Paul A. Dixon  
**Carpathians**

*Bestselling first-contact science fiction from the original audio publisher of The Martian.*

**Humans have reached the stars. There is no evidence any other species survived its own sentience long enough to do the same.** Until now, when the Magellanix deep-space scout Accipiter discovers the Artifact, a million-year-old alien construct resting in a dormant volcano on a faraway world.

Now, TransGalactic has sent the Carpathia to steal it. Two ships, two rival corporations, and a race only one of them can win.

The stakes are greater than they seem. The Artifact is more than just a technological marvel. It holds the key to humanity's survival, and—perhaps—an understanding of our place in the universe at last.

#### AUTHOR BIO

*Dr. Paul A. Dixon holds a PhD in Biological Oceanography from the Scripps Institute of Oceanography. In addition to his writing career, he works professionally in Climate Technology at Singularity Energy, a Boston-based startup focused on decarbonizing the power grid.*

*He is also a lifelong runner, a driftwood artist, and a middlin' chess player, and – regrettably – believes deeply that the pun is the highest form of humor. Paul lives with his partner and his daughter on Vashon Island, Washington, along with two poorly-behaved cats.*

THE FAVORITE GIRL | 2 BOOK SERIES

*Every family has secrets—dark ones, twisted ones, ones they hide.*

**The Ivory family is no different. From the outside of their gated estate, one would see a beautiful, wealthy family. But the more perfect they seem, it only shows how many imperfections they are trying to bury.** When Demi Rao, a young woman, is at her wits' end and on the run from escaping her captor, she comes across an employment ad from the Ivory family, looking for someone to help maintain their elaborate estate. Although the ad is strange with meticulous directions to wear all white, no makeup, and speak quietly, Demi applies. With no choices, Demi gets and accepts the job, and when she does, she quickly realizes she's not there to clean; she's there for a purpose. They picked her. They chose her. They've always known her. Behind the doors of the pristine estate lie secrets, a lethal human experiment, and Demi's entire life planned out for her.

The Ivorys have picked a favorite girl.  
 And it might just be her.

Michael Stagg  
**Lethal Defense**

NATE SHEPHERD LEGAL THRILLER SERIES | 8 BOOK SERIES

A client savagely kills a man to protect a friend. A lawyer with secrets must prove it was justified.

**Attorney Nate Shepherd left a big firm to go out on his own.** He sees nothing but opportunity when an out-of-town lawyer wants to hire him as local counsel on a high-profile murder case. Though his family worries that the case hits too close to home, Nate joins the defense team.

When circumstances force him to take on a bigger role, Nate ignores his family's fears and throws himself into his client's defense. But as he digs deeper, every aspect of the case raises memories of a terrible event that Nate has tried his best to bury.

Battling an aggressive prosecutor in court and a dogged reporter outside it, Nate fights to prove that his client's brutal, bloody slaying of an evil victim was right. But when Nate's own story is exposed, it threatens his client's freedom...and Nate's carefully constructed life. Can he fend off his own demons long enough to save his client?

#### AUTHOR BIO

*Michael Stagg was a civil trial lawyer for more than twenty-five years. He has tried cases to juries, so he's won and he's lost and he's argued about it in the court of appeals after. Michael was still practicing law when the first Nate Shepherd books were published so he wrote them under a pen name. He writes full-time now and no longer practices, but the pen name has stuck.*

*Michael and his wife live in the Midwest. Their sons are grown so time that used to be spent at football games and band concerts now goes to writing. He enjoys sports of all sorts, reading, and grilling, with the order depending on the day.*

**A remote lake house. A wolf in sheep's clothing. A terrifying fight for survival.**

Three years after losing her teenage daughter, with her marriage on the brink of unraveling, Barbara needs a break—time away, time alone, time to process. The lake house is perfect. It's quiet, remote, picturesque, and best of all, she has the whole place to herself.

Or so she thinks...

Barbara's weekend getaway takes a terrifying detour when a young woman emerges from the woods, screaming for help. She's been abducted. Her deranged captor is in close pursuit. Barbara will need all her courage and cunning if they're both to survive the nightmare headed their way.

But can she muster the strength to fight a natural-born killer?

Richard Thomas  
**Incarnate**

*"Reading Incarnate is a visceral experience—weird cosmic horror at its purest. Brutal and unforgiving, Thomas's novel is epic in its scope and ideas." —Sam Rebelein, Bram Stoker Award-nominated author of Edenville*

**In a frozen tundra, a sin-eater fights for redemption and absolution as monstrous creatures ravage a community already struggling to survive.**

Sebastian Pana is a sin-eater, a shaman-like figure who can absolve the dead of their transgressions before they move on to the afterlife. But when a tear in the fabric of reality allows hideous beasts to invade the small arctic town he calls home, Sebastian must wage battle with them the only way he knows how: by unleashing the power of sin itself.

Thus, the stage is set for an epic confrontation between the forces of good and evil, in which a mother monster strives to save the dying land around her—and a young Inuit boy, haunted by Sebastian's fate, risks everything to forge a new way forward for the desperate vestiges of humanity. As an obliterating darkness descends from the frozen mountains, this profoundly redemptive tale will build toward a climactic showdown in which nature and the supernatural collide with the eternal quest for healing and forgiveness.

#### **AUTHOR BIO**

*Richard Thomas is the award-winning author of nine books. These include the novels Incarnate, Disintegration, Breaker, and Transubstantiate; the collections Spontaneous Human Combustion, Tribulations, Staring into the Abyss, and Herniated Roots; and a novella, collected in The Soul Standard. Thomas has been nominated for Bram Stoker, Shirley Jackson, ITW Thriller, and Audie awards. He has more than 175 stories in print.*

**On the run after her heart's broken, Sam starts to wonder** if she should have listened to her daddy's advice: don't get a vintage car until you know how to fix one. Now she's stranded—along with her dog, Nibbler—in a middle-of-nowhere town no bigger than a matchbox until she can get her 1965 Mustang repaired.

Jack, owner of the one and only mechanic shop in remote Homestead, Texas, is a tall drink of water. And Sam quickly recognizes she's his type from the glint in his pretty green eyes. So she's pleasantly surprised when he offers up the refuge of his grandmother's B&B, the Rose Garden, while he fixes what's under the hood.

Still, Sam intends to be on her way in a few days—but then Ms. Kathleen offers her free room and board in exchange for helping out at her flower shop. Distracted by the blooms that surround her charming new home, Sam starts to feel settled for the first time in forever. But when local bookstore owner Noah catches her eye, she's forced to confront her heartache head-on. Will she be able to let down her guard and trust again? Or will she follow her instincts and run for the hills?

**A week before my eighteenth birthday, the guy I'm catching feelings for legit tosses me through a waterfall, only for me to find out everything I thought I knew is nothing but a lie.**

My name is Alchera, and five years ago, my people wiped my memories and abandoned me at a waterfall so I'd learn what it's like to be human. Turns out I have the destiny of saving humankind and a hotter-than-hell guardian to help me through the nightmare I have to face.

Adapting to a life of brutal training was not on my list of things to do after graduating. But the ten chosen ones depend on me, and I have no choice but to suck it up and do everything I'm told.

Trying to survive the new world I've been thrown into, I have to cope with my guardian, who can hear my every thought. Besides that, people are out to torture me for information about the visions I receive.

I'm not so sure I'm cut out for this.

**Attending a party with my stepbrother, I'm in for the surprise of my life.**

It's not a regular party, but instead, my wedding. To Angelo Rizzo. A coldhearted man who's feared by all. Including me.

Turns out my stepbrother owes the Cosa Nostra money, and I'm being used to repay his debt to Angelo Rizzo.

Do I have a choice?

No. Not when it comes to matters concerning the Cosa Nostra.

Three hours later, I have a new shiny wedding ring on my finger and a husband I'm terrified of standing by my side.

Yep, my life just took a turn for the worse.

There's no hiding. No running.

All I can do is face the nightmare that awaits me and pray I'll survive being married to Angelo Rizzo.

**I entered an arranged marriage so my sister, Ciara, could marry for love.** Three years later, I'm a widow, and my father arranges for Ciara to marry Dominik Varga. The assassin slash arms dealer is as dangerous as he's quiet, which is very unnerving.

Needless to say, I'm not happy at all. A deal was a deal, and I kept my end of it, so there's no way on God's green earth I'll just sit back and smile like a good little girl. I'll fight for Ciara's freedom so she won't have to face the hell I was forced to endure.

But Dominik doesn't make things easy for me. He's determined to get his hands on half of Dad's empire.

When he moves into my family home, my entire routine unravels. I have to fight for more than just my sister's freedom because I'm in danger of losing my heart.

I refuse to admit I'm drawn to his darkness. If I do, God only knows whether we'll survive the fire raging between us.

**Murder brought us together. Only death can keep us apart.**

The Tormentor

Calista belongs to me... she just doesn't know it.

The first time we met, I wanted her.

The next time, I was obsessed.

I watched her.

I followed her.

It only deepened my need to possess her.

Once she's mine, I'm never letting her go.

The Target

Hayden Bennett is a monster, in and out of the courtroom.

Unfortunately, I need his help.

What was supposed to be a simple transaction turns into something else.

Something intense.

He's always there when I need him, but I don't know if trusting him is a good idea...

**Ryder, Garrett, Kenzo, and Diesel—the Vipers. They run this town and everyone in it. Their deals are as sordid as their business, and their reputation is enough to bring a grown man to his knees, forcing him to beg for mercy. They are not people you mess with, yet my dad did. The old man ran up a debt with them and then sold me to cover his losses.**

Yes, sold me. They own me now. I'm theirs in every sense of the word. But I've never been meek and compliant. These men, they look at me with longing. Their scarred, blood-stained hands holding me tight. They want everything I am, everything I have to give, and won't stop until they get just that.

They can own my body, but they will never have my heart. I'm going to make them regret the day they took me. This girl? She bites too.

*Cole Parker is my worst nightmare.*

**He's a straight-up asshole who lives to torment me, and he'll stop at nothing to punish me over the smallest slight.**

When he digs up a sex tape starring—you guessed it—me, he takes bullying to a whole new level, using it to blackmail me into doing his bidding.

If the video gets out, it will ruin me.

But my stepbrother makes it clear that he doesn't give a damn.

He drags me deep into his dark and twisted world, showing me the monster he hides beneath his handsome exterior, taking risks that put our lives in danger.

I thought I knew the devil I lived with.

I was wrong.

But so is he.

He thinks I'm nothing more than a pampered princess, but soon he'll realize I'm a Queen.

And it's time I put Cole in his place.

## Savage Little Games

SIN CITY MAFIA | 4 BOOK SERIES

*A four book dark mafia romance series from a fan favorite author!*

**In an ironic twist of fate, I've found myself entangled in Dante Salvato's world.** The ruthless mafia king is no stranger to violence; but when he lays his eyes on my bruised and battered face, he's furious.

I thought my makeup was thick enough to cover the beating I suffered until my inappropriately flirtatious boss noticed. As a cocktail waitress in his casino, I've always been on Mr. Salvato's radar, but now he's obsessed, demanding to know who hurt me and why, intent on making them suffer.

When Dante discovers that my boyfriend Mitch not only owes money to another vicious Vegas mobster but is also cheating on me, he offers him one hell of a deal – Dante will pay off Mitch's debt in exchange for the one thing he wants more than anything – me.

Dante's offer requires me to spend the next seventy-six days and nights with him, one for every thousand dollars of Mitch's debt. When I refuse, Dante promises to kill Mitch right then and there for being the one ultimately responsible for my bruises.

Desperate to avoid bloodshed even after I've seen the evidence of Mitch's betrayal, I reluctantly accept Dante's deal with one stipulation. I warn the arrogant bastard that I will never, under any circumstance, sleep with him.

Now I just have to resist the mob boss for seventy-six days and nights while he uses every weapon in his arsenal to try and change my mind.

**What's more embarrassing than a butt dial?**

Butt dialing your boss...

And leaving a dirty voicemail when you're uhh... "thinking" about them.

Working as Ruslan Oryolov's personal assistant is the job from hell.

After a long day spent tending to the billionaire's every whim, I need some stress relief.

So when I get home that night, that's exactly what I do.

Problem is, my thoughts are still stuck on the bosshole who's ruining my life.

That's fine—because of all Ruslan's many sins, being gorgeous might be the most dangerous.

Tonight, fantasies of him are just what I need to push me over the edge.

But when I look down at my phone squished next to me, There it is.

A voicemail for 7 minutes and 32 seconds...

Sent to Ruslan Oryolov.

I panic and throw my phone across the room.

But there is no undoing the damage done by my very vocal O. So what can I do?

My plan was to just avoid him and act like it never happened. Besides, no one that busy checks their voicemails, right?

But when he schedules a one-on-one meeting with me for exactly 7 minutes and 32 seconds,

One thing is for certain:

He.

Heard.

Everything.

BUGROV BRATVA | 2 BOOK SERIES

*Bestselling author with over 2 million copies sold in the last 12 months!*

**My gorgeous neighbor just found my box of “personal toys.”** And my mission to steal them back... ended in his bed.

It was supposed to be a joke: Give my best friend raunchy toys for her bridal shower and embarrass her in front of her family. But when my package is wrongly delivered to my gorgeous, mysterious neighbor, I’m the one who ends up mortified.

I sneak over to his place to try stealing it back before he finds it. The problem is I get caught mid-heist... And then he makes me stay for dinner.

Dinner leads to dessert, and dessert leads to... other dessert, if you get my drift. Several courses of sweet, sinful temptation.

In my defense, he’s even more gorgeous up close than he is from my bedroom window.

When I finally get back home the next morning, I open my stolen prize. But it seems I grabbed the wrong package. And the violent mess I find inside will change my life forever.

Turns out my hot neighbor is a Russian Bratva boss with some deep, dark secrets.

Turns out he got me pregnant, too.

**One wardrobe malfunction.**

Two people who don't belong together.  
Three awful words: "Be my wife."  
Everyone else is at this party to marry the host.  
I'm only here until I can get a ride home.  
When my dress rips in the world's worst-timed wardrobe malfunction,  
I go find somewhere quiet to fix it.  
So I'm standing there in nothing but my heels when,  
As my luck would have it, the door opens...  
And the man of the hour walks in.  
I wish I could say I played it cool.  
But it's been a looong time since anyone has seen me in my birthday suit...  
Much less the hottest man I've ever laid eyes on.  
All I want to do is fix my dress, click my heels three times, and be back on my couch in fuzzy slippers.  
But Ivan has other ideas.  
He's decided who he's taking to the altar...  
And I don't have a choice but to say "I do."

### **What doesn't kill me had better start running.**

Life as I knew it ended with a bullet. It stole my brother from me and destroyed my family. From the ashes, I rose stronger and meaner, to exact the kind of revenge best served bloody and cold. I took out every single person I held responsible.

Except one.

He's a phantom but his days are numbered. I won't stop until I'm done.

Then she shows up—the forbidden fruit, a light to my darkness. I should resist her because what I touch, I destroy. My feisty wildflower deserves more: more than this, more than me.

But there is a monster lurking in the shadows. A psychopath watching her, watching us. His threats torment her and they make my black heart burn.

He should know: you don't ever mess with me or the people I love.

## Bratva Lullaby

ZARKOV BRATVA | 2 BOOK SERIES

*Penny Dee's newest series, which published in Spring 2024, continues her success in the mafia romance space, with over 35,000 copies sold as of September 2024!*

**I'm fake dating the boss of the Zarkov Bratva—what could possibly go wrong?**

Lev Zarkov is a real-life monster.

No, correction, he's actually the devil.

Except, when I first meet him, he's simply the mysterious, handsome man traveling next to me on a first-class flight to New York.

And after being dumped at the altar by my loser fiancé who vanished into thin air the morning of our wedding, when things get flirty between me and the mysterious stranger, I think, why not?

Surely, I deserve one night to forget. I mean, where's the harm in a little indulgence, right?

I'll tell you exactly where the harm is. It turns out my one-night stand is not only the pakhan of the Zarkov Bratva, but he's also a billionaire who is used to getting what he wants... and what he wants is me with his ring on my finger.

I'm to appear in public as his fake fiancée, and in return, my loser ex will get to keep his brains inside his head.

Every instinct tells me I don't want to do this.

But Lev Zarkov can be very persuasive...

**Take Me, Daddy**  
BOSTON KINGS | 5 BOOK SERIES

*Dark, kinky, mafia romance series by USA Today bestselling author Sara Fields. Over 1.8 million copies sold across author's catalog worldwide!*

**He knows what I need even when I'm too shy to ask for it.**

That's why I call him daddy.

Kieran Murphy is an Irish mob boss and one of the most powerful men in Boston. When he walks me home, people step aside out of respect for him. He could have any woman he wants. So why does he have eyes only for me?

Is it how he has to lift my chin with his fingers to keep my eyes level with his when he scolds me and how I cover my bottom instinctively when he tells me that I've earned a spanking? Or is it how I quiver at the thought of everything I'm too ashamed to beg him to do to me and how hard I come for him when he does all of it and more without me even having to ask?

Maybe it's all of those, but I'm pretty sure there's something else too. I think he loves how I blush when he makes me call him daddy.

Camilla Evergreen

## Falling in Love with My Vampire Cat

THAT'S (PARA) NORMAL | 6 BOOK SERIES

*For five long years, I didn't know my cat could turn into a vampire.*

**That means I've spent five long years squishing little black toe beans, participating in all-night cuddles, and calling a full-grown man my itty bitty stinky kitty baby.**

When my near-death experience forces Zylus Myrkur to tell me the truth about how magic is real, I nope my way right back into my fish bowl. I will not be participating in any tropes, thank you.

This is not a fish out of water, enemies to lovers romantasy. This is me—a barely functional adult—attempting to live my best life, which consists solely of reading books, eating cheese, and falling asleep on the couch. It does not include making friends with werewolf chihuahuas, meeting a moth faerie prince, or defeating a boogeyman.

And it absolutely, completely, most definitely does not include falling in love.

### AUTHOR BIO

*Camilla Evergreen writes sarcastic, chaotic romcoms full of singular beds, secret obsessions, and neurodivergent traits. She uses the accessibility of romantic comedy to extend a simple, but important, message to anyone who finds her: No matter what, you are not alone.*

Anastasis Blythe

## The Assassin Bride

THE KING AND THE ASSASSIN | 3 BOOK SERIES

*Perfect for fans of The Serpent and the Wings of Night, Sylvia Mercedes, and Elise Kova who love dark, swoon-worthy heroes and a slow-burn romance.*

**It is said that the Neverseen King comes for a bride every hundred years.**

I thought it was only legend—until he came for me.

I am one of twelve assassins forced to compete for the hand of our unseen king, who I'm beginning to doubt is even human at all.

Why he needs a bride, much less one who wields a blade isn't any of my business. All I'm trying to do is get out of here with my life and my heart intact. I don't want to care about the mysteries I begin uncovering about the king, about why he never shows his face, about his palace that turns into a nightmare after dusk. I'm just trying to escape.

But apparently, my choice is to win this competition or die. I'm not dying. And I'm definitely not falling in love with the Neverseen King.

### AUTHOR BIO

*Anastasis Blythe makes her home in central Texas with her husband. When she's not writing, she gardens, accompanies local bands and choirs on piano, rescues feral cats, and tries to keep up with the laundry. She loves exploring the world through reading, walks in nature, and thoughtful conversations.*

THE SECRET MONSTER SERIES | 3 BOOK SERIES

*Genre-bending underwater romantasy.*

**Former model and current recluse Jules Lowe would prefer** to spend the rest of her life locked inside her apartment doing nothing more than fixating on her empty fish tank and chatting away on a local aquarium forum.

But when her online crush sends her an inadvertently suspicious picture, Jules' curiosity gets the best of her. Who or what is Mack Vasser?

Even Jules' fear of the outside world can't stop her from exploring further. And while venturing out to track down Mack is scary enough, discovering he's part-fish, part-man is a shock of a lifetime. Even more shocking is Jules' confusing attraction to him which has her leaving her apartment again and again.

Unfortunately for Jules, she isn't the only person who's aware that creatures like Mack exist. And now that she's gotten herself involved, she's risking not only her feelings but both their safety, in a world where nobody seems to know who the real monsters are.

#### **AUTHOR BIO**

## Perfectly Imperfect Pixie

PERFECT PIXIE SERIES | 5 BOOK SERIES

*A M/M fantasy romance series, perfect for readers of AJ Sherwood, Lily Mayne, and Alice Winters.*

### Size matters.

Pixies are supposed to be petite, beautifully lithe creatures with gossamer wings. Sporting luscious, ombre pink hair and fluttering pink wings, Phil meets two out of three of those criteria. At over six feet tall, no one would dare call Phil petite.

As a home-and-hearth pixie, Phil yearns to find a home and family he can bond to. When no one's willing to hire a pixie of his stature, Phil is forced to find work elsewhere. Turns out, pixies make terrible bouncers.

The sudden death of Sedrick's brother and sister-in-law left Sedrick Voss a pack of one—plus two young, traumatized were-children. Sedrick needs help. He needs a home-and-hearth pixie. But pixies are small, delicate creatures nowhere near sturdy enough to stand up to a couple of growing werewolves. Phil seems like the perfect answer—a pixie that might be able to physically withstand small werewolf teeth and claws.

Phil is overjoyed, finally able to do a job that speaks to his heart and soul. But peace is a hard-won commodity. Sedrick is in the middle of a nasty custody battle with his niece and nephew's maternal grandfather—one of the most arrogantly deceitful werewolf alphas to ever lead a pack. If their grandfather gets custody, Sedrick's niece and nephew are in for a lifetime of manipulation.

Between the custody battle, noxiously invasive garden gnomes, and fairy lawyers, Phil and Sedrick struggle to keep their home and family safe. Werewolves and pixies don't mate. Phil and Sedrick are about to challenge that misconception.

THE KNIGHTS SERIES | 3 BOOK SERIES

*A brand-new voice in the Sports Romance space, Mexican-American author, E. Salvador, brings a new kind of spice to beloved genre tropes with over 8,000 4-star ratings on Goodreads.*

**Meeting during senior week on the day of their birthdays** was pure coincidence.

It was supposed to be nothing more for Lola Larson and TJ Kingston than three days of fake dating before going back to their everyday lives. Not thinking they will see each other again, they part ways without getting each other's last names or phone numbers.

Two years later, they're in college, where they meet again. However, their priorities are different from the last time they saw each other.

TJ wants nothing more than to enter the draft and play for the NBA. It's all he's worked hard for and has made sure that nothing and no one hinders him from achieving his dream. That is until he sees Lola again, and realizes that basketball is no longer his sole priority when he finds out he has a kid.

Serious relationships? Not my usual ride.

As the Prez of the Steel Demons MC, my life has always been all about the thrill of the chase. But lately, those club bunny flings ain't cutting it. Deep down, I crave something more real, something with meaning.

Then, outta nowhere, my past roars back. A night from five years ago, a hazy memory, and in a flash—a son I never knew about.

This is how Ellie comes into my life, the game-changer. Her sister's vanished, and she's been raising my kid all by herself. The moment I lock eyes with Ellie, I'm hooked.

I know she's mine.

But life's got a way of throwing curveballs. With Ellie, it's not just about a newfound desire; it's about stepping into a world of danger that clings to her like a shadow. But here I am, proving that this dirty biker can be her knight in tarnished armor and the perfect pop for our boy.

Can I make her see we're meant to ride together before it's too late?

## A Crown of Ash & Silver

A THRONE OF ICE | 3 BOOK SERIES

*A fast paced, enemies to lovers Romantasy saga with immersive world building and plenty of spice!*

**After striking a deal with a slimy merchant, Aurelie Cane's** life is forever changed.

Traded to the fae to maintain peace between the two realms, she finds herself thrust into a world of myth and chaos.

When her captor has plans to sell her hand in marriage in exchange for his own personal gain, she must decide whether she will sit and wait or stand and fight.

Seeking anything that will get her out of this arrangement, Aurelie confides in the bodyguard assigned to her by the cruelest man she'd ever known. As she uncovers the truth of her bloodlines and magic, she discovers that her quiet guard has more than a few secrets of his own.

Together, they dig up a forgotten evil. Aurelie finds that cold death shines brighter than the summer sun, and the good she once knew is no better than poison in her heart.

One thing rings true despite the chaos that surrounds her: The Winter Court King had returned from the ashes, and he would burn for her even if it meant losing the throne he desired more than anything else. He'd light the torch and watch the sky turn gray if it meant keeping her safe.

To uphold a treaty of peace or to give in and harness mayhem... Her choice could be enough to tear apart kingdoms.

CHARLESTON CONDORS SERIES | 4 BOOK SERIES

*MM Football Romance.*

**Tight end Landry Banks knows the score when he signs with the Charleston Condors in a rebuilding year.**

New owner. New coach. New players. New rules.

But one rule hasn't changed: Don't hook up with your best friend's little brother.

Rookie quarterback Riley Flynn knows what it takes to make it in the NFL. He's in Charleston to prove himself—to the world and his teammates, but mostly to his older brother, who's never believed he could be a star.

The last thing he expects is for his brother's best friend, Landry, to welcome him with open arms and an offer to become roommates.

Riley's always believed Landry was straight—but the way Landry keeps checking him out leaves him suddenly unsure. And Landry's hot looks certainly don't help squash the crush he's always had on his brother's best friend.

Revisiting his teenage crush isn't part of the plan. But as he and Landry fall into a rhythm of thrilling plays on the field and sizzling tension off it, there's no denying their connection.

Riley isn't willing to trade becoming the next big NFL superstar for love. But with a man like Landry Banks waiting to catch anything he throws at him, maybe he can have both.

## It's A Wonderful Midlife Crisis

GOOD TO THE LAST DEATH | 12 BOOK SERIES

*A 12 book Paranormal Women's Fiction series with a bit of class, and a lot of sass, for anyone who feels like age is just a number!*

**Whoever said life begins at forty must have been heavily medicated, drunk, or delusional.**

Thirty-nine was a fantastic year. I was married to the man I loved. I had a body that worked without creaking. My grandma, who raised me, was still healthy, and life was pretty damned good.

But as they say, all good things come to an end. I'd honestly love to know who 'they' are and rip them a new one. One year later, I'm a widow. My joints are starting to ache. Gram is in the nursing home, and dead people think my home is some kind of supernatural bed and breakfast. Gluing body parts onto semi-transparent people has become a side job—deceased people I'm not even sure are actually there. I think they need my help, but since I don't speak dead, we're having a few issues.

To add to the heap of trouble, there's a new dangerously smokin' hot lawyer at the firm who won't stop giving me the eye. My BFF is thrilled with her new frozen face, thanks to her plastic surgeon, her alimony check, and the miracle of Botox. And then there's the little conundrum that I'm becoming way too attached to my ghostly squatters... Like Cher, I'd like to turn back time. Now.

No can do.

Whatever. I have wine, good friends, and an industrial sized box of superglue. What could possibly go wrong?

Everything, apparently.

All in all, it's shaping up to be a wonderful midlife crisis...

MAGIC AND MAYHEM | 10 BOOK SERIES

*In this 10 book series, a grumpy witch, a resurrected cat, and a werewolf mate embark on a mysterious mission to save supernatural beings before a looming deadline.*

Released from the magic pokey and paroled with limited power is enough to make any witch grumpy. However, if you throw in a recently resurrected cat, a lime-green Kia and a sexy egotistical werewolf, it's enough to make a gal fly off the edge.

Not to mention a mission...with no freaking directions.

So here I sit in Asscrack, West Virginia trying to figure out how to complete my mysterious mission before All Hallows Eve when I'll get turned into a mortal. The animals in the area are convinced I'm the Shifter Whisperer (whatever the hell that is) and the hotter-than-asphalt-in-August werewolf thinks I'm his mate. Now apparently I'm slated to save a bunch of hairy freaks of nature?

If they think I'm the right witch for the job, they've swallowed some bad brew.

**Fashionably Dead**

HOT DAMNED | 18 BOOK SERIES

*A page-turning hilarious, action-packed 18 book paranormal romance series about Vampyres, Fairies, Demons and the Devil himself. Being dead has never been so delightful.*

**Vampyres don't exist. They absolutely do not exist.**

At least I didn't think they did 'til I tried to quit smoking and ended up Undead. Who in the hell did I screw over in a former life that my getting healthy equates with dead?

Now I'm a Vampyre. Yes, we exist whether we want to or not. However, I have to admit, the perks aren't bad. My girls no longer jiggle, my ass is higher than a kite and the latest Prada keeps finding its way to my wardrobe. On the downside, I'm stuck with an obscenely profane Guardian Angel who looks like Oprah and a Fairy Fighting Coach who's teaching me to annihilate like the Terminator.

To complicate matters, my libido has increased to Vampyric proportions and my attraction to a hotter than Satan's underpants killer rogue Vampyre is not only dangerous . . . it's possibly deadly. For real dead. Permanent death isn't on my agenda. Avoiding him is my only option. Of course, since he thinks I'm his, it's easier said than done. Like THAT'S not enough to deal with, all the other Vampyres think I'm some sort of Chosen One.

Holy Hell, if I'm in charge of saving an entire race of blood suckers, the Undead are in for one hell of a ride.

BITCHCRAFT | 3 BOOK SERIES

*The Devil Wears Prada, but with witches!*

**In a witty urban fantasy for fans of *The Devil Wears Prada*, a hapless barista becomes embroiled in a world of business, backstabbing, and . . . the occult?**

As a twenty-three-year-old college dropout, Clark Crane has nothing to show for himself but three dead-end jobs. So when he becomes the unlikely intern for enigmatic celebrity Charisma Saintly and her “coven” of personal assistants, he’s prepared to do whatever it takes to succeed. Only, he has no idea who—or what—Charisma really is . . .

Clark runs headfirst into this new world of midnight rituals, deadly rivalries, and notes passed furtively between Charisma and her VIP clientele. Soon, a mysterious maid warns him to “get out now,” while he still can, but romance is budding with someone he met on the job. Clark isn’t sure what to do or who to believe. After all, he’s told a million girls would kill to be in his position.

But when he witnesses Charisma firing one of her assistants by murder and magic, Clark knows one thing’s certain: his boss can be a real witch! It seems no one just quits her glamorous web. Will Clark unravel the coven’s secrets and survive to tell the tale?

## Second to the Right

THE NEVERLAND CHRONICLES | 3 BOOK SERIES

*A #BestofTikTok dark fairytale retelling featuring Peter Pan and the Lost Boys, The Neverland Chronicles series has sold over 75,000 copies to-date!*

**Gwendolyn Mary Darling Carlisle's young life has been a saga of misfortune.**

After a tragic accident unexpectedly took her parents, Gwen found herself the sole caregiver for her ailing sister. It's her eighteenth birthday, but with responsibilities weighing heavy, she struggles to find something worth celebrating. Everything in her life has fallen apart. That is until she finds a mysterious man in her bedroom.

Peter Pan has returned to the Darling estate. The boy from Neverland, who refused to grow up, has, in fact, grown into an alluring man. It's time for spring cleaning, and he's determined to bring a descendant of Wendy's back to Neverland with him.

Gwen is swept off her feet and across the veil to be engulfed in a fantastical world of mermaids, Fae, and Peter's new band of Lost Boys. As she gives herself over to the wonder of Neverland and the affections of Peter and his Lost Boys, she finds herself living out hedonistic fantasies that she could have only ever dreamed about.

But not everything is as it seems in Neverland. Her memories of home and her beloved sister are fading. A treasured family heirloom, a locket with its own ties to Neverland, is the only tether to the sister she left behind and the life she is obligated to return to. The fairytales she'd heard as a child only hinted at the truth. Neverland bears some dark secrets.

## Katerina St Clair **Forgive Me Father**

THE SHADOWS OF DARKNESS UNIVERSE | 3 BOOK SERIES

*In this provocative, dark series, author Katerina St Clair explores the fragile boundaries between faith, passion, duty and temptation. The first title in series, Forgive Me Father is a mesmerizing journey into the heart of a young woman's struggle with love, faith, and her dark secrets better left buried.*

**In the quiet town of Idlewood, twenty-year-old Eden Faulkner** is known for her unwavering devotion to her Catholic faith. Raised in the shadow of the town's church, she has always sought solace and guidance within its hallowed walls.

When Father Roman Briar arrives at St. Michael's, his charisma and mysterious presence immediately captivate Eden. As their friendship deepens into forbidden territory, Eden finds herself ensnared in a web of desire and deceit. Roman, too, struggles with his vows, torn between his sacred duty and the intense attraction he feels for Eden.

Caught between their faith and their desires, Eden and Roman must confront the consequences of their choices. Will they find redemption in each other's arms, or will their illicit affair lead them down a path of irreparable sin?

## Kingdom of Fallen Ash

THE ORDER SERIES | 4 BOOK SERIES

*A debut dystopian series from TikTok favorite, Katerina St Clair. For fans of Rebecca Yarros and Sarah J. Maas, readers are calling The Order Series one they can't put down.*

**In the dystopian realm of The Order, society is eternally divided between the privileged Untouchables and the struggling Unfortunates.**

The Untouchables, draped in opulence and power, govern the city with an iron fist, casting long shadows over the impoverished Unfortunates who toil beneath in the murky depths of the working class.

As the ruling elite revel in excess and luxury, the Unfortunates navigate a world stacked against them, grappling with meager resources and restricted opportunities. The social chasm widens daily as the Untouchables tighten their grip on wealth and influence, leaving the Unfortunates to navigate the shadows cast upon their lives.

The Order Series follows the intertwining fates of two sworn enemies—one an ambitious Untouchable seeking to challenge the system from within, struggling to cope as the lies of her society unfold in front of her; the other an Unfortunate yearning for a chance to seek vengeance on any and every Untouchable in his path. Their stories unfold against a backdrop of intrigue, rebellion, and the unyielding determination to break free from the oppressive shackles of a society defined by its merciless class divisions.

The question is, can free will exist in a society this divided?

## A Word So Fitly Spoken

THE SEVERED REALMS | 5 BOOK SERIES

*Christened the #BestofBookTok, enter the world of T.A. Lawrence in this series of fable and fairytale retellings, full of love, sacrifice, and betrayal.*

### **One stunning bride. One wedding. One night with the king.**

One execution come morning. Rinse and repeat.

When the fae king of Naenden returns home to his palace only to find that his human queen has committed treason by conspiring to assassinate him, he has the queen executed and decrees that once every mooncycle, he'll marry a human woman from the kingdom, only to execute her the following morning.

Unless one woman offers herself as a sacrificial bride for the rest.

Asha isn't worried about being chosen, of course. The decree was quite clear about beauty being among the top criteria for being selected as one of the king's unfortunate brides. Asha is no beauty thanks to the illegal magic that inhabits her body, leaving her scarred and missing an eye. The same magic that occasionally possesses her voice so it can amuse itself by telling a never-ending story with a string of horrible cliffhangers.

The problem is Asha might not be a beauty, but her sister Dinah is. When Asha realizes Dinah is in danger of being selected as the king's sacrificial bride, Asha decides she can't live with that risk. So she offers herself instead.

Except on the night of their wedding the king grants Asha a final request. Naturally, she asks to tell her sister one last bedtime story. Naturally, the king eavesdrops.

*"Magical from beginning to end! A mysterious discovery, a ghost grandmother who is the bee's knees, a town that made me want to drop everything and move there, and two of the most adorable people in the world." - Top Amazon Review*

### It should have been the start of something wonderful...

Max is living the screenwriter dream. He's not even thirty, he's just won an Oscar, and he's dating the gorgeous star of his movie. But after that one magical night, everything crumbles. The movie star dumps him, and his latest screenplay is a blank document that stubbornly refuses to write itself.

So Max decides to disappear into the middle of nowhere and maybe obscurity. He's just getting settled into his new life when suddenly someone is trying to kill him.

Gorgeous Gentry Fox seems like he wants to help, but the way he keeps showing up at just the right times is suspicious. Is he the aw-shucks good ol' boy he seems, or part of the plot to kill Max? Just as importantly, is he single?

## Balanced on the Blade's Edge

DRAGON BLOOD | 7 BOOK SERIES

*A fast-paced fantasy steampunk series from a USA Today bestselling author that's sold thousands of units in ebook and audio.*

**Colonel Ridge Zirkander isn't the model of military professionalism**—he has a tendency to say exactly what's on his mind, and his record has enough demerits to wallpaper the hull of an airship—but as the best fighter pilot in the Iskandian army, he's used to a little leniency from his superiors. Until he punches the wrong diplomat in the nose and finds himself issued new orders: take command of a remote prison mine in the inhospitable Ice Blades Mountains. Ridge has never been in charge of anything larger than a flier squadron—what's he supposed to do with a frozen fortress full of murderers and rapists? Not to mention the strange woman who shows up right before he arrives...

Sardelle Terushan wakes from three hundred years in a mage stasis shelter, only to realize that she is the last of the Referatu, the sorcerers who once helped protect Iskandia from conquerors. Their subterranean mountain community was blown up in a treacherous sneak attack by soldiers who feared their power. Everyone Sardelle ever knew is dead, and the sentient soulblade she has been bonded to since her youth is buried in the core of the mountain. Further, what remains of her home has been infested by bloodthirsty miners commanded by the descendants of the very soldiers who destroyed her people.

Sardelle needs help to reach her soulblade—her only link to her past and her last friend in the world. Her only hope is to pretend she's one of the prisoners while trying to gain the commander's trust. But lying isn't her specialty, especially when the world has changed so much in the intervening centuries, and if Colonel Zirkander figures out who she truly is, he'll be duty-bound to sentence her to the only acceptable punishment for sorcerers: death.

THE CHRONICLES OF BETWEEN | 6 BOOK SERIES

*A fresh take on the cozy fantasy genre -- with a hefty infusion of romantasy, whimsy, and humor -- Between has caught the attention of traditional fantasy and rom-com fans alike, with over 3,000 ratings on Goodreads.*

**Sasha Pierce hasn't had a single dream since she was a child...until she accepts a substitute teaching position in the charmingly witchy village of Old Middleton. Her first dream in twenty-five years ought to be enchanting, but her wonder quickly turns to shock when she realizes that it's not a dream at all, but an entirely different sort of magic.**

Catapulted through an ancient portal into the fairytale kingdom of Between, Sasha's astonishment is swiftly upgraded to panic when she accidentally performs a supposedly impossible feat and is declared the True Queen of Between...and betrothed to its infuriatingly handsome sorcerer king.

Lorn, Shadow King of Between, is desperate to break free from Between's clutches. Magically tethered to the ramshackle kingdom, he wages a daily battle to save his disreputable subjects from rampaging magical creatures, sinkholes, and catastrophes of the distressingly lethal variety. To avoid an early grave, he needs an escape plan, not a wife...until he learns that this magi-class mortal holds the key to his freedom.

Unwilling to leave her world to accept the crown—or the husband—Sasha must race against the clock to disentangle herself from this fairytale. But her empty throne leaves a dangerous rift between their worlds. As dark forces descend upon Old Middleton, the two must make a choice: work together or unleash fairytale chaos upon their realms.

**Into the Labyrinth**  
MAGE ERRANT | 7 BOOK SERIES

*Bestselling coming of age, magical academy series.*

**Hugh of Emblin is, so far as he's concerned, the worst student that the Academy at Skyhold has ever seen.** He can barely cast any spells at all, and those he does cast tend to fail explosively. If that wasn't bad enough, he's also managed to attract the ire of the most promising student of his year- who also happens to be the nephew of a king. Hugh has no friends, no talent, and definitely doesn't expect a mage to choose him as an apprentice at all during the upcoming Choosing.

When a very unusual mage does choose him as apprentice, however, his life starts to take a sharp turn for the better. Now all he has to worry about is the final test for the first years- being sent into the terrifying labyrinth below Skyhold.

## An Archer's Awakening

OF CROWNS & QUILLS | 3 BOOK SERIES

*Casey Morales is an LGBTQ storyteller and author of multiple bestselling MM romance novels. A recent Gold Medal winner in the 2024 Global Book Awards competition, readers will enjoy this enchanting series where a new love awakens, dark forces stir, and the world stands on the brink of war.*

**A new love awakens. Dark forces stir. The world stands on the brink of war.**

In a world where everyone wields magic, I'm the odd one out—ungifted and unsure. My lack of magic gnaws at my confidence, but amid this struggle, I find unexpected solace in Ayden, a fellow Ranger cadet. Our budding romance becomes the one bright spot in my life.

Then everything changes.

A shadowy threat emerges, and an ancient cult aims to resurrect a long-forgotten queen, plunging our world into chaos. Kidnappings and whispers of disaster force Ayden and me into a dangerous journey, one where trust is scarce and betrayal lurks around every corner.

As Keelan investigates, Ayden and I must navigate this treacherous path together, uncovering secrets of the past and within ourselves.

Through it all, I learn that true courage isn't only found on the battlefield but also lives in the quiet moments shared between two souls.

## Terragnata and the Heir of the Earth

TERRAGNATA | 4 BOOK SERIES

*A new adult dragon shifter romantasy series from debut author C. D. MacKenzie. Perfect for fans of A Court of Thorns and Roses, Fourth Wing, and The Serpent and The Wings of Night.*

**Her true power lies dormant inside her, only to be discovered** when everything she knows is lost.

Terra stands on the brink of an unremarkable and unwanted life. That is until a shockingly beautiful stranger with dark intentions turns the village's matchmaking ceremony into a night of bloodshed, leaving her family dead and revealing a power within Terra she cannot comprehend – or wield.

When an unlikely band of not-so-human rebels reveals her true nature and the keys to her forgotten past, Terra is thrust into a magical world beyond her wildest imagination.

The Fae befriend her.

The Witch teaches her.

The Dragon Shifter sets her aflame.

Embarking on a journey of vengeance, burning romance, and inevitable betrayal, Terra ultimately uncovers a web of lies that binds her to a fate far greater than the revenge she seeks.

# How to Train Your Human Omega

COVETED BONDS | 3 BOOK SERIES

*From debut author, Arden Fox, How to Train Your Human Omega is a tantalizing Beauty and the Beast retelling in the form of an action-packed, spicy, queer sci-fi romance.*

**The tall alien's eyes flashed. That was the only warning I got.** He charged at me, throwing my crew mates aside as if they were nothing.

In that moment, I was certain he would kill me.

But no death blow came. Instead, he spoke, his deep voice heavily accented, each word like stone slabs falling into place.

"You are mine."

Clay

I don't ask for much from life; I get paid, and then I get laid. And piloting spaceships across the galaxy keeps my solo lifestyle well funded. I don't need a relationship or any of the baggage that comes with it. I like my men like I like my coffee; to go.

That is, until the most boring job in the universe goes horribly wrong and I'm snatched from my ship by a seven-foot alien. He's huge, he's purple, and he's ripped as hell. I'm sure I'm a dead man.

Only it turns out he doesn't want to kill me. What he wants is far worse.

Arcay

I am the Second; Aldar royalty, the right hand of our leader. I live a half life. On my planet, alphas and omegas are believed to be two halves of a soul. But Omegas are a rare treasure, all but extinct, and I have resigned myself to never knowing the joy of a soul bond.

But that all changes the moment I step onto the human ship. By some miracle, their pilot is an unclaimed Omega. It does not matter that he is a different species, I have to have him.

That should be my happy ending; Omegas are supposed to be meek, obedient, and willing. Clay is anything but. He resists me at every turn. I must bend him to my will before his potent pheromones draw every unmated alpha on the ship—my rank will only hold them back for so long.

**Carpathians**

*Bestselling first-contact science fiction from the original audio publisher of The Martian.*

**Humans have reached the stars. There is no evidence any other species survived its own sentience long enough to do the same.** Until now, when the Magellanix deep-space scout Accipiter discovers the Artifact, a million-year-old alien construct resting in a dormant volcano on a faraway world.

Now, TransGalactic has sent the Carpathia to steal it. Two ships, two rival corporations, and a race only one of them can win.

The stakes are greater than they seem. The Artifact is more than just a technological marvel. It holds the key to humanity's survival, and—perhaps—an understanding of our place in the universe at last.

**Columbus Day**

EXPEDITIONARY FORCE | 20 BOOK SERIES

*New York Times bestselling Sci-Fi adventure series.*

**We were fighting on the wrong side of a war we couldn't win.** And that was the good news.

The Ruhar hit us on Columbus Day. There we were, innocently drifting along the cosmos on our little blue marble, like the Native Americans in 1492. Over the horizon come ships of a technologically advanced, aggressive culture, and BAM! There go the good old days, when humans only got killed by each other. So, Columbus Day. It fits.

When the morning sky twinkled again, this time with Kristang starships jumping in to hammer the Ruhar, we thought we were saved. The UN Expeditionary Force hitched a ride on Kristang ships to fight the Ruhar, wherever our new allies thought we could be useful. So, I went from fighting with the US Army in Nigeria, to fighting in space. It was lies, all of it. We shouldn't even be fighting the Ruhar, they aren't our enemy. Our allies are.

## Until the End of the World

UNTIL THE END OF THE WORLD | 4 BOOK SERIES

*Named one of BookBub's top can't-miss zombie series, Until the End of the World blends the intensity of a zombie apocalypse with deeply emotional storytelling, focusing on relationships, survival, and the resilience of the human spirit.*

**Cassie Forrest isn't surprised to learn that the day she's decided to get her life together is also the day the world ends.**

After all, she's been on a self-imposed losing streak since her survivalist parents died: she's stopped painting, broken off her engagement to Adrian and dated a real jerk. Rectifying her mistakes has to wait, however, because Cassie and her friends have just enough time to escape Brooklyn for her parents' cabin before Bornavirus LX turns them into zombies, too. This is difficult enough, but Cassie's tag along ex-boyfriend and her friend's bratty sister have a knack for making everything, even the apocalypse, more unpleasant.

When the two attract a threat as deadly as the undead to their safe haven, Cassie's forced to see how far she'll go to protect those she loves. And it's a lot farther than she'd anticipated. This, coupled with Adrian's distant voice on Safe Zone Radio and, of course, the living dead, threaten to put Cassie right back into the funk she just dragged herself out of. Survival's great and all, especially when you have leather armor, good friends and home-brewed beer, but there's something Cassie must do besides survive: tell Adrian she still loves him. And to do that, Cassie has to find faith that she's stronger than she thinks, she's still a crack shot and true love never dies.

## Dryker's Folly

VOID WRAITH ORIGINS | 6 BOOK SERIES

*The space marine science fiction classic- a trilogy for true fans of the space fleet sci-fi genre.*

### **Before the Void Wraith. Before the Eradication.**

One man had a chance to stop it all, and failed...

Captain Dryker is a washed up vet mining on the fringes of the Kuiper belt. He loads rocks into the Folly's railgun, and fires them back to his corporate overlords on Earth. Boring, just the way he likes it. Until one day it isn't.

An alien signal bursts from Pluto, which as it turns out is neither a planet, nor a planetoid body. It is an ancient defense satellite activated because it detected the return of the Vuka Spectra. The Void Wraith.

Dryker is the closest ship on the scene, but not the only one vying for the prize. Hostile aliens have emerged from our sun using something called a Helios Gate. The savage Tigris have come not just for the satellite, but to conquer Earth.

Dryker's only hope is finding something, anything, within the installation to counter the alien's superior technology and save mankind.

## The Sword of Jupiter

IMPERIUM | 6 BOOK SERIES

*Set in an alternative future, the Imperium series explores the question, "What if the Roman Empire had survived long enough to utilize space-age technology?" Perfect for fans of Craig Alanson, A.G. Riddle, and Stephen Baxter.*

### An uncertain future in a new past.

During the test flight of a prototype faster-than-light craft, Lt. Commander Ky is flung into an ancient past that never existed. Rome has fallen, defeated by the mighty Carthaginian Empire, its survivors chased off the continent and onto what had been the remote province of Britannia.

Hounded by the Carthaginians bent on conquering the known world, Rome is on the verge of destruction. Stranded and alone, except for a tactical AI implanted in his head, Ky has lost everything and must find a way to live in a world different than anything he's ever known.

For Ky to survive, he needs a new home. For the Romans to survive, they need a miracle. But can a man from the future work with people so far in his past, or is this match doomed to failure?

## Bearing Gifts

THE STARDOCK TRILOGY | 3 BOOK SERIES

*An Amazon bestselling military space opera series, perfect for fans of Craig Alanson, John Scalzi, and James S. A. Corey.*

**When the over-driven hyperdrive on their mobile shipyard burned out, the Chhrt'k'tk't abandoned it in an inhabited system along their path, hoping it would work as a decoy to buy them more time to escape the Khreetan fleet pursuing them.**

They didn't anticipate how far the pre-spacefaring species they turned over their broken-down maintenance facility to would subvert their plan.

Alex Holder, a retired engineer, just happened to be in the right place, at the right time, with the right mindset, to find himself chosen by the Chhrt'k'tk't to hand over control of their shipyard to, simply because he was the first person they found able to interface with it. The Chhrt'k'tk't could not possibly anticipate what he would do with it. And neither would anyone else.

### AUTHOR BIO

### **The future isn't what they expected.**

A company of Army Rangers is sent on an interstellar colony ship to secure a foothold on a dangerous, alien planet through violence of action. Leaving behind a warring Earth flung headfirst into a conflict of mutual assured destruction, the Rangers and the accompanying crew of first colonists are guided on a 40-year journey by an unprecedented artificial intelligence.

But when they emerge from the frigid embrace of cryosleep, they awake to a nightmare, finding themselves greeted by the same ruthless enemy that brought about the ruin of Earth. Alone on a dangerous, alien planet and with no hope of rescue or relief, the military colonists are forced to finish the war they thought they'd left behind. And in an unknown galaxy, friends and enemies alike prove to be much more than they seem.

HE WHO FIGHTS WITH MONSTERS | 6 BOOK SERIES

*Bestselling and fan favorite LitRPG series with hundreds of thousands of copies sold.*

### Selected as one of Audible's best audiobooks of 2021

Jason wakes up in a mysterious world of magic and monsters.

It's not easy making the career jump from office-supplies-store middle manager to heroic interdimensional adventurer. At least, Jason tries to be heroic, but it's hard to be good when all your powers are evil.

He'll face off against cannibals, cultists, wizards, monsters... and that's just on the first day. He's going to need courage, he's going to need wit, and he's going to need some magic powers of his own. But first, he's going to need pants.

**Deadworld Isekai**

DEADWORLD ISEKAI | 3 BOOK SERIES

In this isekai from the author of *How to Survive at the End of the World*, a man is sent to save a dead planet . . . a couple thousand years too late.

**Matt's in the prime of his life. So when his doctor tells him** he only has months to live, he figures it's just really bad luck. But it's about to get a whole lot worse.

When Matt's Earthly form finally expires, a truck-avatar system gives him the opportunity to become a hero on the paradise world of Gaia, a supposedly verdant, rich land teeming with plants and potential. What he finds instead is a place completely bereft of life. A literal dead planet. Thanks a lot, truck.

Now, Matt's going to have to figure out not only how to survive in a completely barren realm but also how to not go completely mad with a full load of stats, skills, and levels that might mean absolutely nothing. Unless there's actually something out there after all . . .

## Nicholas Searcy **Death: Genesis**

DEATH: GENESIS | 16 BOOK SERIES

*The hit post-apocalyptic LitRPG series -- with more than a million views on Royal Road -- has become an Amazon reader favorite, garnering an average of 4.7 stars from readers.*

**Death is only the beginning in this brutal and bloody** post-apocalyptic fantasy about humanity's next phase.

In pursuit of his abusive father's approval, Zeke Blackwood pushed himself to the very pinnacle of his chosen obsession. Since childhood, all he'd ever wanted to do was play baseball, and through hard work, discipline, and no small degree of talent, his goal of reaching the major leagues was finally in sight. But then a horrific car accident ruined his arm, eliminating any hope of a professional baseball career.

Consumed by depression, Zeke gave up on his future, preferring to wallow in self-pity. That is, until an opportunity came along for him to prove his worth. When his chronically ill younger brother needed a kidney, Zeke didn't hesitate to offer one of his own—only to die on the operating table.

But eons later, after Earth has been ravaged by disasters both natural and man-made, Zeke is reborn. Guided by the mysterious Oberon, he soon finds himself in the Radiant Isles, a magical land populated by legendary creatures and horrifying monsters alike. A war rages between good and evil, and Zeke—along with the rest of humanity—has been recruited onto the front lines.

Fully healed from the wounds of his previous life, Zeke battles his way through an army of trolls and other subterranean beings, all the while increasing his skills, improving his strength, and gaining superhuman abilities. Finding allies in Abby, an archer who teaches him about his strange new circumstances, and Pudge, a helpless cub who's become soul-bonded to him, Zeke must keep collecting victories if he's to survive in this merciless world.

## Icalos Arrival

TERMINATE THE OTHER WORLD! | 5 BOOK SERIES

*A humorous Isekai LitRPG adventure series about a Cybernetic Enforcer who finds herself in an alternate reality after getting hacked and ordered to kill her creator. Over 2 million views on Royal Road!*

**An unstoppable killing machine is unleashed to do . . . whatever she wants** in this fast-paced, action-packed spin-off of the Faceless Minion series.

She's unlike anyone or anything else: a Non-Standard Leashed-Intelligence Cybernetic Enforcer aka NSLICE-00P. The first of her kind, she's let loose into a universe of superheroes on behalf of her sinister masters to destroy all who oppose them.

And everything's going according to plan—until NSLICE-00P gets hacked and sent into the past to kill her own creator before he creates her. Obeying orders as always, she wastes the poor guy. Unfortunately, there are consequences to initiating a reality-breaking time paradox. The most significant: total ejection from that reality.

Now the cyborg finds herself in a world of skills and levels, with the distinct advantage of possessing a dungeon core. She'll have to make her way without orders, programming, or limitations. NSLICE-00P suddenly has a whole new life ahead of her. If only she can keep herself from blowing things up at the drop of a hat, she'll be just fine . . .

KAITO, SERIOUSLY? ANOTHER WORLD? | 3 BOOK SERIES

*Gamelit author, Lazybaker, makes his debut with Kaito, Seriously? Another World? — a laugh-out-loud, slice-of-life LitRPG story of an overpowered hero ... and the system AI is having a terrible time.*

**A laugh-out-loud, slice-of-life LitRPG story of an overpowered hero... and the system AI is having a terrible time.**

After too many lifetimes to count slaying demons and grinding levels, prophesied hero Kaito finally tells destiny where to shove it. He's done.

When dimensional portal number seventeen drops him in front of an enthralled king begging him to vanquish the looming Dark Army, he does what any retired adventurer would do—politely refuses and heads off to focus on the simple pleasures of life: community, and getting his taxes done on time.

No more impossible quests, no more magical MacGuffins, and no more final bosses. Kaito is putting his armor out to pasture for good in a cozy village baking hell-herbs and bread. He's found peace. He's found home. He's finally free to live out his slice-of-life fantasy.

**When an alternate Earth is subsumed into a new reality** comprising many worlds, a young vampire is the only one with the knowledge needed to save her planet.

Sold to a vampire cartel at a young age so her starving family could eat, Marianna Rojas is accustomed to fighting for her survival. When her temper leads her to make a terrible mistake, the vampire master of the Lágrima Sangrienta Cartel decides to make an example of her. Near death, her life is spared by mere chance, but she opens her eyes in the wilderness to find two moons hanging in the sky above her.

Earth is being subsumed into a new reality by a spell with god-like power, and Marianna has been chosen as one of thirty Exemplars to experience the new world ahead of the rest of the planet's denizens. As a vampire herself, she's used to striking fear into the hearts of all, but now it seems like every monster lurking in the shadows is out for her blood. She'll have to learn this new realm's rules and level up her skills—and fast.

Accompanied by a tiny dragon named Saia, Marianna works to master the mysterious Mask, which seems to be the source of all the new skills now available to her. With it, she sets out to discover the path to fulfillment of her destiny. Suddenly flush with magic, she's more powerful than she's ever been, and the Thirst is thrumming in her veins. But she only has a month before she's sent back to the freshly integrated Earth to help with its transition.

Determined, Marianna trains to fight, and between the Dwarves, the Elves, and the warlike YoKai-ni, she has plenty of opportunities to practice. But to what lengths will she go to survive—and save as much of the Earth she left behind as possible?

# All the Skills

ALL THE SKILLS | 6 BOOK SERIES

*A high fantasy, coming of age epic with dragon riders and a unique card-based magic system. An accessible entrypoint to the growing LitRPG genre.*

**For a boy coming of age and discovering a magical self-reliance and new powers for every occasion, the future is in the cards, in this fantasy adventure.**

Arthur lives with his father, a fallen but proud former noble, in Border Village #49, along with the other good folks condemned to toil in service to the Baron. But Arthur has an edge: a stolen heart card that secretly fell into his possession, thanks to a dragon. It's a priceless source of power for the Baron and the tyrant will kill to get it back. Invaluable, too, to a young man of spellcasting ambitions.

So, at the behest of his father—and to save his own hide—Arthur flees and joins a trader caravan on the kingdom's backroads. Mile by dusty mile, he gains new skills and learns more about his increasing capabilities. But when he meets Horatio, his sharp-tongued new best friend and a spell card collector himself, Arthur discovers the greater powers to come by building on the Legendary card hidden close to his heart.

One step ahead of the Baron's hunters, Arthur and Horatio forge on under a sky full of guardian dragons—from the adorably loopy to the mystically wise—and their unflappable riders. Amidst danger, rescue, and friendships with both humans and those creatures of the more leathery variety, Arthur awakens to a newfound confidence . . . and the extraordinary things that can arise from the simplest magics.

"Honour Rae's All the Skills has everything I love: great writing, an intriguing mystery, and badass dragons. Well, some of them are badass. Some are dweebs, and that makes it even more awesome."

# Wyndclyffe

*The mysteries of a remote estate lead a young woman down a twisted path in this gripping gothic thriller from the Edgar Award-winning author of Or Else.*

**After a car accident took the lives of both her parents, Mira Caine's transition to adulthood was hard and fast. Solely responsible for the welfare of her intellectually disabled younger brother, she's searching for a better life for them both when she's approached by an enigmatic woman with an offer that seems like the answer to their problems. Allison Wyndclyffe, the young heir to an enormous fortune who's suffered her own trauma, is in need of a mentor and companion.**

Isolated on an island in the St. Lawrence River lies the Wyndclyffe estate—beautiful but possessing a dark and complicated legacy. As Mira settles in and befriends her troubled charge, she quickly learns her new home is full of questions that no one wants to answer. What caused Allison's father to murder his wife and almost kill his daughter? How is the tragedy connected to the arcane writings Mira stumbles across? And why do parts of the island feel strangely familiar to her?

As more of the sprawling manor's secrets are revealed through Allison's damaged psyche, Mira's sense of time and self begin to erode. Before long she will come face-to-face with the unspeakable truth at the heart of Wyndclyffe, and not everyone will make it off the island alive.

2 NOVELLAS

*After taking in her estranged niece, a woman fears for her family's lives in a domestic thriller by Reese's Book Club pick author of The Last Mrs. Parrish.*

### **Things have been different since Serena came to stay . . .**

Ashley Bowers is shocked by the sudden death of her sister, whom she hasn't seen or heard from in years. Grieving for the bond they once shared and wallowing in the knowledge that any chance of reconciliation is gone forever is one thing. Welcoming her sister's thirteen-year-old daughter—a girl Ashley has never even met—into the home she shares with her husband and two children is another.

Ashley hopes Serena will blend in seamlessly with her family and their peaceful life in Maryland once they've both had a chance to process their loss. But as days become weeks, personalities clash and troubling incidents turn the Bowers residence into a whirlwind of accusation, denial, and fear.

It starts small: missing items, the dog inexplicably locked outside all night. But when the safety of her own children is threatened, Ashley starts to wonder if the tragedies in Serena's past are unfortunate coincidences or something more sinister. Is Ashley's orphaned niece simply acting out after the tragic passing of both her parents? Or is something far more dangerous going on under her own roof?

**On the run after her heart's broken, Sam starts to wonder** if she should have listened to her daddy's advice: don't get a vintage car until you know how to fix one. Now she's stranded—along with her dog, Nibbler—in a middle-of-nowhere town no bigger than a matchbox until she can get her 1965 Mustang repaired.

Jack, owner of the one and only mechanic shop in remote Homestead, Texas, is a tall drink of water. And Sam quickly recognizes she's his type from the glint in his pretty green eyes. So she's pleasantly surprised when he offers up the refuge of his grandmother's B&B, the Rose Garden, while he fixes what's under the hood.

Still, Sam intends to be on her way in a few days—but then Ms. Kathleen offers her free room and board in exchange for helping out at her flower shop. Distracted by the blooms that surround her charming new home, Sam starts to feel settled for the first time in forever. But when local bookstore owner Noah catches her eye, she's forced to confront her heartache head-on. Will she be able to let down her guard and trust again? Or will she follow her instincts and run for the hills?

## Kermit Lynch **At Poupon's Table**

*Peter Mayle's A Good Year meets Sideways in the delightful debut novel from a James Beard Award-winning American wine merchant, the renowned Kermit Lynch.*

**In his debut novel, Lynch presents Kendrick Thomas, an easygoing American wine merchant happily residing in Provence. Ever eager to visit old friends and enjoy all the gastronomic pleasures available in France, he often finds himself on the doorstep of Henri Poupon. Built as ruggedly as a boxer, thick of finger and feature, Poupon is as physically untamed and earthy as his skill as a chef is delicate and exquisite.**

In the vein of Peter Mayle, Kendrick and Poupon set off on a road trip: eating, bickering, laughing, and of course, sampling wine both good and bad. From troublesome business associates to Poupon's shady ex-girlfriend to an appalling new cell tower tarnishing the local tranquility, *At Poupon's Table* is a riotous jaunt through the French countryside that always circles back to food—and of course reds, whites, and everything in between.

## Ride and Die

RIDGEMORE | 3 BOOK SERIES

*Five friends discover there are bonds even death can't break in the first book of this gritty paranormal fantasy series featuring a slow-burn romance.*

**Everyone in Ridgemore knows Joss and her friends Griffin, Hunt, Layla, and Brady** have been inseparable since they were kids. You mess with one, and you'll have the whole bunch to answer to. Their senior year should be one long, carefree party, but Joss can't seem to get over a crush on Griffin that could screw up their lifelong friendship. She can't help it; she's drawn to his devilish smirk and the brooding stare that seems to trail her wherever she goes.

But any thoughts of romance go out the window when a horrible accident changes everything. One minute Brady is broken and flatlining; the next he's alive and kicking. Everyone is stunned by the "Miracle Kid's" rapid reversal—except for Brady's parents, who want him to lie about how not terrible he feels. In fact, his friends' families are acting pretty strange too.

As Brady's miraculous recovery morphs into a nightmare, Joss and the rest of their tight-knit crew begin to realize their sleepy mountain town is infested with disturbing secrets. Secrets about who—or what—they really are. With eyes everywhere, there's no one they can trust. It's the five of them against the world . . . and the world is coming for them.

She's trading her dingy trailer park; her baby sister, Bea; and her best friend, Rho, for the excitement of the Proxy Wars and the freedom of the galactic front lines—where her father once deserted his own platoon. And the most appealing part? She's leaving behind Draeden Rache, the cocky, privileged bully who tried to kiss her last year.

Appealing, that is, until Drae and Kari are tied together by the Pairing Ceremony as Sympathetics. Each week, she'll share everything with him and him alone: emotions, fears . . . and the sneaking suspicion that something is very, very wrong. As Kari struggles to survive life in a unit that can only see her as a defector's spawn, Drae and Rho work to solve a mystery of their own back at a futuristic UC Berkeley while their professor is hunted down for daring to teach beyond propaganda.

With the California Federation's proxy war with the Siberian Federation heating up and Raiders creeping closer by the day, Kari and Drae's weekly interactions turn into a race against time, even as their feelings for each other grow. And there's something both Kari's tough drill sergeant and Drae's wealthy father don't want them to know . . .

## The Afterlife Project

*Separated by ten thousand years, a team of scientists and their test subject must work together to save the human species—before it's too late . . .*

**With humanity facing imminent extinction, Centauri Project** scientists use technology originally designed for interstellar travel to send a test subject ten millennia into Earth's future. Marooned in an uninhabited wilderness, microbiologist Nicholas Hindman searches for evidence of remnant populations. He has a protocol to follow and is determined to do so to the bitter end—though he knows he's probably searching in vain, stranded on an empty planet silently orbiting the sun.

Meanwhile, back in 2068 AD, a devastating hyperpandemic has quelled all talk of interstellar travel and thrown the future of humanity into grave doubt. Four surviving members of the Centauri team board a vintage solar-powered sailing yacht for a harrowing journey in search of a second test subject. Their destination is a small volcanic island north of Sicily rumored to harbor that rarest of creatures: a woman capable of getting pregnant, thereby ensuring this generation of Homo sapiens isn't the last. But first they must make it halfway across the post-apocalyptic globe, risking heatwaves, oceanic megastorms, murderous gangs, deranged cult leaders, a volcanic eruption, and the dangerous microbes that continue to circulate through the planet's atmosphere.

*That Time I Got Drunk and Saved a Demon* | by Kimberly Lemming

*Magical Midlife Madness* | by K.F. Breene

**In a world where magical powers are commonplace, Holy Maiden Ysabel is revered as a goddess among her people. She's the only one able to heal the sick and injured with a simple touch. But her spectacular gift comes at a steep price. For each person she saves, she loses a day of her own conscripted life. To add insult to injury, she's supposed to maintain a pure image even though she'd rather drink and play dominatrix until her sorrows fade away.**

After the corrupt Head Cardinal Jiang abuses her gift, forbids her from leaving the city, and takes her brother hostage, Ysabel doesn't dare drag anyone else into her problems—especially since it won't change her fate. But when Dark Lord Kaine arrives at her clinic doorstep grievously wounded, she's touched by his refusal to accept her healing lest it cost her another day of her life.

The mysterious and sexy Dark Lord awakens forbidden desires in Ysabel, and the nagging survival instinct she tried to drown with booze and drugs comes back with a vengeance. She's less impressed, however, when he threatens to sack her city in return for his injuries. Fortunately, she can flirt her way to an alliance against the Head Cardinal instead.

Armed with only a ferociously loyal female bodyguard named Alzira, Ysabel attempts to make the most of her mere months left to live, protect the refugees around her city, prevent a war, and hide her face blindness. But before her life flickers to its sad end, she must decide: either die a proper Holy Maiden or risk it all to run off with Kaine.

### KEY SELLING POINTS

- **SPICY FANTASY ROMANCE:** *This adventurous romantasy debut follows the most unlikely heroine, the Holy Maiden Ysabel. What isn't obvious about this virginal healer, though, is that she spends her after-hours as a dominatrix.*
- **PROGRESSIVE THEMES:** *This book combines the humor of early Terry Pratchett with feminism, mental health, and queerness.*

## The Darkest Deep

*A scavenger trapped in a defunct undersea train tunnel struggles to escape as his air supply—and his sanity—dwindles in this debut psychological thriller.*

**The Transatlantic Train Tunnel, connecting New York and London,** was meant to be the next Wonder of the World. But after the disastrous maiden voyage seven years ago, it's generated nothing but protests, lawsuits, and bankruptcy. The only traffic the tunnel sees these days is scrappers harvesting its useless remains before it's fully dismantled.

Not everyone is willing to take a tedious job one hundred and fifty feet below sea level, but Ben Breckenridge doesn't have a choice. He needs the money, and the work will help quiet his anxieties. That is, until one of the bulkhead doors mysteriously locks, trapping him inside.

With limited air supply, Ben must race deeper into the tunnel to find a way out. Yet the farther he goes, the more his mind disintegrates. To survive, he'll have to reckon with the monsters in his head. Only then will he be able to face the actual monster that's now hunting him down . . .

BITCHCRAFT | 3 BOOK SERIES

*The Devil Wears Prada, but with witches!*

**In a witty urban fantasy for fans of *The Devil Wears Prada*, a hapless barista becomes embroiled in a world of business, backstabbing, and . . . the occult?**

As a twenty-three-year-old college dropout, Clark Crane has nothing to show for himself but three dead-end jobs. So when he becomes the unlikely intern for enigmatic celebrity Charisma Sainly and her “coven” of personal assistants, he’s prepared to do whatever it takes to succeed. Only, he has no idea who—or what—Charisma really is . . .

Clark runs headfirst into this new world of midnight rituals, deadly rivalries, and notes passed furtively between Charisma and her VIP clientele. Soon, a mysterious maid warns him to “get out now,” while he still can, but romance is budding with someone he met on the job. Clark isn’t sure what to do or who to believe. After all, he’s told a million girls would kill to be in his position.

But when he witnesses Charisma firing one of her assistants by murder and magic, Clark knows one thing’s certain: his boss can be a real witch! It seems no one just quits her glamorous web. Will Clark unravel the coven’s secrets and survive to tell the tale?
