovers a new Earth-like planet 12 light-years from Earth's sun. The probe also finds something unusual, something...unnerving. A new mission is created, a space fleet is formed, and humanity embarks on unravelling the greatest mystery of all - the origins of life itself.

Can the factions of Earth remain united, or will old rivalries and animosities destroy the fragile peace in the face of this terrifying existential threat? Will exploration prove to be a fatal mistake?

Dryker's Folly

VOID WRAITH ORIGINS | 6 BOOK SERIES

The space marine science fiction classic- a trilogy for true fans of the space fleet sci-fi genre.

Before the Void Wraith. Before the Eradication.

One man had a chance to stop it all, and failed...

Captain Dryker is a washed up vet mining on the fringes of the Kuiper belt. He loads rocks into the Folly's railgun, and fires them back to his corporate overlords on Earth. Boring, just the way he likes it. Until one day it isn't.

An alien signal bursts from Pluto, which as it turns out is neither a planet, nor a planetoid body. It is an ancient defense satellite activated because it detected the return of the Vuka Spectra. The Void Wraith.

Dryker is the closest ship on the scene, but not the only one vying for the prize. Hostile aliens have emerged from our sun using something called a Helios Gate. The savage Tigris have come not just for the satellite, but to conquer Earth.

Dryker's only hope is finding something, anything, within the installation to counter the alien's superior technology and save mankind.

Fans of Firefly, Battlestar Galactica, or Indiana Jones will love this epic, action-packed space opera adventure.

They say the Earth is just a myth. Something to tell your children when you put them to sleep, the lost homeworld of humanity. Everyone knows it isn't real, though. It can't be.

But when Captain Jace Hughes encounters a nun with a mysterious piece of cargo and a bold secret, he soon discovers that everything he thought he knew about Earth is wrong. So very, very wrong.

Climb aboard The Renegade Star and assemble a crew, follow the clues, uncover the truth, and most importantly, try to stay alive.

Craig Alanson **Columbus Day**

EXPEDITIONARY FORCE | 20 BOOK SERIES

New York Times bestselling Sci-Fi adventure series.

We were fighting on the wrong side of a war we couldn't win. And that was the good news.

The Ruhar hit us on Columbus Day. There we were, innocently drifting along the cosmos on our little blue marble, like the Native Americans in 1492. Over the horizon come ships of a technologically advanced, aggressive culture, and BAM! There go the good old days, when humans only got killed by each other. So, Columbus Day. It fits.

When the morning sky twinkled again, this time with Kristang starships jumping in to hammer the Ruhar, we thought we were saved. The UN Expeditionary Force hitched a ride on Kristang ships to fight the Ruhar, wherever our new allies thought we could be useful. So, I went from fighting with the US Army in Nigeria, to fighting in space. It was lies, all of it. We shouldn't even be fighting the Ruhar, they aren't our enemy. Our allies are.

AUTHOR BIO

Craig Alanson is a NYT bestselling author. His first audiobook 'Columbus Day' was a finalist for Audiobook Of The Year 2018. He used to create financial reports for a large IT services company. Writing fiction at nights and on weekends, he finally independently published three novels on Amazon. Within 6 months of his first ebook release, he was able to quit his day job and pursue a full-time writing career.

The breakout success of Columbus Day (Expeditionary Force, Book 1) reached new heights when Podium Audio released it in audio format, narrated by Audie Award Winner R.C. Bray. The Columbus Day audiobook was a huge hit, and a finalist for an Audie Award as Audiobook of the Year.

The ExForce series, as it is known to fans, has gone on to 16 books/audiobooks, many of which have hit the Audible and New York Times bestseller lists.

Craig lives in Virginia with his wife, who loves him even though he perpetually refuses to clean the garage.

T.A. Lawrence

A Word So Fitly Spoken

THE SEVERED REALMS | 5 BOOK SERIES

Christened the #BestofBookTok, enter the world of T.A. Lawrence in this series of fable and fairytale retellings, full of love, sacrifice, and betrayal.

One stunning bride. One wedding. One night with the king.

One execution come morning. Rinse and repeat.

When the fae king of Naenden returns home to his palace only to find that his human queen has committed treason by conspiring to assassinate him, he has the queen executed and decrees that once every mooncycle, he'll marry a human woman from the kingdom, only to execute her the following morning.

Unless one woman offers herself as a sacrificial bride for the rest.

Asha isn't worried about being chosen, of course. The decree was quite clear about beauty being among the top criteria for being selected as one of the king's unfortunate brides. Asha is no beauty thanks to the illegal magic that inhabits her body, leaving her scarred and missing an eye. The same magic that occasionally possesses her voice so it can amuse itself by telling a never-ending story with a string of horrible cliffhangers.

The problem is Asha might not be a beauty, but her sister Dinah is. When Asha realizes Dinah is in danger of being selected as the king's sacrificial bride, Asha decides she can't live with that risk. So she offers herself instead.

Except on the night of their wedding the king grants Asha a final request. Naturally, she asks to tell her sister one last bedtime story. Naturally, the king eavesdrops.

L.L. Starling **Between**

THE CHRONICLES OF BETWEEN | 6 BOOK SERIES

A fresh take on the cozy fantasy genre -- with a hefty infusion of romantasy, whimsy, and humor -- Between has caught the attention of traditional fantasy and rom-com fans alike, with over 3,000 ratings on Goodreads.

Sasha Pierce hasn't had a single dream since she was a child...until she accepts a substitute teaching position in the charmingly witchy village of Old Middleton. Her first dream in twenty-five years ought to be enchanting, but her wonder quickly turns to shock when she realizes that it's not a dream at all, but an entirely different sort of magic.

Catapulted through an ancient portal into the fairytale kingdom of Between, Sasha's astonishment is swiftly upgraded to panic when she accidentally performs a supposedly impossible feat and is declared the True Queen of Between...and betrothed to its infuriatingly handsome sorcerer king.

Lorn, Shadow King of Between, is desperate to break free from Between's clutches. Magically tethered to the ramshackle kingdom, he wages a daily battle to save his disreputable subjects from rampaging magical creatures, sinkholes, and catastrophes of the distressingly lethal variety. To avoid an early grave, he needs an escape plan, not a wife...until he learns that this magi-class mortal holds the key to his freedom.

Unwilling to leave her world to accept the crown—or the husband—Sasha must race against the clock to disentangle herself from this fairytale. But her empty throne leaves a dangerous rift between their worlds. As dark forces descend upon Old Middleton, the two must make a choice: work together or unleash fairytale chaos upon their realms.

AUTHOR BIO

The Song of the First Blade

THE BLADEBORN SAGA | 7 BOOK SERIES

A sweeping epic fantasy adventure where Game of Thrones meets Assassin's Creed.

An ancient evil. A treacherous king. A mystery going back to the fall of the gods.

In the heart of Vandar, as dark forces close in, Elyon, a gifted Bladeborn knight, fights for his family's survival in a world on the brink of war. In the beleaguered northlands of Tukor, a servant girl with a mysterious past is forced on the run by a treacherous lord, propelling her on a journey that will change her world forever. From the Shadowfort, an ancient power is unleashed, one that will set into motion a series of events that will bring the world to its knees.

With the world on the verge of chaos and countless lives at stake, a new First Blade must be selected, but obstacles stand in the way. Alliances are broken. Enemies are born. Only the strong will survive.

AUTHOR BIO

T.C. Edge (Toby to his friends) grew up in the lush green countryside of Southern England with 2 parents, 3 brothers, and a whole farmyard's worth of animals.

As an avid movie fan, Toby likes to create highly cinematic books where he can truly let his imagination run wild. So instead of writing stories based in the 'real world', he creates worlds of his own, casting his mind ahead hundreds of years to present alternate visions of the future. His dystopian realities are typically harsh and brutal, and often contain characters with wonderful abilities and powers.

John Bierce

Into the Labyrinth

MAGE ERRANT | 7 BOOK SERIES

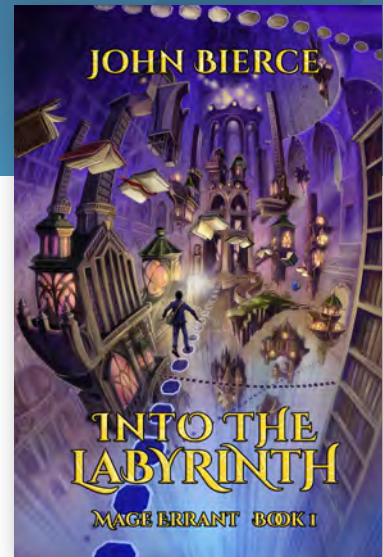

Bestselling coming of age, magical academy series.

Hugh of Emblin is, so far as he's concerned, the worst student that the Academy at Skyhold has ever seen. He can barely cast any spells at all, and those he does cast tend to fail explosively. If that wasn't bad enough, he's also managed to attract the ire of the most promising student of his year- who also happens to be the nephew of a king. Hugh has no friends, no talent, and definitely doesn't expect a mage to choose him as an apprentice at all during the upcoming Choosing.

When a very unusual mage does choose him as apprentice, however, his life starts to take a sharp turn for the better. Now all he has to worry about is the final test for the first years- being sent into the terrifying labyrinth below Skyhold.

AUTHOR BIO

John Bierce is a fantasy novelist, history and science buff, SFF fan, and general all-around dork. He travels the world full-time as a digital nomad, and has an unhealthy obsession with geology.

The Red Sea

THE CYCLE OF GALAND | 7 BOOK SERIES

USA Today bestselling fantasy series that is now complete at 10 books with thousands of 4+ ratings on Goodreads.

When Dante Galand was just a boy, his father, Larsin, sailed away to make his fortune. And never returned.

Since then, Dante has become a great sorcerer. A ruler. A destroyer of kings. And he's just learned that his father is living on a forbidden island at the edge of the known world. Where he's dying of a mysterious plague.

In the company of his friend, the swordsman Blays, Dante travels to the island. There, his magic can do nothing for his father. As Dante and Blays quest for a cure - beset by strange beasts, angry spirits, and violent coastal raiders known as the Tauren - Dante falls sick, too. To save his father and himself, he'll have to rediscover the island's long-lost magic. But the hunt for its secrets leads Dante on a crash course with the Tauren - and island-wide civil war. And as he's away, an old threat begins to move against his homeland.

Lindsay Buroker

Balanced on the Blade's Edge

DRAGON BLOOD | 7 BOOK SERIES

A fast-paced fantasy steampunk series from a USA Today bestselling author that's sold thousands of units in ebook and audio.

Colonel Ridge Zirkander isn't the model of military professionalism—he has a tendency to say exactly what's on his mind, and his record has enough demerits to wallpaper the hull of an airship—but as the best fighter pilot in the Iskandian army, he's used to a little leniency from his superiors. Until he punches the wrong diplomat in the nose and finds himself issued new orders: take command of a remote prison mine in the inhospitable Ice Blades Mountains. Ridge has never been in charge of anything larger than a flier squadron—what's he supposed to do with a frozen fortress full of murderers and rapists? Not to mention the strange woman who shows up right before he arrives...

Sardelle Terushan wakes from three hundred years in a mage stasis shelter, only to realize that she is the last of the Referatu, the sorcerers who once helped protect Iskandia from conquerors. Their subterranean mountain community was blown up in a treacherous sneak attack by soldiers who feared their power. Everyone Sardelle ever knew is dead, and the sentient soulblade she has been bonded to since her youth is buried in the core of the mountain. Further, what remains of her home has been infested by bloodthirsty miners commanded by the descendants of the very soldiers who destroyed her people.

Sardelle needs help to reach her soulblade—her only link to her past and her last friend in the world. Her only hope is to pretend she's one of the prisoners while trying to gain the commander's trust. But lying isn't her specialty, especially when the world has changed so much in the intervening centuries, and if Colonel Zirkander figures out who she truly is, he'll be duty-bound to sentence her to the only acceptable punishment for sorcerers: death.

AUTHOR BIO

Fantasy and science-fiction author Lindsay Buroker has early memories of convincing childhood friends, pets, and stuffed animals to play the roles of characters in her worlds, so it's safe to say she's been making up stories for a long time.

Until the End of the World

UNTIL THE END OF THE WORLD | 4 BOOK SERIES

Named one of BookBub's top can't-miss zombie series, Until the End of the World blends the intensity of a zombie apocalypse with deeply emotional storytelling, focusing on relationships, survival, and the resilience of the human spirit.

Cassie Forrest isn't surprised to learn that the day she's decided to get her life together is also the day the world ends.

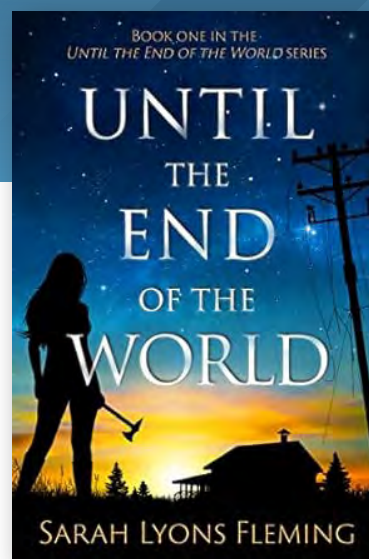

After all, she's been on a self-imposed losing streak since her survivalist parents died: she's stopped painting, broken off her engagement to Adrian and dated a real jerk. Rectifying her mistakes has to wait, however, because Cassie and her friends have just enough time to escape Brooklyn for her parents' cabin before Bornavirus LX turns them into zombies, too. This is difficult enough, but Cassie's tag along ex-boyfriend and her friend's bratty sister have a knack for making everything, even the apocalypse, more unpleasant.

When the two attract a threat as deadly as the undead to their safe haven, Cassie's forced to see how far she'll go to protect those she loves. And it's a lot farther than she'd anticipated. This, coupled with Adrian's distant voice on Safe Zone Radio and, of course, the living dead, threaten to put Cassie right back into the funk she just dragged herself out of. Survival's great and all, especially when you have leather armor, good friends and home-brewed beer, but there's something Cassie must do besides survive: tell Adrian she still loves him. And to do that, Cassie has to find faith that she's stronger than she thinks, she's still a crack shot and true love never dies.

AUTHOR BIO

Sarah Lyons Fleming is a Laura Ingalls devotee, wannabe prepper, and lover of anything apocalyptic. Add some romance and humor, and she's in heaven.

Besides an unhealthy obsession with bug-out bag equipment, she loves books and making artsy stuff. Born and raised in Brooklyn, NY, she now lives in Oregon with her family and, in her opinion, not nearly enough supplies for the zombie apocalypse. But she's working on it.

VAE VICTIS | 3 BOOK SERIES

A new action-packed LitRPG series from Ivan Kal with post-apocalyptic and fantasy elements. More than 200,000 views on Royal Road.

When an alternate Earth is subsumed into a new reality comprising many worlds, a young vampire is the only one with the knowledge needed to save her planet.

Sold to a vampire cartel at a young age so her starving family could eat, Marianna Rojas is accustomed to fighting for her survival. When her temper leads her to make a terrible mistake, the vampire master of the Lágrima Sangrienta Cartel decides to make an example of her. Near death, her life is spared by mere chance, but she opens her eyes in the wilderness to find two moons hanging in the sky above her.

Earth is being subsumed into a new reality by a spell with god-like power, and Marianna has been chosen as one of thirty Exemplars to experience the new world ahead of the rest of the planet's denizens. As a vampire herself, she's used to striking fear into the hearts of all, but now it seems like every monster lurking in the shadows is out for her blood. She'll have to learn this new realm's rules and level up her skills—and fast.

Accompanied by a tiny dragon named Saia, Marianna works to master the mysterious Mask, which seems to be the source of all the new skills now available to her. With it, she sets out to discover the path to fulfillment of her destiny. Suddenly flush with magic, she's more powerful than she's ever been, and the Thirst is thrumming in her veins. But she only has a month before she's sent back to the freshly integrated Earth to help with its transition.

Determined, Marianna trains to fight, and between the Dwarves, the Elves, and the warlike YoKai-ni, she has plenty of opportunities to practice. But to what lengths will she go to survive—and save as much of the Earth she left behind as possible?

Icalos Arrival

TERMINATE THE OTHER WORLD! | 5 BOOK SERIES

A humorous Isekai LitRPG adventure series about a Cybernetic Enforcer who finds herself in an alternate reality after getting hacked and ordered to kill her creator. Over 2 million views on Royal Road!

An unstoppable killing machine is unleashed to do . . . whatever she wants in this fast-paced, action-packed spin-off of the Faceless Minion series.

She's unlike anyone or anything else: a Non-Standard Leashed-Intelligence Cybernetic Enforcer aka NSLICE-00P. The first of her kind, she's let loose into a universe of superheroes on behalf of her sinister masters to destroy all who oppose them.

And everything's going according to plan—until NSLICE-00P gets hacked and sent into the past to kill her own creator before he creates her. Obeying orders as always, she wastes the poor guy. Unfortunately, there are consequences to initiating a reality-breaking time paradox. The most significant: total ejection from that reality.

Now the cyborg finds herself in a world of skills and levels, with the distinct advantage of possessing a dungeon core. She'll have to make her way without orders, programming, or limitations. NSLICE-00P suddenly has a whole new life ahead of her. If only she can keep herself from blowing things up at the drop of a hat, she'll be just fine . . .

Nicholas Searcy
Death: Genesis

DEATH: GENESIS | 16 BOOK SERIES

The hit post-apocalyptic LitRPG series -- with more than a million views on Royal Road -- has become an Amazon reader favorite, garnering an average of 4.7 stars from readers.

Death is only the beginning in this brutal and bloody post-apocalyptic fantasy about humanity's next phase.

In pursuit of his abusive father's approval, Zeke Blackwood pushed himself to the very pinnacle of his chosen obsession. Since childhood, all he'd ever wanted to do was play baseball, and through hard work, discipline, and no small degree of talent, his goal of reaching the major leagues was finally in sight. But then a horrific car accident ruined his arm, eliminating any hope of a professional baseball career.

Consumed by depression, Zeke gave up on his future, preferring to wallow in self-pity. That is, until an opportunity came along for him to prove his worth. When his chronically ill younger brother needed a kidney, Zeke didn't hesitate to offer one of his own—only to die on the operating table.

But eons later, after Earth has been ravaged by disasters both natural and man-made, Zeke is reborn. Guided by the mysterious Oberon, he soon finds himself in the Radiant Isles, a magical land populated by legendary creatures and horrifying monsters alike. A war rages between good and evil, and Zeke—along with the rest of humanity—has been recruited onto the front lines.

Fully healed from the wounds of his previous life, Zeke battles his way through an army of trolls and other subterranean beings, all the while increasing his skills, improving his strength, and gaining superhuman abilities. Finding allies in Abby, an archer who teaches him about his strange new circumstances, and Pudge, a helpless cub who's become soul-bonded to him, Zeke must keep collecting victories if he's to survive in this merciless world.

AUTHOR BIO

Nicholas Searcy has been a lot of things in his life, working jobs ranging from law enforcement to car sales, but through the various careers, he's always been a writer. Whether it's traditional fantasy, LitRPG, or science fiction, he's always putting words on the page.

Honour Rae

All the Skills

ALL THE SKILLS | 6 BOOK SERIES

A high fantasy, coming of age epic with dragon riders and a unique card-based magic system. An accessible entrypoint to the growing LitRPG genre.

For a boy coming of age and discovering a magical self-reliance and new powers for every occasion, the future is in the cards, in this fantasy adventure.

Arthur lives with his father, a fallen but proud former noble, in Border Village #49, along with the other good folks condemned to toil in service to the Baron. But Arthur has an edge: a stolen heart card that secretly fell into his possession, thanks to a dragon. It's a priceless source of power for the Baron and the tyrant will kill to get it back. Invaluable, too, to a young man of spellcasting ambitions.

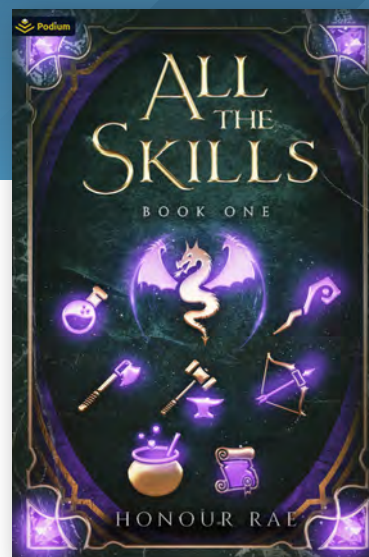

So, at the behest of his father—and to save his own hide—Arthur flees and joins a trader caravan on the kingdom's backroads. Mile by dusty mile, he gains new skills and learns more about his increasing capabilities. But when he meets Horatio, his sharp-tongued new best friend and a spell card collector himself, Arthur discovers the greater powers to come by building on the Legendary card hidden close to his heart.

One step ahead of the Baron's hunters, Arthur and Horatio forge on under a sky full of guardian dragons—from the adorably loopy to the mystically wise—and their unflappable riders. Amidst danger, rescue, and friendships with both humans and those creatures of the more leathery variety, Arthur awakens to a newfound confidence . . . and the extraordinary things that can arise from the simplest magics.

"Honour Rae's All the Skills has everything I love: great writing, an intriguing mystery, and badass dragons. Well, some of them are badass. Some are dweebs, and that makes it even more awesome."
—Matt Dinniman, bestselling author of Dungeon Crawler Carl
