CONFLUENCE ACADEMY | 3 BOOK SERIES

USA Today, Wall Street Journal, and Amazon Charts Best-selling author Penelope Bloom is taking her first flight into romantasy—and yes, there are dragons.

Nineteen-year-old Nessa Thorne expects death when she volunteers for Empire's selection. Instead, she's thrust into Confluence Academy, where students harness elemental magic and bond powerful beasts—from wolves to ancient dragons—forging themselves into the Empire's most lethal weapons.

Students are branded by affinity: water, air, earth, or fire. But Nessa's mark is different. A silver spiral—the mark of an unbound. It's a power so dangerous her kind were hunted to extinction centuries ago—or so the Empire claims.

To survive, she must hide what she is in a castle that reeks of blood, where students kill each other for advantage and failing to tether an elemental means death.

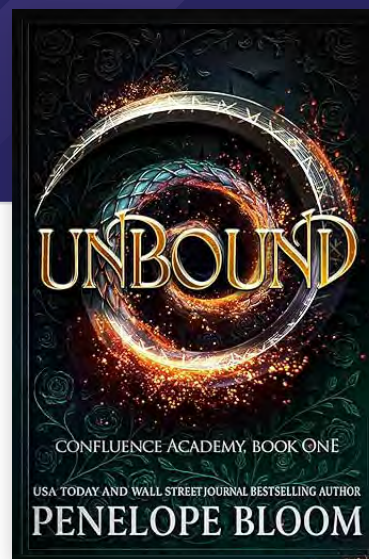

Nessa's greatest threat may be the only other volunteer—Raith Hollow, a powerful fire affinity whose scorching gaze follows her every move and whose secrets could topple kingdoms.

Alliances are forged in blood, enemies circle like vultures, and forbidden desires close in. Death once seemed like release from her tragic past. Now it's not an option. She'll embrace her terrible potential or watch everything she's fought for burn.

At Confluence Academy, students leave as weapons... or they don't leave at all.

AUTHOR BIO

USA Today, Wall Street Journal, and Amazon Charts Bestselling author Penelope Bloom is taking her first flight into romantasy—and yes, there are dragons. After years of contemporary romance, she's temporarily trading meet-cutes for magical academies and coffee shops for castles that reek of blood. She promises the banter is just as sharp, but now it comes with deadly consequences.

The Favorite Girl

THE FAVORITE GIRL | 2 BOOK SERIES

Every family has secrets—dark ones, twisted ones, ones they hide.

The Ivory family is no different. From the outside of their gated estate, one would see a beautiful, wealthy family. But the more perfect they seem, it only shows how many imperfections they are trying to bury. When Demi Rao, a young woman, is at her wits' end and on the run from escaping her captor, she comes across an employment ad from the Ivory family, looking for someone to help maintain their elaborate estate. Although the ad is strange with meticulous directions to wear all white, no makeup, and speak quietly, Demi applies. With no choices, Demi gets and accepts the job, and when she does, she quickly realizes she's not there to clean; she's there for a purpose. They picked her. They chose her. They've always known her. Behind the doors of the pristine estate lie secrets, a lethal human experiment, and Demi's entire life planned out for her.

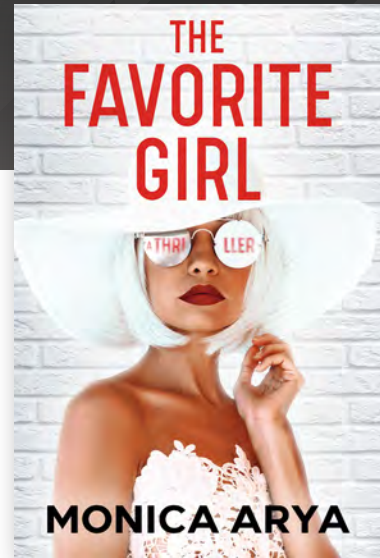

The Ivorys have picked a favorite girl.
And it might just be her.

Beau Savage **The 11th Hour Motel**

A blizzard's coming—and it's not the deadliest thing on the road.

Missy watches the blizzard approach her roadside motel with a mix of emotions—dread for the dangerous conditions it brings, and an intense longing for the warmth her late husband used to provide on cold nights like this. But for better or worse, Missy won't be alone much longer.

Five unexpected guests are headed her way, desperately seeking shelter from the storm: a mortally wounded young man transporting stolen money, two hired guns hot on his trail with orders to bring the money back, and a young woman and her grandmother on a road trip to put the past behind them, totally unprepared for the perilous detour they're about to take.

The icy roads are treacherous. The neon-red sign is a beacon of safety. But no amount of snow can extinguish this fuse once it's lit—or bury the secrets unearthed in the blast.

AUTHOR BIO

Beau Savage lives in a windowless room with a typewriter and nothing else. When he finishes a story, he hands the manuscript over to the furry cat paws reaching under his door. What happens after that, no one knows.

He also writes supernatural horror as Abe Moss... if you're into that kinda thing.

New horror suspense title from breakout author, Beau Savage.

A remote lake house. A wolf in sheep's clothing. A terrifying fight for survival.

Three years after losing her teenage daughter, with her marriage on the brink of unraveling, Barbara needs a break—time away, time alone, time to process. The lake house is perfect. It's quiet, remote, picturesque, and best of all, she has the whole place to herself.

Or so she thinks...

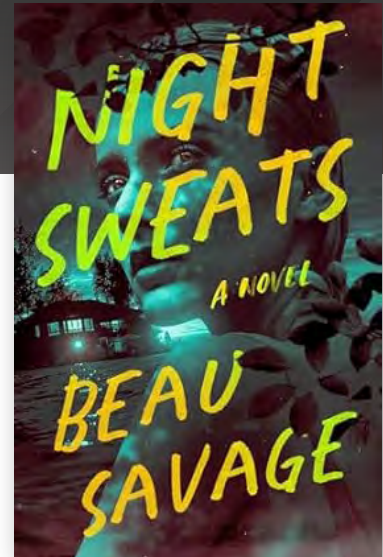

Barbara's weekend getaway takes a terrifying detour when a young woman emerges from the woods, screaming for help. She's been abducted. Her deranged captor is in close pursuit. Barbara will need all her courage and cunning if they're both to survive the nightmare headed their way.

But can she muster the strength to fight a natural-born killer?

Richard Thomas **Incarnate**

"Reading Incarnate is a visceral experience—weird cosmic horror at its purest. Brutal and unforgiving, Thomas's novel is epic in its scope and ideas." —Sam Rebelein, Bram Stoker Award-nominated author of Edenville

In a frozen tundra, a sin-eater fights for redemption and absolution as monstrous creatures ravage a community already struggling to survive.

Sebastian Pana is a sin-eater, a shaman-like figure who can absolve the dead of their transgressions before they move on to the afterlife. But when a tear in the fabric of reality allows hideous beasts to invade the small arctic town he calls home, Sebastian must wage battle with them the only way he knows how: by unleashing the power of sin itself.

Thus, the stage is set for an epic confrontation between the forces of good and evil, in which a mother monster strives to save the dying land around her—and a young Inuit boy, haunted by Sebastian's fate, risks everything to forge a new way forward for the desperate vestiges of humanity. As an obliterating darkness descends from the frozen mountains, this profoundly redemptive tale will build toward a climactic showdown in which nature and the supernatural collide with the eternal quest for healing and forgiveness.

AUTHOR BIO

Richard Thomas is the award-winning author of nine books. These include the novels Incarnate, Disintegration, Breaker, and Transubstantiate; the collections Spontaneous Human Combustion, Tribulations, Staring into the Abyss, and Herniated Roots; and a novella, collected in The Soul Standard. Thomas has been nominated for Bram Stoker, Shirley Jackson, ITW Thriller, and Audie awards. He has more than 175 stories in print.

Michael Stagg
Lethal Defense

NATE SHEPHERD LEGAL THRILLER SERIES | 8 BOOK SERIES

A client savagely kills a man to protect a friend. A lawyer with secrets must prove it was justified.

Attorney Nate Shepherd left a big firm to go out on his own. He sees nothing but opportunity when an out-of-town lawyer wants to hire him as local counsel on a high-profile murder case. Though his family worries that the case hits too close to home, Nate joins the defense team.

When circumstances force him to take on a bigger role, Nate ignores his family's fears and throws himself into his client's defense. But as he digs deeper, every aspect of the case raises memories of a terrible event that Nate has tried his best to bury.

Battling an aggressive prosecutor in court and a dogged reporter outside it, Nate fights to prove that his client's brutal, bloody slaying of an evil victim was right. But when Nate's own story is exposed, it threatens his client's freedom...and Nate's carefully constructed life. Can he fend off his own demons long enough to save his client?

AUTHOR BIO

Michael Stagg was a civil trial lawyer for more than twenty-five years. He has tried cases to juries, so he's won and he's lost and he's argued about it in the court of appeals after. Michael was still practicing law when the first Nate Shepherd books were published so he wrote them under a pen name. He writes full-time now and no longer practices, but the pen name has stuck.

Michael and his wife live in the Midwest. Their sons are grown so time that used to be spent at football games and band concerts now goes to writing. He enjoys sports of all sorts, reading, and grilling, with the order depending on the day.

THE OBSIDIAN ORDER | 2 BOOK SERIES

From the international bestselling author of Once You're Mine!

The Recruit

The Obsidian Order only cares about three things: secrecy, loyalty, and power.

Every man born to the founding families is bred for this purpose, to serve the society and its objectives.

As a result, we are the elite.

Untouchable.

Unbreakable.

If we make it through the Trials.

I will, as long as my obsession doesn't get the best of me.

This girl...

If the Order doesn't kill me, she'll be the death of me.

Because I won't give her up.

She's mine.

The Bride

All I want is my freedom and some coffee.

And to find my foster brother.

Every clue that leads me closer to Ben only frightens me more.

Something dark and dangerous rules this campus.

Similar to the stranger I keep running into.

The one I can't stop thinking about.

Xavier tells me to stay away from him.

But then I'm snared in a game of shadows and savagery.

Now the only way to survive lies in the arms of a man I once tried to kill.

The same one who's made me his property.

His bride.

AUTHOR BIO

Once You're Mine
 POSSESSING HER | 2 BOOK SERIES

With a full-page illustration and a never-before-seen bonus chapter only available in this print edition, this TikTok-viral dark romance features delicious spice and a morally gray stalker who falls first and brings big 'touch her and die' energy.

Murder brought us together. Only death can keep us apart.

The Tormentor

Calista belongs to me... she just doesn't know it.

The first time we met, I wanted her.

The next time, I was obsessed.

I watched her.

I followed her.

It only deepened my need to possess her.

Once she's mine, I'm never letting her go.

The Target

Hayden Bennett is a monster, in and out of the courtroom.

Unfortunately, I need his help.

What was supposed to be a simple transaction turns into something else.

Something intense.

He's always there when I need him, but I don't know if trusting him is a good idea...

Nyla K.
For the Fans

They never even wanted to be stepbrothers—but now, in front of the camera, they're getting much closer—in this edgy, emotional story of forbidden passion.

Avi's into old-school emo bands, true crime, and cryptids.

And if not many others share his interests, he's cool with that, as long as he doesn't run out of weed. But then he moves from Brooklyn to Boston with his mom, which isn't a big deal . . . until she announces she's seeing someone and he happens to have a son Avi's age.

As his mom's relationship gets more serious, they all move in together, and under the same roof as his future stepbrother, Avi's never felt more out of place. Kyran's everything Avi isn't: athletic, popular, supremely confident—and undeniably hot. The only thing the two have in common is their opposition to officially becoming related. Oh, and they're both entering their freshman year at the same college.

At first, they're hopeful their very different social circles will minimize any on-campus encounters. But the more they try to avoid each other, the more a sizzling tension blazes up between the quirky artist and the control-freak quarterback with a traumatic past. Then, just when they think things can't get any worse, a family financial collapse leads the desperate pair to collab on a little content creation.

Behind closed doors, Avi and Kyran start making illicit videos that quickly bring in a steady stream of money—and wildly thirsty comments. But it's strictly a business partnership to pay for school . . . Isn't it? With their deepest secrets and desires stirring as they begin to rely on each other both on and off camera, they'll be forced to ask themselves: Are they really only doing it for the fans?

AUTHOR BIO

Nyla K is a bestselling author of dark romance novels with an emphasis on taboos and LGBTQ+ representation as well as a quirky world traveler with a sailor mouth and a filthy mind. She believes in the boundary-pushing and mind-bending abilities of erotic fiction and resides in Auburn, Maine.

Harloe Rae

Buckled in Barbwire

CLOVERLEAF MEADOWS | 3 BOOK SERIES

Your next small town cowboy romance obsession from USA Today bestselling author, Harloe Rae!

Rules can't be broken if they don't exist...

Paisley

I'd considered myself carefree and content until I met my best friend's older brother.

Brody Benson has a way of wrecking my composure with a single glare. He's broody and crass and far too attractive. As if that isn't enough, he earns more money in a month than I'll likely make in my lifetime.

We couldn't be more different. That's why I settle for catching quick glances of him in passing. Meanwhile, he prefers to pretend I don't exist.

But then the unthinkable happens.

Brody

The death of my mother rocks the foundation that our rustic empire is built on. After the funeral, my sister flees to find comfort and peace. Dad shuts down, leaving me to keep the business running. That undertaking is made more challenging by Paisley Keaton.

Now, I'm constantly crossing paths with the sunny cowgirl my sister left in charge of the barn. She tries to be helpful, which only agitates my animosity. I don't miss an opportunity to tell her where to stick that overly positive attitude.

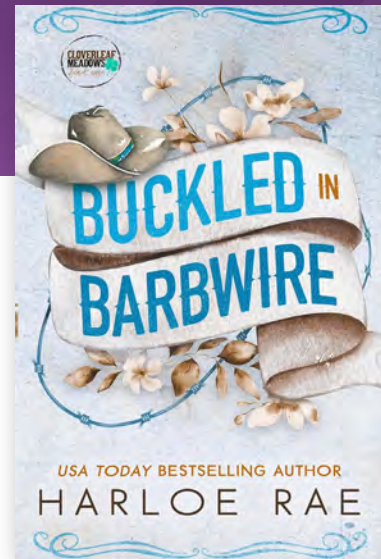

The fact that Paisley is the last woman I'd ever date promotes her to a permanent position at Benson Manor. One that needs to be filled to guarantee my ownership of the company.

Paisley will be my wife, but the only thing she'll get from me is my last name.

AUTHOR BIO

Harloe Rae is a USA Today & Amazon Top 5 bestselling author. Her passion for writing and reading has taken on a whole new meaning. Each day is an unforgettable adventure.

She's a Minnesota gal with a serious addiction to romance. There's nothing quite like an epic happily ever after. When she's not buried in the writing cave, Harloe can be found hanging with her hubby and kiddos. If the weather permits, she loves being lakeside or out in the country with her horses.

BEAUTIFULLY DAMAGED | 3 BOOK SERIES

A Readers' Favorite 2023 International Book Awards Silver Medal Winner

I have no choice but to trust a complete stranger. And he wants me for his own.

Holden Alistair is full of dark secrets.

When he saves me, my world is turned inside out with sex, money, and power.

He shouldn't want me. I'm from the wrong side of the tracks. Poor.

Yet Holden won't let me out of his sight. He'll do anything to keep me safe.

Every touch and look between us proves how he craves me.

Holden introduces me to the illicit club he owns, opening my mind to every fantasy I've dared to dream about.

Love and trust don't come easy, but nothing could prepare me for the twisted games I'm about to play.

AUTHOR BIO

International bestselling author J.A. Owenby grew up in a small backwoods town in Arkansas, where she learned how to swear like a sailor and spot water moccasins skimming across the lake.

WHITMORE ELITE | 5 BOOK SERIES

Cole Parker is my worst nightmare.

He's a straight-up asshole who lives to torment me, and he'll stop at nothing to punish me over the smallest slight.

When he digs up a sex tape starring—you guessed it—me, he takes bullying to a whole new level, using it to blackmail me into doing his bidding.

If the video gets out, it will ruin me.

But my stepbrother makes it clear that he doesn't give a damn.

He drags me deep into his dark and twisted world, showing me the monster he hides beneath his handsome exterior, taking risks that put our lives in danger.

I thought I knew the devil I lived with.

I was wrong.

But so is he.

He thinks I'm nothing more than a pampered princess, but soon he'll realize I'm a Queen.

And it's time I put Cole in his place.

K.A. Knight **Den of Vipers**

A New York Times Bestseller with over 1 million copies sold!

Ryder, Garrett, Kenzo, and Diesel—the Vipers. They run this town and everyone in it. Their deals are as sordid as their business, and their reputation is enough to bring a grown man to his knees, forcing him to beg for mercy. They are not people you mess with, yet my dad did. The old man ran up a debt with them and then sold me to cover his losses.

Yes, sold me. They own me now. I'm theirs in every sense of the word. But I've never been meek and compliant. These men, they look at me with longing. Their scarred, blood-stained hands holding me tight. They want everything I am, everything I have to give, and won't stop until they get just that.

They can own my body, but they will never have my heart. I'm going to make them regret the day they took me. This girl? She bites too.

AUTHOR BIO

K.A. Knight is a romance author from a small town in England. She has always enjoyed dreaming up crazy story ideas and characters who love more than one person. After all, #whychoose. Knight also loves her fur babies, coffee, a good book, and monster flicks.

Caylee Hammack and Carolyn Brown **Bed of Roses**

Tie-in romance novel for Capitol Records artist, Caylee Hammack's new album, releasing March 7, 2025, written by NYT bestselling author, Carolyn Brown.

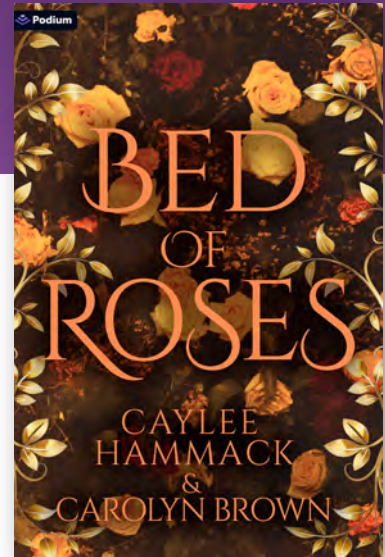

On the run after her heart's broken, Sam starts to wonder if she should have listened to her daddy's advice: don't get a vintage car until you know how to fix one. Now she's stranded—along with her dog, Nibbler—in a middle-of-nowhere town no bigger than a matchbox until she can get her 1965 Mustang repaired.

Jack, owner of the one and only mechanic shop in remote Homestead, Texas, is a tall drink of water. And Sam quickly recognizes she's his type from the glint in his pretty green eyes. So she's pleasantly surprised when he offers up the refuge of his grandmother's B&B, the Rose Garden, while he fixes what's under the hood.

Still, Sam intends to be on her way in a few days—but then Ms. Kathleen offers her free room and board in exchange for helping out at her flower shop. Distracted by the blooms that surround her charming new home, Sam starts to feel settled for the first time in forever. But when local bookstore owner Noah catches her eye, she's forced to confront her heartache head-on. Will she be able to let down her guard and trust again? Or will she follow her instincts and run for the hills?

Tempted by the Devil

KINGS OF MAFIA | 10 BOOK SERIES

Enter the world of mafia romance in this #BookTok fan favorite series by USA Today, Wall Street Journal, and Amazon bestselling author Michelle Heard. Over 3 million copies sold worldwide across author's catalog.

Attending a party with my stepbrother, I'm in for the surprise of my life.

It's not a regular party, but instead, my wedding. To Angelo Rizzo. A coldhearted man who's feared by all. Including me.

Turns out my stepbrother owes the Cosa Nostra money, and I'm being used to repay his debt to Angelo Rizzo.

Do I have a choice?

No. Not when it comes to matters concerning the Cosa Nostra.

Three hours later, I have a new shiny wedding ring on my finger and a husband I'm terrified of standing by my side.

Yep, my life just took a turn for the worse.

There's no hiding. No running.

All I can do is face the nightmare that awaits me and pray I'll survive being married to Angelo Rizzo.

MAFIA EMPIRE | 5 BOOK SERIES

Brand new series by #BookTok favorite and USA Today, Wall Street Journal, and Amazon bestselling author Michelle Heard! Over 3 million copies sold worldwide across author's catalog.

I entered an arranged marriage so my sister, Ciara, could marry for love. Three years later, I'm a widow, and my father arranges for Ciara to marry Dominik Varga. The assassin slash arms dealer is as dangerous as he's quiet, which is very unnerving.

Needless to say, I'm not happy at all. A deal was a deal, and I kept my end of it, so there's no way on God's green earth I'll just sit back and smile like a good little girl. I'll fight for Ciara's freedom so she won't have to face the hell I was forced to endure.

But Dominik doesn't make things easy for me. He's determined to get his hands on half of Dad's empire.

When he moves into my family home, my entire routine unravels. I have to fight for more than just my sister's freedom because I'm in danger of losing my heart.

I refuse to admit I'm drawn to his darkness. If I do, God only knows whether we'll survive the fire raging between us.

Savage Little Games

SIN CITY MAFIA | 4 BOOK SERIES

A four book dark mafia romance series from a fan favorite author!

In an ironic twist of fate, I've found myself entangled in Dante Salvato's world. The ruthless mafia king is no stranger to violence; but when he lays his eyes on my bruised and battered face, he's furious.

I thought my makeup was thick enough to cover the beating I suffered until my inappropriately flirtatious boss noticed. As a cocktail waitress in his casino, I've always been on Mr. Salvato's radar, but now he's obsessed, demanding to know who hurt me and why, intent on making them suffer.

When Dante discovers that my boyfriend Mitch not only owes money to another vicious Vegas mobster but is also cheating on me, he offers him one hell of a deal – Dante will pay off Mitch's debt in exchange for the one thing he wants more than anything – me.

Dante's offer requires me to spend the next seventy-six days and nights with him, one for every thousand dollars of Mitch's debt. When I refuse, Dante promises to kill Mitch right then and there for being the one ultimately responsible for my bruises.

Desperate to avoid bloodshed even after I've seen the evidence of Mitch's betrayal, I reluctantly accept Dante's deal with one stipulation. I warn the arrogant bastard that I will never, under any circumstance, sleep with him.

Now I just have to resist the mob boss for seventy-six days and nights while he uses every weapon in his arsenal to try and change my mind.

Filthy Little Games

NEW YORK CITY MAFIA | 3 BOOK SERIES

Filthy Little Games is a steamy dark mafia romance featuring a possessive hero.

Zara

Life has a sick sense of humor. One minute, I'm arguing with my mobster ex while dripping wet in nothing but a towel. The next, he's dead on the floor, and I'm naked, vulnerable, and at the sole mercy of the most dangerous man in New York City.

I've heard the rumors that all the mafia families bow to Creed Ferraro, but I never expected him to drag me into their world.

Creed blames me for his brother's death, and now, I'm also a witness to his violent crime. I know the rules. In the mafia, witnesses and enemies don't get to live.

Creed is unpredictable, though. I should be terrified of him, but he killed my ex to save my life. And I can't ignore the twisted sense of safety that comes with being near the ruthless mobster.

Creed

Someone in my city wants me dead. The fools missed and killed my little brother instead. Now, vengeance burns in my veins, and nothing will stop me from hunting down the cowards responsible for his death.

Killing my ally's son in a fit of rage? Not part of the plan, even if he deserved to die. I couldn't stand to watch him lay another hand on her.

Zara. Not only is she responsible for setting me and my brother up, but she's also seen too much. One wrong word from her lips, and we're both dead or serving a life sentence.

I can't let her go, but keeping her close is dangerous—for both of us, especially since she's hiding secrets from me that may start a mafia war in New York City.

What's more embarrassing than a butt dial?

Butt dialing your boss...
And leaving a dirty voicemail when you're uhh... "thinking" about them.

Working as Ruslan Oryolov's personal assistant is the job from hell.

After a long day spent tending to the billionaire's every whim, I need some stress relief.

So when I get home that night, that's exactly what I do.
Problem is, my thoughts are still stuck on the bosshole who's ruining my life.

That's fine—because of all Ruslan's many sins, being gorgeous might be the most dangerous.

Tonight, fantasies of him are just what I need to push me over the edge.

But when I look down at my phone squished next to me,
There it is.

A voicemail for 7 minutes and 32 seconds...

Sent to Ruslan Oryolov.

I panic and throw my phone across the room.

But there is no undoing the damage done by my very vocal O.
So what can I do?

My plan was to just avoid him and act like it never happened.
Besides, no one that busy checks their voicemails, right?

But when he schedules a one-on-one meeting with me for exactly 7 minutes and 32 seconds,

One thing is for certain:

He.

Heard.

Everything.

BUGROV BRATVA | 2 BOOK SERIES

Bestselling author with over 2 million copies sold in the last 12 months!

My gorgeous neighbor just found my box of “personal toys.” And my mission to steal them back... ended in his bed.

It was supposed to be a joke: Give my best friend raunchy toys for her bridal shower and embarrass her in front of her family. But when my package is wrongly delivered to my gorgeous, mysterious neighbor, I’m the one who ends up mortified.

I sneak over to his place to try stealing it back before he finds it. The problem is I get caught mid-heist... And then he makes me stay for dinner.

Dinner leads to dessert, and dessert leads to... other dessert, if you get my drift. Several courses of sweet, sinful temptation.

In my defense, he’s even more gorgeous up close than he is from my bedroom window.

When I finally get back home the next morning, I open my stolen prize. But it seems I grabbed the wrong package. And the violent mess I find inside will change my life forever.

Turns out my hot neighbor is a Russian Bratva boss with some deep, dark secrets.

Turns out he got me pregnant, too.

One wardrobe malfunction.

Two people who don't belong together.
Three awful words: "Be my wife."
Everyone else is at this party to marry the host.
I'm only here until I can get a ride home.
When my dress rips in the world's worst-timed wardrobe malfunction,
I go find somewhere quiet to fix it.
So I'm standing there in nothing but my heels when,
As my luck would have it, the door opens...
And the man of the hour walks in.
I wish I could say I played it cool.
But it's been a looong time since anyone has seen me in my birthday suit...
Much less the hottest man I've ever laid eyes on.
All I want to do is fix my dress, click my heels three times, and be back on my couch in fuzzy slippers.
But Ivan has other ideas.
He's decided who he's taking to the altar...
And I don't have a choice but to say "I do."

And the way I ended up on this altar isn't exactly the stuff of fairy tales.

You see, my family isn't like yours. My father and brother do... things... that should never see the light of day. Things like wagering me at a poker game to be the wife and baby momma of a dark-eyed devil.

A spicy and dark mafia romantic suspense series from Amazon bestselling author Naomi West. Over 1.3 million copies sold across author's catalog.

What if your boss asked you to have his baby? With one catch: You have to do it the old-fashioned way.

Normally, I would've told him to take his offer and shove it. But my mom needs my help. And I can't afford to save her myself.

In comes Arsen Adamov with a devil's deal on a silver platter. Have his baby. Then walk away—no strings attached.

I'd do anything for my mom. And spending a night with my gorgeous, dangerous, billionaire boss isn't exactly torture.

But as it turns out, Arsen lied about the strings. Because right after the deed is done, he drops a new bombshell on my head.

I'm getting promoted... From surrogate to bride. Whether I like it or not.

THE KINGS OF MAYHEM MC TENNESSEE | 3 BOOK SERIES

A heart-pounding motorcycle club-set romantic suspense with over 70,000 copies sold!

What doesn't kill me had better start running.

Life as I knew it ended with a bullet. It stole my brother from me and destroyed my family. From the ashes, I rose stronger and meaner, to exact the kind of revenge best served bloody and cold. I took out every single person I held responsible.

Except one.

He's a phantom but his days are numbered. I won't stop until I'm done.

Then she shows up—the forbidden fruit, a light to my darkness. I should resist her because what I touch, I destroy. My feisty wild-flower deserves more: more than this, more than me.

But there is a monster lurking in the shadows. A psychopath watching her, watching us. His threats torment her and they make my black heart burn.

He should know: you don't ever mess with me or the people I love.

AUTHOR BIO

Penny Dee writes contemporary romance about rockstars, bikers, hockey players and everyone in-between. Her stories bring the suspense, the feels, and a whole lot of heat.

She found her happily ever after with an Australian hottie who she met on a blind date.

I'm fake dating the boss of the Zarkov Bratva—what could possibly go wrong?

Lev Zarkov is a real-life monster.

No, correction, he's actually the devil.

Except, when I first meet him, he's simply the mysterious, handsome man traveling next to me on a first-class flight to New York.

And after being dumped at the altar by my loser fiancé who vanished into thin air the morning of our wedding, when things get flirty between me and the mysterious stranger, I think, why not?

Surely, I deserve one night to forget. I mean, where's the harm in a little indulgence, right?

I'll tell you exactly where the harm is. It turns out my one-night stand is not only the pakhan of the Zarkov Bratva, but he's also a billionaire who is used to getting what he wants... and what he wants is me with his ring on my finger.

I'm to appear in public as his fake fiancée, and in return, my loser ex will get to keep his brains inside his head.

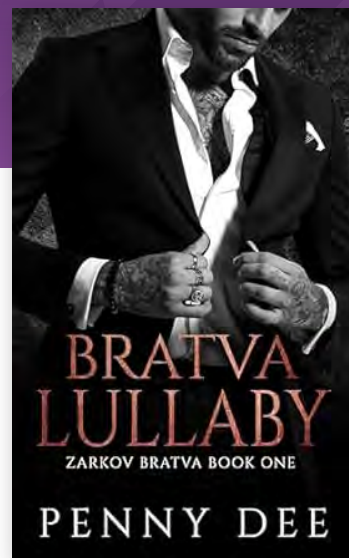

Every instinct tells me I don't want to do this.

But Lev Zarkov can be very persuasive...

STEEL DEMONS MC | 3 BOOK SERIES

With the first book selling over 30,000 ebooks alone, the Steel Demons MC series delivers what genre readers want: rugged bikers, forbidden desires, and irresistible allure.

Diesel, Steel Demons MC Prez, never saw it coming—a surprise son and his stunning guardian storming his heart like a hurricane, smashing the walls he thought were unbreakable.

Serious relationships? Not my usual ride.

As the Prez of the Steel Demons MC, my life has always been all about the thrill of the chase. But lately, those club bunny flings ain't cutting it. Deep down, I crave something more real, something with meaning.

Then, outta nowhere, my past roars back. A night from five years ago, a hazy memory, and in a flash—a son I never knew about.

This is how Ellie comes into my life, the game-changer. Her sister's vanished, and she's been raising my kid all by herself. The moment I lock eyes with Ellie, I'm hooked.

I know she's mine.

But life's got a way of throwing curveballs. With Ellie, it's not just about a newfound desire; it's about stepping into a world of danger that clings to her like a shadow. But here I am, proving that this dirty biker can be her knight in tarnished armor and the perfect pop for our boy.

Can I make her see we're meant to ride together before it's too late?

B.C. FaJohn

A Crown of Ash & Silver

A THRONE OF ICE | 3 BOOK SERIES

A fast paced, enemies to lovers Romantasy saga with immersive world building and plenty of spice!

After striking a deal with a slimy merchant, Aurelie Cane's life is forever changed.

Traded to the fae to maintain peace between the two realms, she finds herself thrust into a world of myth and chaos.

When her captor has plans to sell her hand in marriage in exchange for his own personal gain, she must decide whether she will sit and wait or stand and fight.

Seeking anything that will get her out of this arrangement, Aurelie confides in the bodyguard assigned to her by the cruelest man she'd ever known. As she uncovers the truth of her bloodlines and magic, she discovers that her quiet guard has more than a few secrets of his own.

Together, they dig up a forgotten evil. Aurelie finds that cold death shines brighter than the summer sun, and the good she once knew is no better than poison in her heart.

One thing rings true despite the chaos that surrounds her: The Winter Court King had returned from the ashes, and he would burn for her even if it meant losing the throne he desired more than anything else. He'd light the torch and watch the sky turn gray if it meant keeping her safe.

To uphold a treaty of peace or to give in and harness mayhem... Her choice could be enough to tear apart kingdoms.

ABBS VALLEY | 7 BOOK SERIES

The hit reverse harem mafia series starts with Riches to Riches: Part One, which has over 6,700 Amazon reviews and 13,000 Goodreads reviews, with an average of 4+ stars.

When Dad died, he made me the leader of the Italian Mafia.

That position was unheard of for a woman—until me.

Ryder, Dex, Gage, and Holden are my team, my closest friends. Then Leo waltzes into my life, turning it upside down, along with everyone in it.

One lie. One secret. That's all it took to bring it all burning down around me. Jealousy and hidden desires from the four guys I thought only saw me as their friend and boss stoke the flames even higher.

With a new guy in my life, four guys vying for my affection, a past flame that refuses to be blown out, and threats lurking in every corner, I have to fight like hell to come out of the fire alive. Especially since I have a secret of my own.

E. Salvador **All I Need**

THE KNIGHTS SERIES | 3 BOOK SERIES

A brand-new voice in the Sports Romance space, Mexican-American author, E. Salvador, brings a new kind of spice to beloved genre tropes with over 8,000 4-star ratings on Goodreads.

Meeting during senior week on the day of their birthdays was pure coincidence.

It was supposed to be nothing more for Lola Larson and TJ Kingston than three days of fake dating before going back to their everyday lives. Not thinking they will see each other again, they part ways without getting each other's last names or phone numbers.

Two years later, they're in college, where they meet again. However, their priorities are different from the last time they saw each other.

TJ wants nothing more than to enter the draft and play for the NBA. It's all he's worked hard for and has made sure that nothing and no one hinders him from achieving his dream. That is until he sees Lola again, and realizes that basketball is no longer his sole priority when he finds out he has a kid.

Beth Bolden
The Star

CHARLESTON CONDORS SERIES | 4 BOOK SERIES

MM Football Romance.

Tight end Landry Banks knows the score when he signs with the Charleston Condors in a rebuilding year.

New owner. New coach. New players. New rules.

But one rule hasn't changed: Don't hook up with your best friend's little brother.

Rookie quarterback Riley Flynn knows what it takes to make it in the NFL. He's in Charleston to prove himself—to the world and his teammates, but mostly to his older brother, who's never believed he could be a star.

The last thing he expects is for his brother's best friend, Landry, to welcome him with open arms and an offer to become roommates.

Riley's always believed Landry was straight—but the way Landry keeps checking him out leaves him suddenly unsure. And Landry's hot looks certainly don't help squash the crush he's always had on his brother's best friend.

Revisiting his teenage crush isn't part of the plan. But as he and Landry fall into a rhythm of thrilling plays on the field and sizzling tension off it, there's no denying their connection.

Riley isn't willing to trade becoming the next big NFL superstar for love. But with a man like Landry Banks waiting to catch anything he throws at him, maybe he can have both.

BATS AND BADGERS | 3 BOOK SERIES

Bats and Badgers is a college romance series, each of them featuring different athletes across varied sports. The first book is a Hockey Romance filled with heated fights on and off the ice between two rivals, witty banter, spicy scenes, twin shenanigans, and wholesome friendships.

As a Top Ten draft pick, I'd been on my way to hockey stardom—until one bad hit on the ice threatened it all. Now I have one year of college left to prove to everyone that I've made a full recovery from my injury and am still worth a shot in the NHL.

So my plan for senior year is simple: keep my head down, work hard, win the Frozen Four.

But it all goes right out the window when my twin brother Nate finds himself in a precarious situation, and I'm the only one who can help him.

The only problem? It includes living with his best friend—and my worst enemy. Xander Hart has a way of getting under my skin, and our encounters usually end in disaster.

Her true power lies dormant inside her, only to be discovered when everything she knows is lost.

Terra stands on the brink of an unremarkable and unwanted life. That is until a shockingly beautiful stranger with dark intentions turns the village's matchmaking ceremony into a night of bloodshed, leaving her family dead and revealing a power within Terra she cannot comprehend – or wield.

When an unlikely band of not-so-human rebels reveals her true nature and the keys to her forgotten past, Terra is thrust into a magical world beyond her wildest imagination.

The Fae befriend her.

The Witch teaches her.

The Dragon Shifter sets her aflame.

Embarking on a journey of vengeance, burning romance, and inevitable betrayal, Terra ultimately uncovers a web of lies that binds her to a fate far greater than the revenge she seeks.

AUTHOR BIO

C. D. MacKenzie is a 29-year-old professional living in the hills of San Francisco with her partner and a cockapoo puppy named Dobby.

While she works a day job, her heart has always been rooted in the world of imagination. She grew up reading Harry Potter, watching Vampire Diaries, and generally exploring excellence in the art of daydreaming. In 2017, she devoured her first Romantasy novel (SJM, of course). She's been hooked ever since.

Arden Fox

How to Train Your Human Omega

COVETED BONDS | 3 BOOK SERIES

From debut author, Arden Fox, How to Train Your Human Omega is a tantalizing Beauty and the Beast retelling in the form of an action-packed, spicy, queer sci-fi romance.

The tall alien's eyes flashed. That was the only warning I got. He charged at me, throwing my crew mates aside as if they were nothing.

In that moment, I was certain he would kill me.

But no death blow came. Instead, he spoke, his deep voice heavily accented, each word like stone slabs falling into place. "You are mine."

Clay

I don't ask for much from life; I get paid, and then I get laid. And piloting spaceships across the galaxy keeps my solo lifestyle well funded. I don't need a relationship or any of the baggage that comes with it. I like my men like I like my coffee: to go.

That is, until the most boring job in the universe goes horribly wrong and I'm snatched from my ship by a seven-foot alien. He's huge, he's purple, and he's ripped as hell. I'm sure I'm a dead man.

Only it turns out he doesn't want to kill me. What he wants is far worse.

Arcay

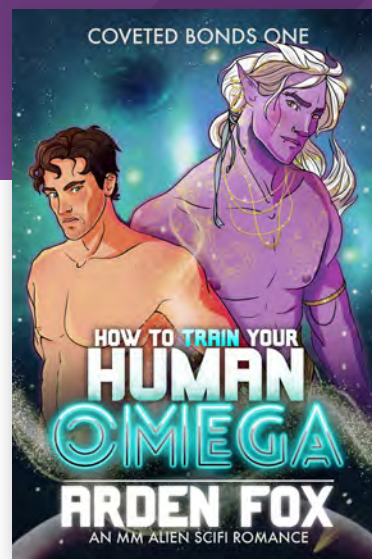

I am the Second; Aldar royalty, the right hand of our leader. I live a half life. On my planet, alphas and omegas are believed to be two halves of a soul. But Omegas are a rare treasure, all but extinct, and I have resigned myself to never knowing the joy of a soul bond.

But that all changes the moment I step onto the human ship. By some miracle, their pilot is an unclaimed Omega. It does not matter that he is a different species, I have to have him.

That should be my happy ending; Omegas are supposed to be meek, obedient, and willing. Clay is anything but. He resists me at every turn. I must bend him to my will before his potent pheromones draw every unmated alpha on the ship—my rank will only hold them back for so long.

Cat Wynn
Breathless

THE SECRET MONSTER SERIES | 3 BOOK SERIES

Genre-bending underwater romantasy.

Former model and current recluse Jules Lowe would prefer to spend the rest of her life locked inside her apartment doing nothing more than fixating on her empty fish tank and chatting away on a local aquarium forum.

But when her online crush sends her an inadvertently suspicious picture, Jules' curiosity gets the best of her. Who or what is Mack Vasser?

Even Jules' fear of the outside world can't stop her from exploring further. And while venturing out to track down Mack is scary enough, discovering he's part-fish, part-man is a shock of a lifetime. Even more shocking is Jules' confusing attraction to him which has her leaving her apartment again and again.

Unfortunately for Jules, she isn't the only person who's aware that creatures like Mack exist. And now that she's gotten herself involved, she's risking not only her feelings but both their safety, in a world where nobody seems to know who the real monsters are.

AUTHOR BIO

Cat Wynn lives in a cozy house in Charleston, SC with her long-time partner and two geriatric rescue dogs. She writes late at night on an old couch that should've been thrown out five years ago.

She's a shockingly good time at parties provided the snacks are good. You can test this theory by inviting her to your wedding although she probably won't come because she stopped wearing outside clothes like three years ago.

MJ May

Perfectly Imperfect Pixie

PERFECT PIXIE SERIES | 5 BOOK SERIES

A M/M fantasy romance series, perfect for readers of AJ Sherwood, Lily Mayne, and Alice Winters.

Size matters.

Pixies are supposed to be petite, beautifully lithe creatures with gossamer wings. Sporting luscious, ombre pink hair and fluttering pink wings, Phil meets two out of three of those criteria. At over six feet tall, no one would dare call Phil petite.

As a home-and-hearth pixie, Phil yearns to find a home and family he can bond to. When no one's willing to hire a pixie of his stature, Phil is forced to find work elsewhere. Turns out, pixies make terrible bouncers.

The sudden death of Sedrick's brother and sister-in-law left Sedrick Voss a pack of one—plus two young, traumatized were-children. Sedrick needs help. He needs a home-and-hearth pixie. But pixies are small, delicate creatures nowhere near sturdy enough to stand up to a couple of growing werewolves. Phil seems like the perfect answer—a pixie that might be able to physically withstand small werewolf teeth and claws.

Phil is overjoyed, finally able to do a job that speaks to his heart and soul. But peace is a hard-won commodity. Sedrick is in the middle of a nasty custody battle with his niece and nephew's maternal grandfather—one of the most arrogantly deceitful werewolf alphas to ever lead a pack. If their grandfather gets custody, Sedrick's niece and nephew are in for a lifetime of manipulation.

Between the custody battle, noxiously invasive garden gnomes, and fairy lawyers, Phil and Sedrick struggle to keep their home and family safe. Werewolves and pixies don't mate. Phil and Sedrick are about to challenge that misconception.

AUTHOR BIO

MJ May lives in the Midwest, in a town previously labeled one of the top ten most dismal cities in the United States. Writing, along with her garden, and pets, Newton and Fennik, are her sanity. MJ May hopes her stories offer readers and listeners a mental vacation from their day-to-day lives, and is grateful for the opportunity to share her stories.

Camilla Evergreen

Falling in Love with My Vampire Cat

THAT'S (PARA) NORMAL | 6 BOOK SERIES

For five long years, I didn't know my cat could turn into a vampire.

That means I've spent five long years squishing little black toe beans, participating in all-night cuddles, and calling a full-grown man my itty bitty stinky kitty baby.

When my near-death experience forces Zylus Myrkur to tell me the truth about how magic is real, I nope my way right back into my fish bowl. I will not be participating in any tropes, thank you.

This is not a fish out of water, enemies to lovers romantasy. This is me—a barely functional adult—attempting to live my best life, which consists solely of reading books, eating cheese, and falling asleep on the couch. It does not include making friends with werewolf chihuahuas, meeting a moth faerie prince, or defeating a boogeyman.

And it absolutely, completely, most definitely does not include falling in love.

AUTHOR BIO

Camilla Evergreen writes sarcastic, chaotic romcoms full of singular beds, secret obsessions, and neurodivergent traits. She uses the accessibility of romantic comedy to extend a simple, but important, message to anyone who finds her: No matter what, you are not alone.

Anastasis Blythe

The Assassin Bride

THE KING AND THE ASSASSIN | 3 BOOK SERIES

Perfect for fans of The Serpent and the Wings of Night, Sylvia Mercedes, and Elise Kova who love dark, swoon-worthy heroes and a slow-burn romance.

It is said that the Neverseen King comes for a bride every hundred years.

I thought it was only legend—until he came for me.

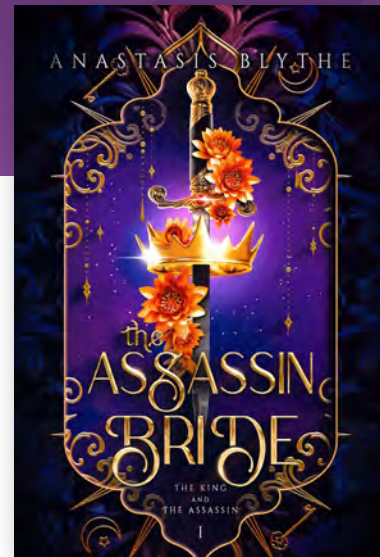

I am one of twelve assassins forced to compete for the hand of our unseen king, who I'm beginning to doubt is even human at all.

Why he needs a bride, much less one who wields a blade isn't any of my business. All I'm trying to do is get out of here with my life and my heart intact. I don't want to care about the mysteries I begin uncovering about the king, about why he never shows his face, about his palace that turns into a nightmare after dusk. I'm just trying to escape.

But apparently, my choice is to win this competition or die. I'm not dying. And I'm definitely not falling in love with the Neverseen King.

AUTHOR BIO

Anastasis Blythe makes her home in central Texas with her husband. When she's not writing, she gardens, accompanies local bands and choirs on piano, rescues feral cats, and tries to keep up with the laundry. She loves exploring the world through reading, walks in nature, and thoughtful conversations.

Casey Morales is an LGBTQ storyteller and author of multiple bestselling MM romance novels. A recent Gold Medal winner in the 2024 Global Book Awards competition, readers will enjoy this enchanting series where a new love awakens, dark forces stir, and the world stands on the brink of war.

A new love awakens. Dark forces stir. The world stands on the brink of war.

In a world where everyone wields magic, I'm the odd one out—ungifted and unsure. My lack of magic gnaws at my confidence, but amid this struggle, I find unexpected solace in Ayden, a fellow Ranger cadet. Our budding romance becomes the one bright spot in my life.

Then everything changes.

A shadowy threat emerges, and an ancient cult aims to resurrect a long-forgotten queen, plunging our world into chaos. Kidnappings and whispers of disaster force Ayden and me into a dangerous journey, one where trust is scarce and betrayal lurks around every corner.

As Keelan investigates, Ayden and I must navigate this treacherous path together, uncovering secrets of the past and within ourselves.

Through it all, I learn that true courage isn't only found on the battlefield but also lives in the quiet moments shared between two souls.

It's A Wonderful Midlife Crisis

GOOD TO THE LAST DEATH | 12 BOOK SERIES

A 12 book Paranormal Women's Fiction series with a bit of class, and a lot of sass, for anyone who feels like age is just a number!

Whoever said life begins at forty must have been heavily medicated, drunk, or delusional.

Thirty-nine was a fantastic year. I was married to the man I loved. I had a body that worked without creaking. My grandma, who raised me, was still healthy, and life was pretty damned good.

But as they say, all good things come to an end. I'd honestly love to know who 'they' are and rip them a new one. One year later, I'm a widow. My joints are starting to ache. Gram is in the nursing home, and dead people think my home is some kind of supernatural bed and breakfast. Gluing body parts onto semi-transparent people has become a side job—deceased people I'm not even sure are actually there. I think they need my help, but since I don't speak dead, we're having a few issues.

To add to the heap of trouble, there's a new dangerously smokin' hot lawyer at the firm who won't stop giving me the eye. My BFF is thrilled with her new frozen face, thanks to her plastic surgeon, her alimony check, and the miracle of Botox. And then there's the little conundrum that I'm becoming way too attached to my ghostly squatters... Like Cher, I'd like to turn back time. Now.

No can do.

Whatever. I have wine, good friends, and an industrial sized box of superglue. What could possibly go wrong?

Everything, apparently.

All in all, it's shaping up to be a wonderful midlife crisis...

Switching Hour

MAGIC AND MAYHEM | 10 BOOK SERIES

In this 10 book series, a grumpy witch, a resurrected cat, and a werewolf mate embark on a mysterious mission to save supernatural beings before a looming deadline.

Released from the magic pokey and paroled with limited power is enough to make any witch grumpy. However, if you throw in a recently resurrected cat, a lime-green Kia and a sexy egotistical werewolf, it's enough to make a gal fly off the edge.

Not to mention a mission...with no freaking directions.

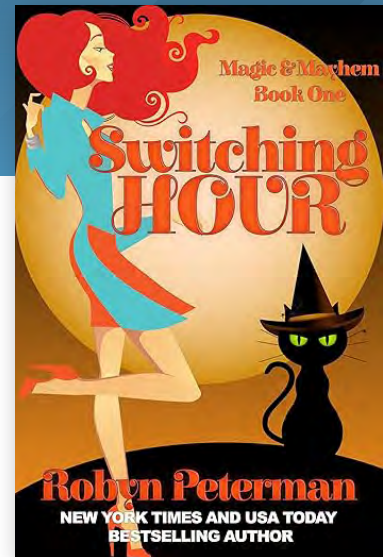

So here I sit in Asscrack, West Virginia trying to figure out how to complete my mysterious mission before All Hallows Eve when I'll get turned into a mortal. The animals in the area are convinced I'm the Shifter Whisperer (whatever the hell that is) and the hotter-than-asphalt-in-August werewolf thinks I'm his mate. Now apparently I'm slated to save a bunch of hairy freaks of nature?

If they think I'm the right witch for the job, they've swallowed some bad brew.

Vampyres don't exist. They absolutely do not exist.

At least I didn't think they did 'til I tried to quit smoking and ended up Undead. Who in the hell did I screw over in a former life that my getting healthy equates with dead?

Now I'm a Vampyre. Yes, we exist whether we want to or not. However, I have to admit, the perks aren't bad. My girls no longer jiggle, my ass is higher than a kite and the latest Prada keeps finding its way to my wardrobe. On the downside, I'm stuck with an obscenely profane Guardian Angel who looks like Oprah and a Fairy Fighting Coach who's teaching me to annihilate like the Terminator.

To complicate matters, my libido has increased to Vampyric proportions and my attraction to a hotter than Satan's underpants killer rogue Vampyre is not only dangerous . . . it's possibly deadly. For real dead. Permanent death isn't on my agenda. Avoiding him is my only option. Of course, since he thinks I'm his, it's easier said than done. Like THAT'S not enough to deal with, all the other Vampyres think I'm some sort of Chosen One.

Holy Hell, if I'm in charge of saving an entire race of blood suckers, the Undead are in for one hell of a ride.

The Write Hook

MY SO-CALLED MYSTICAL MIDLIFE | 5 BOOK SERIES

A newly divorced romance author's fictional characters come to life, turning her midlife crisis into a hilarious, reality-bending adventure.

Midlife is full of surprises. Not all of them are working for me.

At forty-two I've had my share of ups and downs. Relatively normal, except when the definition of normal changes... drastically.

Four months of wallowing in embarrassed depression should be enough. I'm beginning to realize that no one is who they seem to be, and my life story might be spinning out of my control. It's time to take a shower, put on a bra, and wear something other than sweatpants. Difficult, but doable.

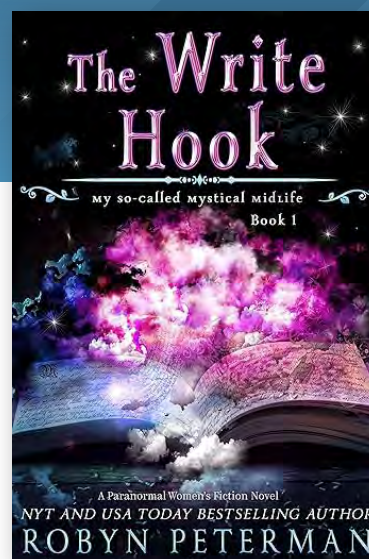

With my friends—real and imaginary—by my side, I need to edit my life before the elusive darkness comes for all of us.

The plot is no longer fiction. It's my reality, and I'm writing a happy ever after no matter what. I just have to find the write hook.

T.A. Lawrence

A Word So Fitly Spoken

THE SEVERED REALMS | 5 BOOK SERIES

Christened the #BestofBookTok, enter the world of T.A. Lawrence in this series of fable and fairytale retellings, full of love, sacrifice, and betrayal.

One stunning bride. One wedding. One night with the king.

One execution come morning. Rinse and repeat.

When the fae king of Naenden returns home to his palace only to find that his human queen has committed treason by conspiring to assassinate him, he has the queen executed and decrees that once every mooncycle, he'll marry a human woman from the kingdom, only to execute her the following morning.

Unless one woman offers herself as a sacrificial bride for the rest.

Asha isn't worried about being chosen, of course. The decree was quite clear about beauty being among the top criteria for being selected as one of the king's unfortunate brides. Asha is no beauty thanks to the illegal magic that inhabits her body, leaving her scarred and missing an eye. The same magic that occasionally possesses her voice so it can amuse itself by telling a never-ending story with a string of horrible cliffhangers.

The problem is Asha might not be a beauty, but her sister Dinah is. When Asha realizes Dinah is in danger of being selected as the king's sacrificial bride, Asha decides she can't live with that risk. So she offers herself instead.

Except on the night of their wedding the king grants Asha a final request. Naturally, she asks to tell her sister one last bedtime story. Naturally, the king eavesdrops.

THE NEVERLAND CHRONICLES | 3 BOOK SERIES

A #BestofTikTok dark fairytale retelling featuring Peter Pan and the Lost Boys, The Neverland Chronicles series has sold over 75,000 copies to-date!

Gwendolyn Mary Darling Carlisle's young life has been a saga of misfortune.

After a tragic accident unexpectedly took her parents, Gwen found herself the sole caregiver for her ailing sister. It's her eighteenth birthday, but with responsibilities weighing heavy, she struggles to find something worth celebrating. Everything in her life has fallen apart. That is until she finds a mysterious man in her bedroom.

Peter Pan has returned to the Darling estate. The boy from Neverland, who refused to grow up, has, in fact, grown into an alluring man. It's time for spring cleaning, and he's determined to bring a descendant of Wendy's back to Neverland with him.

Gwen is swept off her feet and across the veil to be engulfed in a fantastical world of mermaids, Fae, and Peter's new band of Lost Boys. As she gives herself over to the wonder of Neverland and the affections of Peter and his Lost Boys, she finds herself living out hedonistic fantasies that she could have only ever dreamed about.

But not everything is as it seems in Neverland. Her memories of home and her beloved sister are fading. A treasured family heirloom, a locket with its own ties to Neverland, is the only tether to the sister she left behind and the life she is obligated to return to. The fairytales she'd heard as a child only hinted at the truth. Neverland bears some dark secrets.

AUTHOR BIO

T. S. Kinley is a passion project created by two sisters with a shared obsession and vision. We came together with the dream of creating something beautiful, imaginative, and yes... SEXY.

Once upon a Time... it all began with sisterly gossip about erotica and romance novels. Our conversations quickly became fantasies about our own desires to author such work. We would muse how some day in a utopian future, our fantasy would become reality. Ultimately we decided rather than wait for the future to find us, we would create utopia ourselves. Using our love of books, natural gift of creativity, and some savvy study on publishing itself, the concept for our very first book was born.

Sasha Pierce hasn't had a single dream since she was a child...until she accepts a substitute teaching position in the charmingly witchy village of Old Middleton. Her first dream in twenty-five years ought to be enchanting, but her wonder quickly turns to shock when she realizes that it's not a dream at all, but an entirely different sort of magic.

Catapulted through an ancient portal into the fairytale kingdom of Between, Sasha's astonishment is swiftly upgraded to panic when she accidentally performs a supposedly impossible feat and is declared the True Queen of Between...and betrothed to its infuriatingly handsome sorcerer king.

Lorn, Shadow King of Between, is desperate to break free from Between's clutches. Magically tethered to the ramshackle kingdom, he wages a daily battle to save his disreputable subjects from rampaging magical creatures, sinkholes, and catastrophes of the distressingly lethal variety. To avoid an early grave, he needs an escape plan, not a wife...until he learns that this magi-cess mortal holds the key to his freedom.

Unwilling to leave her world to accept the crown—or the husband—Sasha must race against the clock to disentangle herself from this fairytale. But her empty throne leaves a dangerous rift between their worlds. As dark forces descend upon Old Middleton, the two must make a choice: work together or unleash fairytale chaos upon their realms.

AUTHOR BIO

L. L. Starling is an Australian who lives in Madison, Wisconsin—right in the midst of the deliciousness that is 'America's Dairyland.' A writer by day (free-range, forest-dwelling swamp witch by night), she loves small dogs, bucket-sized iced lattes, glitter and crowns of all sorts, Wonder Woman, Bowie, smiting all those who oppose her plans for world domination, and the music of the 80s (especially the power ballads, which she sings into her hairdryer on the 'cool' setting so that her hair blows around in a suitably epic fashion).

T.C. Edge

The Song of the First Blade

THE BLADEBORN SAGA | 7 BOOK SERIES

For fans of The Bound and the Broken, a sweeping epic fantasy adventure where Game of Thrones meets Assassin's Creed.

An ancient evil. A treacherous king. A mystery going back to the fall of the gods.

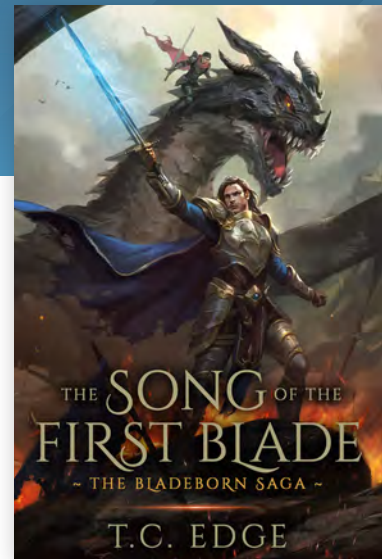

In the heart of Vandar, as dark forces close in, Elyon, a gifted Bladeborn knight, fights for his family's survival in a world on the brink of war. In the beleaguered northlands of Tukor, a servant girl with a mysterious past is forced on the run by a treacherous lord, propelling her on a journey that will change her world forever. From the Shadowfort, an ancient power is unleashed, one that will set into motion a series of events that will bring the world to its knees.

With the world on the verge of chaos and countless lives at stake, a new First Blade must be selected, but obstacles stand in the way. Alliances are broken. Enemies are born. Only the strong will survive.

AUTHOR BIO

T.C. Edge (Toby to his friends) grew up in the lush green countryside of Southern England with 2 parents, 3 brothers, and a whole farmyard's worth of animals.

As an avid movie fan, Toby likes to create highly cinematic books where he can truly let his imagination run wild. So instead of writing stories based in the 'real world' he creates worlds of his own, casting his mind ahead hundreds of years to present alternate visions of the future. His dystopian realities are typically harsh and brutal, and often contain characters with wonderful abilities and powers.

SLEEPING FOXES | 2 BOOK SERIES

"Magical from beginning to end! A mysterious discovery, a ghost grandmother who is the bee's knees, a town that made me want to drop everything and move there, and two of the most adorable people in the world." - Top Amazon Review

It should have been the start of something wonderful...

Max is living the screenwriter dream. He's not even thirty, he's just won an Oscar, and he's dating the gorgeous star of his movie. But after that one magical night, everything crumbles. The movie star dumps him, and his latest screenplay is a blank document that stubbornly refuses to write itself.

So Max decides to disappear into the middle of nowhere and maybe obscurity. He's just getting settled into his new life when suddenly someone is trying to kill him.

Gorgeous Gentry Fox seems like he wants to help, but the way he keeps showing up at just the right times is suspicious. Is he the aw-shucks good ol' boy he seems, or part of the plot to kill Max? Just as importantly, is he single?

AUTHOR BIO

Sam lives in North Carolina with her husband and cat, which is even less exciting than it sounds, so she's not sure why you're still reading this.

She specializes in LGBTQIA+ fiction, usually with a romantic element. There's sometimes intrigue and violence, usually a little sex, and almost always some swearing in her work. Her writing is light and happy, though, so if you're looking for a dark gritty reality, you've come to the wrong author.

Balanced on the Blade's Edge

DRAGON BLOOD | 7 BOOK SERIES

A fast-paced fantasy steampunk series from a USA Today bestselling author that's sold thousands of units in ebook and audio.

Colonel Ridge Zirkander isn't the model of military professionalism—he has a tendency to say exactly what's on his mind, and his record has enough demerits to wallpaper the hull of an airship—but as the best fighter pilot in the Iskandian army, he's used to a little leniency from his superiors. Until he punches the wrong diplomat in the nose and finds himself issued new orders: take command of a remote prison mine in the inhospitable Ice Blades Mountains. Ridge has never been in charge of anything larger than a flier squadron—what's he supposed to do with a frozen fortress full of murderers and rapists? Not to mention the strange woman who shows up right before he arrives...

Sardelle Terushan wakes from three hundred years in a mage stasis shelter, only to realize that she is the last of the Referatu, the sorcerers who once helped protect Iskandia from conquerors. Their subterranean mountain community was blown up in a treacherous sneak attack by soldiers who feared their power. Everyone Sardelle ever knew is dead, and the sentient soulblade she has been bonded to since her youth is buried in the core of the mountain. Further, what remains of her home has been infested by bloodthirsty miners commanded by the descendants of the very soldiers who destroyed her people.

Sardelle needs help to reach her soulblade—her only link to her past and her last friend in the world. Her only hope is to pretend she's one of the prisoners while trying to gain the commander's trust. But lying isn't her specialty, especially when the world has changed so much in the intervening centuries, and if Colonel Zirkander figures out who she truly is, he'll be duty-bound to sentence her to the only acceptable punishment for sorcerers: death.

AUTHOR BIO

Fantasy and science fiction author Lindsay Buroker has early memories of convincing childhood friends, pets, and stuffed animals to play the roles of characters in her worlds, so it's safe to say she's been making up stories for a long time.

Schooled in Magic

SCHOOLED IN MAGIC | 23 BOOK SERIES

A captivating blend of fantasy and coming-of-age adventure, ideal for fans of magical school stories like Harry Potter and The Magicians.

Emily is a teenage girl pulled from our world into a world of magic and mystery by a necromancer who intends to sacrifice her to the dark gods.

Rescued in the nick of time by an enigmatic sorcerer, she discovers that she possesses magical powers and must go to Whitehall School to learn how to master them. There, she learns that the locals believe she is a "Child of Destiny" - someone whose choices might save or damn their world, a title that earns her both friends and enemies.

A stranger in a very strange land, she may never fit in to her new world, and the necromancer is still hunting her. If Emily can't stop him, he might bring about the end of days.

AUTHOR BIO

Christopher Nuttall has been planning sci-fi books since he learned to read. Born and raised in Edinburgh, Chris created an alternate history website and eventually graduated to writing full-sized novels. Studying history independently allowed him to develop worlds that hung together and provided a base for storytelling. After graduating from university, Chris started writing full-time. As an indie author, he has published fifty novels and one novella (so far) through Amazon Kindle Direct Publishing.

Professionally, he has published The Royal Sorceress, Bookworm, A Life Less Ordinary, Sufficiently Advanced Technology, The Royal Sorceress II: The Great Game and Bookworm II: The Very Ugly Duckling with Elsewhen Press, and Schooled in Magic through Twilight Times Books.

John Bierce
Into the Labyrinth
MAGE ERRANT | 7 BOOK SERIES

Bestselling coming of age, magical academy series.

Hugh of Emblin is, so far as he's concerned, the worst student that the Academy at Skyhold has ever seen. He can barely cast any spells at all, and those he does cast tend to fail explosively. If that wasn't bad enough, he's also managed to attract the ire of the most promising student of his year- who also happens to be the nephew of a king. Hugh has no friends, no talent, and definitely doesn't expect a mage to choose him as an apprentice at all during the upcoming Choosing.

When a very unusual mage does choose him as apprentice, however, his life starts to take a sharp turn for the better. Now all he has to worry about is the final test for the first years- being sent into the terrifying labyrinth below Skyhold.

AUTHOR BIO

John Bierce is a fantasy novelist, history and science buff, SFF fan, and general all-around dork. He travels the world full-time as a digital nomad, and has an unhealthy obsession with geology.

Carpathians

Bestselling first-contact science fiction from the original audio publisher of The Martian.

Humans have reached the stars. There is no evidence any other species survived its own sentience long enough to do the same. Until now, when the Magellanix deep-space scout Accipiter discovers the Artifact, a million-year-old alien construct resting in a dormant volcano on a faraway world.

Now, TransGalactic has sent the Carpathia to steal it. Two ships, two rival corporations, and a race only one of them can win.

The stakes are greater than they seem. The Artifact is more than just a technological marvel. It holds the key to humanity's survival, and—perhaps—an understanding of our place in the universe at last.

Shades of Forever

At once violent, funny, and hopeful, Shades of Forever is a reality-shattering, mind-melting slice of dystopian fiction from author, activist, and former NFL punter Chris Kluwe.

In a heretofore calm pocket of a postapocalyptic world, a few survivors find they are not alone as they face a new reality rife with cosmic horrors.

In an isolated village at the edge of a forest, the last of humanity ekes out a spirited existence on an Earth that was ravaged by cataclysm generations ago. Here, Sky Memoriam prepares to assume the role of memory keeper, sole relator of the long-forgotten histories of the Old World. But Sky is in for a shock.

When a ship from somewhere out in space lands in the survivors' clearing, its wisecracking AI interface, known as Box, quickly announces its intention to integrate Sky into what the visitor insists is the true reality. It seems assimilation is necessary if Sky is going to withstand the eldritch horrors—so soul-rippingly incomprehensible there are no words to describe them—that are coming.

Creature-combat training aside, Sky's greatest task will be making sense of everything the snarky bot keeps trying to impart about limitless imaginations, the endless infinity of other worlds, and the dangers on this one. Being torn between two realities—the one of the wasteland Sky and the plucky village folk call home and a new one proffered by Box—is enough to drive anyone insane. But as Sky soon discovers—and as weird as it sounds—madness itself may be the key to surviving this wild ride.

AUTHOR BIO

Chris Kluwe is a former NFL player, who set multiple records for the Minnesota Vikings; a fierce social justice advocate; and the author of Shades of Forever, Otaku, and Beautifully Unique Sparkleponies. Columbus Day

EXPEDITIONARY FORCE | 20 BOOK SERIES

New York Times bestselling Sci-Fi adventure series.

We were fighting on the wrong side of a war we couldn't win. And that was the good news.

The Ruhar hit us on Columbus Day. There we were, innocently drifting along the cosmos on our little blue marble, like the Native Americans in 1492. Over the horizon come ships of a technologically advanced, aggressive culture, and BAM! There go the good old days, when humans only got killed by each other. So, Columbus Day. It fits.

When the morning sky twinkled again, this time with Kristang starships jumping in to hammer the Ruhar, we thought we were saved. The UN Expeditionary Force hitched a ride on Kristang ships to fight the Ruhar, wherever our new allies thought we could be useful. So, I went from fighting with the US Army in Nigeria, to fighting in space. It was lies, all of it. We shouldn't even be fighting the Ruhar, they aren't our enemy. Our allies are.

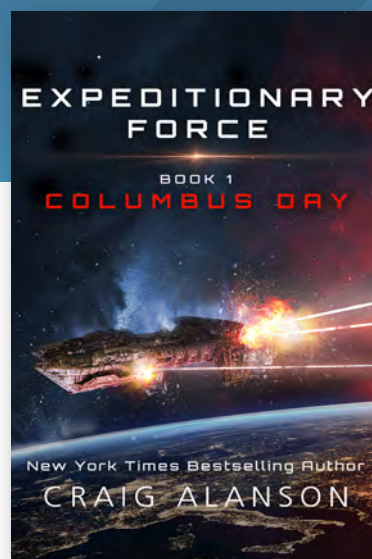

AUTHOR BIO

Craig Alanson is a NYT bestselling author. His first audiobook 'Columbus Day' was a finalist for Audiobook Of The Year 2018. He used to create financial reports for a large IT services company. Writing fiction at nights and on weekends, he finally independently published three novels on Amazon. Within 6 months of his first ebook release, he was able to quit his day job and pursue a full-time writing career.

The breakout success of Columbus Day (Expeditionary Force, Book 1) reached new heights when Podium Audio released it in audio format, narrated by Audie Award Winner R.C. Bray. The Columbus Day audiobook was a huge hit, and a finalist for an Audie Award as Audiobook of the Year.

The ExForce series, as it is known to fans, has gone on to 16 books/audiobooks, many of which have hit the Audible and New York Times bestseller lists.

Craig lives in Virginia with his wife, who loves him even though he perpetually refuses to clean the garage.

Into the Stars

RISE OF THE REPUBLIC | 12 BOOK SERIES

A page-turning, near future, military sci-fi epic, packed with action and believable future tech.

The stars are within mankind's reach...but what awaits in the void may end humanity.

Mars and the Moon have been colonized, piracy runs rampant in the asteroid belts, and a thriving society grows in the depths of space. Humanity prepares to embark upon its greatest journey - the colonization of Alpha Centauri.

Then, everything changes. A deep space reconnaissance probe discovers a new Earth-like planet 12 light-years from Earth's sun. The probe also finds something unusual, something...unnerving. A new mission is created, a space fleet is formed, and humanity embarks on unravelling the greatest mystery of all - the origins of life itself.

Can the factions of Earth remain united, or will old rivalries and animosities destroy the fragile peace in the face of this terrifying existential threat? Will exploration prove to be a fatal mistake?

Dryker's Folly

VOID WRAITH ORIGINS | 6 BOOK SERIES

The space marine science fiction classic- a trilogy for true fans of the space fleet sci-fi genre.

Before the Void Wraith. Before the Eradication.

One man had a chance to stop it all, and failed...

Captain Dryker is a washed up vet mining on the fringes of the Kuiper belt. He loads rocks into the Folly's railgun, and fires them back to his corporate overlords on Earth. Boring, just the way he likes it. Until one day it isn't.

An alien signal bursts from Pluto, which as it turns out is neither a planet, nor a planetoid body. It is an ancient defense satellite activated because it detected the return of the Vuka Spectra. The Void Wraith.

Dryker is the closest ship on the scene, but not the only one vying for the prize. Hostile aliens have emerged from our sun using something called a Helios Gate. The savage Tigris have come not just for the satellite, but to conquer Earth.

Dryker's only hope is finding something, anything, within the installation to counter the alien's superior technology and save mankind.

The Sword of Jupiter

IMPERIUM | 6 BOOK SERIES

Set in an alternative future, the Imperium series explores the question, "What if the Roman Empire had survived long enough to utilize space-age technology?" Perfect for fans of Craig Alanson, A.G. Riddle, and Stephen Baxter.

An uncertain future in a new past.

During the test flight of a prototype faster-than-light craft, Lt. Commander Ky is flung into an ancient past that never existed. Rome has fallen, defeated by the mighty Carthaginian Empire, its survivors chased off the continent and onto what had been the remote province of Britannia.

Hounded by the Carthaginians bent on conquering the known world, Rome is on the verge of destruction. Stranded and alone, except for a tactical AI implanted in his head, Ky has lost everything and must find a way to live in a world different than anything he's ever known.

For Ky to survive, he needs a new home. For the Romans to survive, they need a miracle. But can a man from the future work with people so far in his past, or is this match doomed to failure?

Bearing Gifts

THE STARDOCK TRILOGY | 3 BOOK SERIES

An Amazon bestselling military space opera series, perfect for fans of Craig Alanson, John Scalzi, and James S. A. Corey.

When the over-driven hyperdrive on their mobile shipyard burned out, the Chhrt'kkt't abandoned it in an inhabited system along their path, hoping it would work as a decoy to buy them more time to escape the Khreetan fleet pursuing them.

They didn't anticipate how far the pre-spacefaring species they turned over their broken-down maintenance facility to would subvert their plan.

Alex Holder, a retired engineer, just happened to be in the right place, at the right time, with the right mindset, to find himself chosen by the Chhrt'kkt't to hand over control of their shipyard to, simply because he was the first person they found able to interface with it. The Chhrt'kkt't could not possibly anticipate what he would do with it. And neither would anyone else.

AUTHOR BIO

Sean Fenian has been an avid reader of SF/fantasy since his teens, and is broadly knowledgeable in many subjects, with a long-standing interest in physics and related science.

He has trained in four different martial arts, and firmly believes that the true measure of a person is how well you treat others. He dreams many things, some of which occasionally become reality... but only occasionally.

Renegade Star

RENEGADE STAR | 12 BOOK SERIES

Fans of Firefly, Battlestar Galactica, or Indiana Jones will love this epic, action-packed space opera adventure.

They say the Earth is just a myth. Something to tell your children when you put them to sleep, the lost homeworld of humanity. Everyone knows it isn't real, though. It can't be.

But when Captain Jace Hughes encounters a nun with a mysterious piece of cargo and a bold secret, he soon discovers that everything he thought he knew about Earth is wrong. So very, very wrong.

Climb aboard The Renegade Star and assemble a crew, follow the clues, uncover the truth, and most importantly, try to stay alive.

Ruins of the Earth

RUINS OF THE EARTH | 6 BOOK SERIES

A fast-paced post-apocalyptic space adventure that continues to captivate fans.

A secret buried in the Antarctic. A puzzle unsolved for thousands of years.

And a Brooklyn-born Master Gunnery Sergeant who's royally pissed that he has to babysit the researchers sent to figure it all out. Patrick "Wic" Finnegan's last op as a Marine Raider before retirement sends him to the frozen Ellsworth Subglacial Highlands. The only reason he's here?

He owes a favor to an old friend, but that doesn't mean he has to like it.

When Wic finally sees what the team has uncovered, he can't believe his eyes, nor is he prepared for the violence to come. Soon, the portal opens and unleashes a storm of unbridled fury upon humanity.

From the Antarctic tundra to the streets of Manhattan, Wic and his team will be pushed to their limits as they fight to hold back Earth's ultimate threat. The odds are against them. Governments are toppling. And the Earth is falling into ruin.

The future isn't what they expected.

A company of Army Rangers is sent on an interstellar colony ship to secure a foothold on a dangerous, alien planet through violence of action. Leaving behind a warring Earth flung headfirst into a conflict of mutual assured destruction, the Rangers and the accompanying crew of first colonists are guided on a 40-year journey by an unprecedented artificial intelligence.

But when they emerge from the frigid embrace of cryosleep, they awake to a nightmare, finding themselves greeted by the same ruthless enemy that brought about the ruin of Earth. Alone on a dangerous, alien planet and with no hope of rescue or relief, the military colonists are forced to finish the war they thought they'd left behind. And in an unknown galaxy, friends and enemies alike prove to be much more than they seem.

Until the End of the World

UNTIL THE END OF THE WORLD | 4 BOOK SERIES

Named one of BookBub's top can't-miss zombie series, Until the End of the World blends the intensity of a zombie apocalypse with deeply emotional storytelling, focusing on relationships, survival, and the resilience of the human spirit.

Cassie Forrest isn't surprised to learn that the day she's decided to get her life together is also the day the world ends.

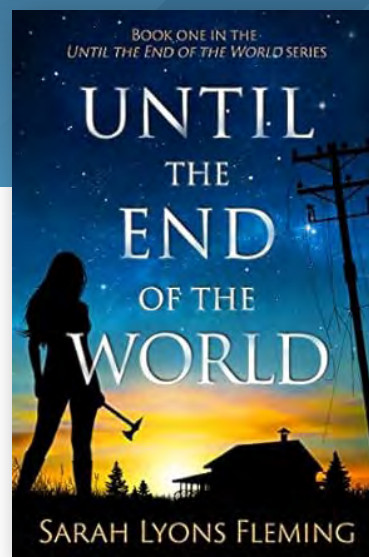

After all, she's been on a self-imposed losing streak since her survivalist parents died: she's stopped painting, broken off her engagement to Adrian and dated a real jerk. Rectifying her mistakes has to wait, however, because Cassie and her friends have just enough time to escape Brooklyn for her parents' cabin before Bornavirus LX turns them into zombies, too. This is difficult enough, but Cassie's tag along ex-boyfriend and her friend's bratty sister have a knack for making everything, even the apocalypse, more unpleasant.

When the two attract a threat as deadly as the undead to their safe haven, Cassie's forced to see how far she'll go to protect those she loves. And it's a lot farther than she'd anticipated. This, coupled with Adrian's distant voice on Safe Zone Radio and, of course, the living dead, threaten to put Cassie right back into the funk she just dragged herself out of. Survival's great and all, especially when you have leather armor, good friends and home-brewed beer, but there's something Cassie must do besides survive: tell Adrian she still loves him. And to do that, Cassie has to find faith that she's stronger than she thinks, she's still a crack shot and true love never dies.

AUTHOR BIO

Sarah Lyons Fleming is a Laura Ingalls devotee, wannabe prepper, and lover of anything apocalyptic. Add some romance and humor, and she's in heaven.

Besides an unhealthy obsession with bug-out bag equipment, she loves books and making artsy stuff. Born and raised in Brooklyn, NY, she now lives in Oregon with her family and, in her opinion, not nearly enough supplies for the zombie apocalypse. But she's working on it.

He Who Fights with Monsters

HE WHO FIGHTS WITH MONSTERS | 6 BOOK SERIES

Bestselling and fan favorite LitRPG series with hundreds of thousands of copies sold.

Selected as one of Audible's best audiobooks of 2021

Jason wakes up in a mysterious world of magic and monsters.

It's not easy making the career jump from office-supplies-store middle manager to heroic interdimensional adventurer. At least, Jason tries to be heroic, but it's hard to be good when all your powers are evil.

He'll face off against cannibals, cultists, wizards, monsters... and that's just on the first day. He's going to need courage, he's going to need wit, and he's going to need some magic powers of his own. But first, he's going to need pants.

AUTHOR BIO

Shirtaloon was working on a very boring academic paper when he realised that writing about an interdimensional kung fu wizard would be way more fun...

WELCOME TO THE MULTIVERSE | 12 BOOK SERIES

The apocalypse is coming! Only a few are warned by the system ahead of time. It falls to them to compete for their world's place in the multiverse.

The apocalypse is coming but only those lucky or perhaps unlucky few know.

Silas is inducted into the System becoming the last in a long line of Earth's 'Forerunners.'

The rewards are great but the danger is greater.

We are not alone in the universe. The fate of five worlds hangs on how their forerunners perform.

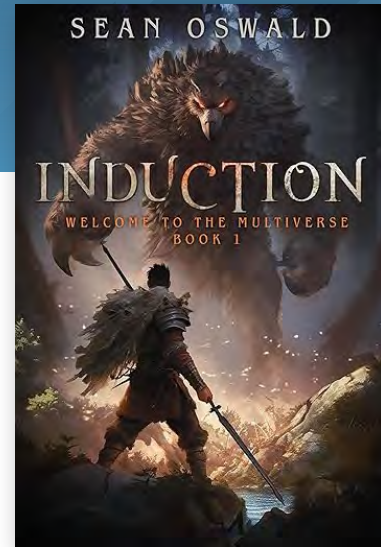

Will Silas have what it takes to win Earth a place in the multiverse or will Earth become another mining world stripped of all resources and left a barren husk floating in the cosmos?

A system enforced secret... a deadly challenge... and only a year to go.

The countdown begins now!

DRAGON SORCERER | 15 BOOK SERIES

Is it snark if you're a dragon?

Nico, a young dragon of barely fifty, is rudely chased from his home by a group of murderous adventurers. Of his entire clutch, only he and one sister remained, but now he is alone. Isolated and hungry, Nico's magic awakens, bonding him with Cami, a brave young woman.

To hide from the adventurers' pursuit, Nico takes on human form. However, once they discover that both he and Cami have magical abilities, they are required by law to attend the Imperial Academy.

Of course, he has to hide his true nature, which isn't always easy given a dragon-sized ego.

SHAMAN'S CALL | 3 BOOK SERIES

Frank never planned for the afterlife. Heck he didn't even believe in that, certainly not one controlled by an AI.

After failing to read the small print in his contract, Frank finds himself stuck in a new world as an ogre shaman. The only thing worse than trying to talk to an ogre is their food, and Frank is desperate to leave.

The AI's system commands this new world, and Frank is at its mercy. Taken from his life to fulfill a role he doesn't understand, Frank soon suspects he's not in a game at all, but something far more dangerous.

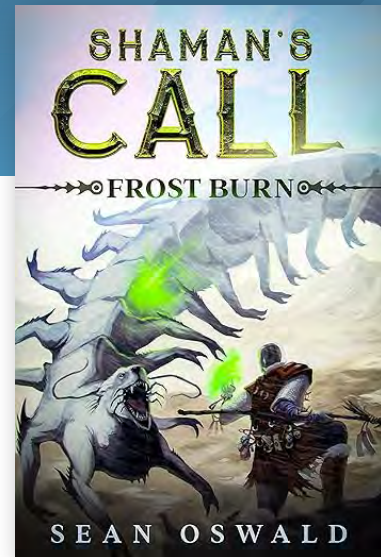

If Frank's suspicions are true, it means this world needs saving, but he never signed up to be anyone's hero. The ogres think Frank is some kind of messiah while the humans think he is XP walking. All Frank wants is to explore and make the best of his new reality; maybe even find someone who can string together more than three words to hang out with.

Instead he finds himself stuck between powers beyond him in a struggle for the fate of not just one world.

This story features a unique monster MC. There is fantasy violence, character sheets, levels, and XP. It is single PoV and has no harem elements.

The Bee-ginning

THE BEE DUNGEON | 6 BOOK SERIES

From the author of the Terminate the Other World! series comes a thrilling dungeon-core fantasy adventure sure to generate a lot of buzz . . .

Belissar has always lived a peaceful life, if not a particularly easy one. Though he lost his parents, he was taken in by a kindly villager who taught him his life's calling: beekeeping. But one day the local lord's ruthless son, Ruckanos, comes to their humble village to claim his own tower, slaughtering everyone.

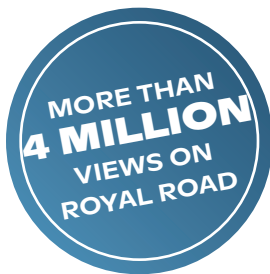

Luckily for Belissar, as he lies dying with an arrow in his back, a tiny worker bee decides to interfere, and he wakes up not only alive but a whole new bee-ing. Turns out his little savior is in actuality a core, and together they've swiped the tower out from under the murderous Ruckanos.

Now Belissar is king of his own beehive/dungeon. But with power comes more trouble than he could've imagined. In addition to building and protecting his own monstrous apiary with the help of his fellow bees, he must confront the encroaching doom known as the Hunger that haunts the world and consumes everything in its path, leaving only death.

A stronger, smarter, more confident, and far less peaceable Belissar is about to show his enemies that when you mess with a hive, you'd better be ready to get stung.

I'm Not the Hero

I'M NOT THE HERO | 5 BOOK SERIES

An isekai buddy comedy with endearing characters, found family and LitRPG elements.

When it comes to action and adventure, every hero needs a good sidekick. Holmes has Watson, Batman has Robin, and Daniel has . . . Orrin. More like brothers than friends, they always have each other's backs. And as Daniel is the big, strong, handsome type, Orrin is more than happy to remain in his shadow at school, at parties, pretty much everywhere.

Then things take a turn for the truly weird when a terrible accident catapults the pair into a world totally unlike their own, in which the rules of a role-playing game hold sway. Naturally, Daniel is classified as a "hero," while Orrin is—also naturally—relegated to the fantasy equivalent of "bleh." Nothing new there.

But in this realm populated with lethal foes both inhuman and inescapable, sticking together matters more than ever, and soon Daniel and Orrin will discover more about themselves—and each other—than either one thought possible. In fact, Orrin just might find the confidence and strength to become something other than your average sidekick . . .

AUTHOR BIO

Lawyer by day and father/husband/dogwalker by night, he is the author of I'm Not the Hero, a story about two friends who are transported to a new world with magic and danger around every turn. What started as a small idea about the background character who didn't get the Hero class evolved into a sprawling tale of friendship, loopholes, and gaming the System.

TERMINATE THE OTHER WORLD! | 5 BOOK SERIES

A humorous Isekai LitRPG adventure series about a Cybernetic Enforcer who finds herself in an alternate reality after getting hacked and ordered to kill her creator. Over 2 million views on Royal Road!

An unstoppable killing machine is unleashed to do . . . whatever she wants in this fast-paced, action-packed spin-off of the Faceless Minion series.

She's unlike anyone or anything else: a Non-Standard Leashed-Intelligence Cybernetic Enforcer aka NSLICE-00P. The first of her kind, she's let loose into a universe of superheroes on behalf of her sinister masters to destroy all who oppose them.

And everything's going according to plan—until NSLICE-00P gets hacked and sent into the past to kill her own creator before he creates her. Obeying orders as always, she wastes the poor guy. Unfortunately, there are consequences to initiating a reality-breaking time paradox. The most significant: total ejection from that reality.

Now the cyborg finds herself in a world of skills and levels, with the distinct advantage of possessing a dungeon core. She'll have to make her way without orders, programming, or limitations. NSLICE-00P suddenly has a whole new life ahead of her. If only she can keep herself from blowing things up at the drop of a hat, she'll be just fine . . .

All the Skills

ALL THE SKILLS | 6 BOOK SERIES

A high fantasy, coming of age epic with dragon riders and a unique card-based magic system. An accessible entrypoint to the growing LitRPG genre.

For a boy coming of age and discovering a magical self-reliance and new powers for every occasion, the future is in the cards, in this fantasy adventure.

Arthur lives with his father, a fallen but proud former noble, in Border Village #49, along with the other good folks condemned to toil in service to the Baron. But Arthur has an edge: a stolen heart card that secretly fell into his possession, thanks to a dragon. It's a priceless source of power for the Baron and the tyrant will kill to get it back. Invaluable, too, to a young man of spellcasting ambitions.

So, at the behest of his father—and to save his own hide—Arthur flees and joins a trader caravan on the kingdom's backroads. Mile by dusty mile, he gains new skills and learns more about his increasing capabilities. But when he meets Horatio, his sharp-tongued new best friend and a spell card collector himself, Arthur discovers the greater powers to come by building on the Legendary card hidden close to his heart.

One step ahead of the Baron's hunters, Arthur and Horatio forge on under a sky full of guardian dragons—from the adorably loopy to the mystically wise—and their unflappable riders. Amidst danger, rescue, and friendships with both humans and those creatures of the more leathery variety, Arthur awakens to a newfound confidence . . . and the extraordinary things that can arise from the simplest magics.

"Honour Rae's All the Skills has everything I love: great writing, an intriguing mystery, and badass dragons. Well, some of them are badass. Some are dweebs, and that makes it even more awesome." —Matt Dinniman, bestselling author of Dungeon Crawler Carl

Nicholas Searcy **Death: Genesis**

DEATH: GENESIS | 16 BOOK SERIES

The hit post-apocalyptic LitRPG series -- with more than a million views on Royal Road -- has become an Amazon reader favorite, garnering an average of 4.7 stars from readers.

Death is only the beginning in this brutal and bloody post-apocalyptic fantasy about humanity's next phase.

In pursuit of his abusive father's approval, Zeke Blackwood pushed himself to the very pinnacle of his chosen obsession. Since childhood, all he'd ever wanted to do was play baseball, and through hard work, discipline, and no small degree of talent, his goal of reaching the major leagues was finally in sight. But then a horrific car accident ruined his arm, eliminating any hope of a professional baseball career.

Consumed by depression, Zeke gave up on his future, preferring to wallow in self-pity. That is, until an opportunity came along for him to prove his worth. When his chronically ill younger brother needed a kidney, Zeke didn't hesitate to offer one of his own—only to die on the operating table.

But eons later, after Earth has been ravaged by disasters both natural and man-made, Zeke is reborn. Guided by the mysterious Oberon, he soon finds himself in the Radiant Isles, a magical land populated by legendary creatures and horrifying monsters alike. A war rages between good and evil, and Zeke—along with the rest of humanity—has been recruited onto the front lines.

Fully healed from the wounds of his previous life, Zeke battles his way through an army of trolls and other subterranean beings, all the while increasing his skills, improving his strength, and gaining superhuman abilities. Finding allies in Abby, an archer who teaches him about his strange new circumstances, and Pudge, a helpless cub who's become soul-bonded to him, Zeke must keep collecting victories if he's to survive in this merciless world.

AUTHOR BIO

Nicholas Searcy has been a lot of things in his life, working jobs ranging from law enforcement to car sales, but through the various careers, he's always been a writer. Whether it's traditional fantasy, LitRPG, or science fiction, he's always putting words on the page.

Deadworld Isekai

DEADWORLD ISEKAI | 3 BOOK SERIES

In this isekai from the author of *How to Survive at the End of the World*, a man is sent to save a dead planet . . . a couple thousand years too late.

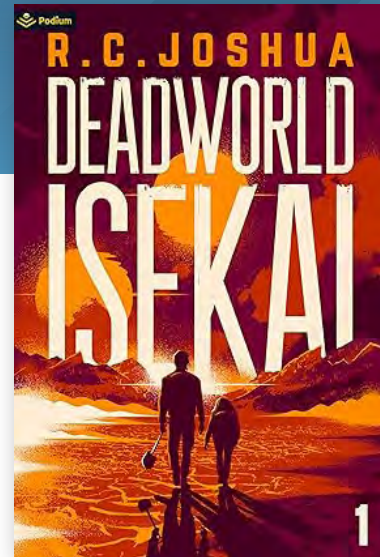

Matt's in the prime of his life. So when his doctor tells him he only has months to live, he figures it's just really bad luck. But it's about to get a whole lot worse.

When Matt's Earthly form finally expires, a truck-avatar system gives him the opportunity to become a hero on the paradise world of Gaia, a supposedly verdant, rich land teeming with plants and potential. What he finds instead is a place completely bereft of life. A literal dead planet. Thanks a lot, truck.

Now, Matt's going to have to figure out not only how to survive in a completely barren realm but also how to not go completely mad with a full load of stats, skills, and levels that might mean absolutely nothing. Unless there's actually something out there after all . . .

A laugh-out-loud, slice-of-life LitRPG story of an overpowered hero... and the system AI is having a terrible time.

After too many lifetimes to count slaying demons and grinding levels, prophesied hero Kaito finally tells destiny where to shove it. He's done.

When dimensional portal number seventeen drops him in front of an enthralled king begging him to vanquish the looming Dark Army, he does what any retired adventurer would do—politely refuses and heads off to focus on the simple pleasures of life: community, and getting his taxes done on time.

No more impossible quests, no more magical MacGuffins, and no more final bosses. Kaito is putting his armor out to pasture for good in a cozy village baking hell-herbs and bread. He's found peace. He's found home. He's finally free to live out his slice-of-life fantasy.

AUTHOR BIO

Lazybaker always dreamed of imagining the most powerful character that has ever been created and that's how Kaito was born. Kaito, Seriously? Another World? is Lazybaker's first original story.

A new action-packed LitRPG series from Ivan Kal with post-apocalyptic and fantasy elements. More than 200,000 views on Royal Road.

When an alternate Earth is subsumed into a new reality comprising many worlds, a young vampire is the only one with the knowledge needed to save her planet.

Sold to a vampire cartel at a young age so her starving family could eat, Marianna Rojas is accustomed to fighting for her survival. When her temper leads her to make a terrible mistake, the vampire master of the Lágrima Sangrienta Cartel decides to make an example of her. Near death, her life is spared by mere chance, but she opens her eyes in the wilderness to find two moons hanging in the sky above her.

Earth is being subsumed into a new reality by a spell with god-like power, and Marianna has been chosen as one of thirty Exemplars to experience the new world ahead of the rest of the planet's denizens. As a vampire herself, she's used to striking fear into the hearts of all, but now it seems like every monster lurking in the shadows is out for her blood. She'll have to learn this new realm's rules and level up her skills—and fast.

Accompanied by a tiny dragon named Saia, Marianna works to master the mysterious Mask, which seems to be the source of all the new skills now available to her. With it, she sets out to discover the path to fulfillment of her destiny. Suddenly flush with magic, she's more powerful than she's ever been, and the Thirst is thrumming in her veins. But she only has a month before she's sent back to the freshly integrated Earth to help with its transition.

Determined, Marianna trains to fight, and between the Dwarves, the Elves, and the warlike YoKai-ni, she has plenty of opportunities to practice. But to what lengths will she go to survive—and save as much of the Earth she left behind as possible?
